Hindu Widow Re-Marriage Other Tracts (Classic Reprint) Mahatma Gandhi,2017-12-18 Excerpt from Hindu Widow Re Marriage Other Tracts Early marriage of girls would be greatly checked by the free introduction of widow re marriage As the state of the Hindu society now exists virgins are available both for bachelors and widow ers The latter naturally and generally desire to unite themselves with grown up girls Few parents like to give the hands of their girls to

widowers They therefore naturally desire to secure bachelor matches as early as possible to obviate the emergency of having re course to widower matches and thus the early marriage is encouraged It would also be a very salutary and equit able rule of practice if widowers were never to marry a maiden but always a widow It will perhaps be better to notice here that some of the opponents 5 11 7 of the widow marriage may object that widowers should not marry at all I must answer at once to this objection that in this world it is impossible for widowers generally not to re marry About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Marriage (Classic Reprint) Chas; W. Wood,2015-07-19 Excerpt from Marriage Dear Monsignor The present volume is a development of the Essay on the Sanctity of Christian Marriage which was read at the Monthly Conference of Clergy held at the Bishops Seminary in November last at which you presided The kind approval manifested by the members on that occasion which you were good enough to endorse as well as the general wish then expressed that the Essay should be printed for their use led to its revision and preparation for the press The time has come when the request of the Conference is about to be carried out There would seem therefore to be a fitness in associating its publication with those to whose kind encouragement it may be supposed to be due This Conference case was understood to be the outcome of the Bishops anxiety to check and remedy pressing evils in his Diocese arising from the prevalence of mixed and irreligious Marriages The present volume therefore aims at being practical and suggestive and necessarily omits much that a treatise upon Marriage might be expected to contain About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
