

# The Hindenburg Disaster

## Reading Comprehension Passage

### *The Hindenburg Disaster*

The Hindenburg Disaster was a tragic event that happened a long time ago. It was on May 6, 1937, when the Hindenburg airship caught fire and crashed to the ground. The Hindenburg was a huge, fancy airship that people used to travel from one place to another. It was like a big balloon filled with gas that could float in the sky.

The Hindenburg Disaster happened in Lakehurst, New Jersey. Many people had gathered to see the airship arrive. They were excited to watch it land. But suddenly, something went terribly wrong. A fire broke out on the airship, and it started to burn. People were scared and ran away from the burning airship.

The fire spread quickly, and the Hindenburg crashed to the ground. It was a horrible sight. The airship was completely destroyed. Many people were injured, and sadly, some even lost their lives. It was a very sad day.

Scientists and investigators studied the Hindenburg Disaster to figure out what went wrong. They found out that the airship had been filled with a dangerous gas called hydrogen. Hydrogen is highly flammable, which means it can easily catch fire. The fire on the Hindenburg started because of a spark, which caused the hydrogen to ignite.

After the Hindenburg Disaster, people stopped using hydrogen to fill airships. They started using a safer gas called helium instead. Helium is not flammable, so it is much safer to use. This tragic event taught people an important lesson about safety.

Today, we remember the Hindenburg Disaster as a reminder of the dangers of using flammable gases. It was a sad event that changed the way airships are made. We should always prioritize safety to prevent accidents like this from happening again.

### *Hindenburg Disaster*

Date: \_\_\_\_\_

1. Where did the Hindenburg Disaster happen?

- Lakehurst, New Jersey
- Los Angeles, California
- Chicago, Illinois
- Houston, Texas

**Daily Comprehension** ,2000

*The Unmaking of Adolf Hitler* Eugene Davidson, 2004 The Unmaking of Adolf Hitler which includes dozens of photos from

German collections covers literally every aspect of Hitler's life from his success after he came to power in 1933 to his self destruction. Renowned author Eugene Davidson describes in detail Hitler's stratagems in reviving morale and undoing the inequitable treaties imposed on Germany after World War I and his shrewd moves to take advantage of the fatal miscalculations of the coalition that had been aligned against the Reich. Once Hitler had brutally improved Germany's desperate state, there followed mortal errors and fateful mistakes of judgment arising from his own inadequacies. Compelling, well researched and eminently readable, *The Unmaking of Adolf Hitler* strives to explain how and why Hitler's empire collapsed from his own actions. Available only in the USA and Canada.

## **Hindenburg Comprehension Question** Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is truly remarkable.
