not need anyone judging me for what I went through To have someone know everything that Kieran did to me Just so they can say that it will get better in time and that I will find someone who will treat me right Kieran might have abused me but he might be the only one I will ever love When I met him I thought he would be the person I would spend the rest of my life with thinking I had the love that my parents have because that s all I ever wanted I got so mad at God when the abuse started that I stopped believing in everything It felt like my soul is shattered into a million pieces I don t understand why me being abused by someone I love is a part of his plan Sometimes I feel like it would have been easier if I knew what his plan was for me

Are you ready to get Wilde's Enemies to Lovers, second chance romance, and a hot opposites attract tale? You'll find everything you want in these three best-selling Wilde Ways romance novels. The set includes the three full-length stand-alone romances: *PROTECTING PIPER*, *GUARDING GWEN*, and *BEFORE BEN*.

PROTECTING PIPER (Wilde Ways Book 1) Eric Wilde has always known that Piper Lane isn't for him. She is his younger brother's best friend and probably more. But that hasn't stopped Eric from wanting her, from longing for the one woman that he can't have. Sure, he's rich, successful; he's built a security empire, and he's got the world at his feet. Only he doesn't have her. Free-spirited Piper Lane has always considered Eric to be the enemy. He's seemed to resent her, and the guy just flat out makes her nervous. Every time she's around him, she winds up doing something horribly embarrassing. But this time, everything has changed. This time, he's the one man she needs the most. A stranger has broken into Piper's home twice, and she feels like someone is following her, watching her every move. She needs a professional to help her, so she enters Eric Wilde. He promises her protection; he promises to put his best investigators on her case, and he even moves her into his house. Suddenly, the guy who has always been the villain in her life is now playing the role of hero.

GUARDING GWEN (Wilde Ways Book 2) Gwenevere Solomon is the current It girl in Hollywood. The star of a dozen films, she seemingly has the world at her feet. Gwen's problem? She also has one very dangerous stalker at her door. His attacks are getting bolder, and Gwen is becoming more and more afraid. Because this stalker knows secrets that she's fought hard to keep buried, Gwen needs protection, and she needs that protection now. So she enters her new leading man, Simon Forrest. Tall, dark, and ever so deadly, Simon is the lover she left behind. Or rather, the lover who left her behind. He went off and became a SEAL, saving the world and riding one adrenaline high after the other. But he's back now, and as part of Wilde's elite security team, he's supposed to offer the best, most discreet protection service in the business. He'll pretend to be her lover so the press won't realize her life is going to hell, and Simon will stop her stalker. But Simon never got over Gwen, and the fact that she's been filling the big screen with her gorgeous self? Yeah, it's just made her even more tempting and put her even further out of his reach. Simon was never good enough for Gwen, and he knew it. This time, he can help her. He can catch the stalker, unmask the jerk, and keep Gwen shining in her spotlight. Easy as pie. Or it should be.

BEFORE BEN (Wilde Ways Book 3) It was a one-night stand with her worst enemy. Ben Wilde was cocky, charming, and sexy as the best sin. He was also Courtney McKenna's weakness. Every single inch of his muscled perfection was trouble and temptation. They'd sparred in the courtroom more times than she could count, and the tension between them had always been red-hot. One night should have been all she needed to get the guy out of her head and her dreams. Only it wasn't. Ben Wilde has never believed that opposites attract, but there is something about button-downed, prim and proper Courtney that has always driven him wild. And when he gets her in his bed, the attraction he feels for her changes into a sensual obsession.
