50 Years as a U.S. Immigrant Svein Jenshus, 2008-04-25 My fore father Vikings arrived in North America in ships like this one over 300 years before Columbus and you'll find the historic facts in this book I arrived in a more modern vessel My son Earl S Jenshus designed both the cover showing a likeness of our Stavangerford and the back page He is an international known graphic artist Reading these pages you may learn a little Hawaiian learn how to shoot birds on the wing train dogs buy the pick of the litter shotgun safety How to make money investing in real estate and how to look at the similarities of languages instead of the differences You can learn how to hypnotize chicken More useful might be the secret of how to pronounce a

multi syllable word the first time you see it and how to have a long and happy marriage in the process It covers 80 plus years of living on two continents 50 of them in different states in the USA starting as a penniless immigrant in Brooklyn N Y working in different fields before I found my niche in sales Including as well are hundreds of years of history part of which I have actually lived and more still of what I have learned being an avid reader since early childhood **Fifty Years with Car and Driver** Marty Padgett, 2005-10 50 Years with Car and Driver commemorates the golden anniversary of the most popular car magazine on the planet But more than that 50 Years with Car and Driver tells the story of the American automobile and how the editors of the magazine witnessed that history and reported on it firsthand A look at how Car and Driver evolved from its beginnings as Sports Cars Illustrated in the able hands of great automotive journalists such as Ken Purdy and John Christy and then came into its own as the musclecar era of the Sixties dawned Writers such as David E Davis Jr Brock Yates and Patrick Bedard helped to craft a literary car magazine that drew as much inspiration from Tom Wolfe's writing as it did from the great cars of the day Through the Seventies the magazine's reputation solidified as the technical authority on new cars and the literary tradition continued with such writers as Don Sherman and author P J O'Rourke Throughout the Eighties the magazine prospered even when its writers went off the deep end literally getting stranded in Mexico during a Baja comparison test Car and Driver watched over the virtual rebirth of the American car during that decade with the renaissance at Ford through the Taurus and the revival of the Corvette while keeping its lock on the strongest feature writing in the auto magazines with stories like Brock Yates's thirty years past observance of the death of James Dean The Nineties saw Car and Driver continue its leadership as the world's largest selling automotive magazine From the introduction of the Acura NSX and the Mazda Miata to the brand new Mustangs and Corvettes that have come in just the past years Car and Driver has been the authority that readers trust when it comes to 0-60 times road tests and reviews Fifty Years with Car and Driver combines classic stories from the magazine commentary by former staffers including the author vintage and modern photos of the hottest and most important cars reviewed by the magazines as well as stories from behind the scenes with all the attitude expertise and visual excitement readers have come to expect from the magazine itself **BOOK JACKET** *Shelby Cobra Fifty Years* Colin Comer, *PAUL HALMOS Celebrating 50 Years of Mathematics* John Ewing, F.W.

Gehring, 2012-12-06 Paul Halmos will celebrate his 75th birthday on the 3rd of March 1991 This volume from colleagues is an expression of affection for the man and respect for his contributions as scholar writer and teacher It contains articles about Paul about the times in which he worked and the places he has been and about mathematics Paul has furthered his profession in many ways and this collection reflects that diversity Articles about Paul are not biographical but rather tell about his ideas his philosophy and his style Articles about the times and places in which Paul has worked describe people events and ways in which Paul has influenced students and colleagues over the past 50 years Articles about mathematics are about all kinds of mathematics including operator theory and Paul's research in the subject This volume represents a slice of

mathematical life and it shows how many parts of mathematics Paul has touched It is fitting that this volume has been produced with the support and cooperation of Springer Verlag For over 35 years Paul has contributed to mathematics publishing as founder and editor of many outstanding series *50 Years of Army Computing: From ENIAC to MSRC* ,

Playing It Forward Guylaine Demers,Lorraine Greaves,Sandra Kirby,Marion Lay,2014-09-01 Over the last 50 years the struggles to achieve equity in sport have become central to the feminist mission This book contains an inspiring collection of stories from the women on the front lines athletes coaches educators and activists for women s sport who have done so much to foster change Many of the women profiled here reflect on their tough beginnings in sport being isolated and unconnected competing in makeshift settings training alone and inadequate equipment But they also reflect on the joy of movement teamwork and competition These women grew to be remarkable role models and helped to dismantle sexism in sport To read these stories is to swell with pride over their victories to empathize with their battles with discrimination and to become re energized to confront collectively the many hurdles left to clear **Alec Issigonis** Jonathan Wood,2005 Alec Issigonis the brilliant British designer of the Morris Minor and the Mini is one of the commanding figures in the history of automobile design and engineering His ingenious and effective designs had a deep lasting influence on the evolution of the motor car and on the wider history of industrial design and he deserves to be ranked with the other giants of the field like Ferdinand Porsche in Germany and Dante Giacosa in Italy But until now Issigonis s career as an engineer and designer and his strong single minded character have never been the subject of a full length biography Jonathan Wood s meticulously researched penetrating study of this flawed genius of automobile design offers a rounded portrait of his life and work and places him squarely in the context of his times Vivid recollections of Issigonis s contemporaries combined with a critical reassessment of his output create a balanced view of a remarkable controversial man The author also offers a behind the scenes impression of the personal and corporate struggles within the declining British car industry a complex process in which Issigonis played a famous role *Higher Performance Sailing* Frank Bethwaite,2013-08-04 Monumental Bob Ross Australian Sailing High Performance Sailing is now regarded as the bible of racing sailors and carries a string of endorsements from high achievers Since its publication in 1984 racing yachts and dinghies have developed out of all recognition a new high tech breed of apparent wind fast racers has claimed the water and so far no one has applied themselves seriously to analysing what makes these boats sail fast and what will make them faster This is Frank Bethwaite s ground breaking achievement in Higher Performance Sailing By means of extensive research and working with sailors of different racing calibre Bethwaite analyses how to harness the apparent wind for increased speed and better position on your rivals Higher Performance Sailing will provide the key to racing sailors dreams Praise for Bethwaite s High Performance Sailing It represents a breakthrough It is a book that my Olympic squad will benefit from Rod Carr former British Olympic Sailing Team Manager Allowed only one if only in yacht racing it would have been to have read Higher Performance Sailing years ago Bob Fisher journalist broadcaster

and international championship winner *Between the Sheets* Cheryl L. Bernard,H. Scholz Guy,2011 Olympic silver medalist Bernard teams up with curler and bestseller author Scholz to uncover the keys to success both on and off the ice Drawing on strategies experiences and wisdom from legendary curlers and athletes *Between the Sheets* will help athletes live play and perform at their peak *American Motorcyclist* ,1993-07 American Motorcyclist magazine the official journal of the American Motorcyclist Associaton tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN Elusive Togetherness Paul Lichterman,2012-01-06 Many scholars and citizens alike have counted on civic groups to create broad ties that bind society Some hope that faith based civic groups will spread their reach as government retreats Yet few studies ask how if at all civic groups reach out to their wider community Can religious groups long central in civic America create broad empowering social ties in an unequal diverse society Over three years Paul Lichterman studied nine liberal and conservative Protestant based volunteering and advocacy projects in a mid sized American city He listened as these groups tried to create bridges with other community groups social service agencies and low income people just as the 1996 welfare reforms were taking effect Counter to long standing arguments Lichterman discovered that powerful customs of interaction inside the groups often stunted external ties and even shaped religion s impact on the groups Comparing groups he found that successful bridges outward depend on group customs which invite reflective critical discussion about a group s place amid surrounding groups and institutions Combining insights from Alexis de Tocqueville John Dewey and Jane Addams with contemporary sociology Elusive Togetherness addresses enduring questions about civic and religious life that elude the popular social capital concept To create broad civic relationships groups need more than the right religious values political beliefs or resources They must learn new ways of being groups
