IT-Driven Business Models Global Case Studies In Transformation:

IT-Driven Business Models Henning Kagermann, Hubert Osterle, John M. Jordan, 2010-10-26 A look at business model innovation's crucial role in today's global business environment. Showing organizations how business model innovation should be a key focus area in today's global economy, this book features cases from businesses around the globe that have developed customized business models and achieved spectacular levels of performance. Case examples from well-known innovation leaders: IKEA, Apple, Tata, SHARP, Saudi Aramco, De Beers, Telefonica, Valero, Energy, LEGO, and Procter & Gamble. Shows businesses how to get beyond traditional business models to take better advantage of emerging opportunities. Coauthored by former CEO of SAP AG, the world's largest provider of enterprise software. Filled with interviews with key executives, this book reveals the role of technology in driving and enabling changes to fundamental facets of a business. Companies around the world are innovating their business models with tremendous results. IT-Driven Business Models shows interested organizations how they can start the process.

Evolving Business Models Christoph Franz, Thomas Bieger, Andreas Herrmann, 2017-05-09 This book addresses the core challenges currently faced by traditional companies. In the age of digitization, many industries are now challenged by disruptions of the traditional value chain; new competitors are coming into play; traditional products don't sell any more, and profits are at risk. As such, CEOs need to adopt new business models for these established industries while many companies have to reinvent themselves by developing new products for new markets. In this book, leading CEOs share their experiences in transforming established companies. They provide insights on transforming industries and demonstrate what it takes to redefine companies from the ground up. Issues such as organizational transformation, new product development, implementing a new organizational spirit, and many more are discussed.
