

Founded in 1973, The Hansen Centre is a Canadian not-for-profit charitable organization with a global reach. Our mission is to provide parents, caregivers, early childhood educators and speech-language Pathologists/Therapists with the knowledge and training they need to help young children develop the best possible language, social and literacy skills. This includes children with or at risk of language delays and those with developmental challenges such as Autism Spectrum Disorder.

your child's life into an
opportunity to communicate*

Information for Parents

Abstract *Background:* The purpose of this study was to determine the prevalence of self-reported depression and anxiety among a sample of young adults in the United States. *Methods:* Data were obtained from the 2007 National Survey of Adolescent Health, a nationally representative survey of adolescents and young adults. *Results:* The prevalence of self-reported depression was 10.1% and self-reported anxiety was 12.5% among the sample. *Conclusions:* The prevalence of self-reported depression and anxiety among young adults in the United States is high. *Keywords:* Depression, Anxiety, Prevalence, Young Adults.

The Hansen Program® for Parents of Children with Language Delays

It Takes Two to Talk is a program for parents of children with autism to learn how language develops.

It Takes Time to Tell a Story

- the importance of involving parents in their child's early language intervention
- the need to help children and families as early as possible in a child's life

This evidence-based program, which was developed by The Hanen Centre, is well-known around the world. Studies on the *I Talk Too to Talk Program* have shown that it is effective and that, when parents learn to use the program's strategies, their children's communication skills improve.

It Takes Two to Talk is led by a **Hansen Certified Speech-Language Pathologist/Therapist** who has received specialized training from The Hansen Center.

Why Parents are Involved in the It Takes Two to Talk Program

Parents are the most important people in their child's life. One of the greatest gifts parents can give their child is the help he or she needs to communicate and connect with the world. In the *It Takes Two to Talk* Program, you learn practical and powerful strategies to help your child communicate and interact during everyday routines and activities. It is within these familiar, real-life interactions with you that your child's communication skills will grow.

What Parents Learn in the It Takes Two to Talk Program

- how your child communicates right now and the next steps to take
- what motivates your child to communicate
- how to engage your child in back and forth conversations, even before he can talk
- how to turn everyday activities into opportunities for your child to learn language
- how to fine-tune what you say so your child can understand you and learn new words and ideas
