D. Gupta,Sushil K. Sharma,2005-01-01 Annotation The purpose of Creating Knowledge Based Healthcare Organizations is to bring together some high quality concepts closely related to how knowledge management can be utilised in healthcare *The Works of Mr. William Shakespear; in Eight Volumes* William Shakespeare,1714 Spiritual Abuse Recovery Barbara M. Orlowski,2010-01-01 What factors contribute to active Christians in ministry leaving their church and becoming exiting statistics Every year dedicated Christian people leave churches because of spiritual abuse The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike Spiritual abuse the misuse of spiritual authority to maltreat followers in the Christian Church is a complex issue This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they

rediscovered spiritual harmony Their spiritual journey shows how one may grow through this devastating experience This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership

Supreme Court Appellate Term-First Department , A History of the School of Spiritual Science Johannes Kiersch,2006 The School of Spiritual Science and its individual sections was initiated by Rudolf Steiner at the Christmas Conference 1923 1924 His intention in his own words was to present the esoteric aspect It was to have three classes though only the First Class was instituted before Steiner s death in 1925 Recently the written records on which the teaching of the First Class is based have been published in both German and English which has given rise to a number of questions Consequently the council of the General Anthroposophical Society in Dornach Switzerland commissioned Johannes Kiersch to write a history of this unique organization The result is an overview of the First Class and its development from the early esotericism developed by Rudolf Steiner while still connected with the Theosophical Society to the period following World War II The author provides individual commentaries on the first mediators of the school including Lili Kolisko Harry Collison and Count Polzer Hoditz The book also presents some thirty seven original documents in an extensive appendix which features personal notes letters and speeches connected with the Esoteric School A History of the School of Spiritual Science presents a balanced history of the birth and development of the First Class and its struggles through the controversial splits and conflicts that followed Steiner s death As Kiersch states The aim has been above all to come as close as possible to the sources and offer historical material for individuals to form their own opinion

How Judges Judge Brian M. Barry,2020-11-26 A judge s role is to make decisions This book is about how judges undertake this task It is about forces on the judicial role and their consequences about empirical research from a variety of academic disciplines that observes and verifies how factors can affect how judges judge On the one hand judges decide by interpreting and applying the law but much more affects judicial decision making psychological effects group dynamics numerical reasoning biases court processes influences from political and other institutions and technological advancement All can have a bearing on judicial outcomes In How Judges Judge Empirical Insights into Judicial Decision Making Brian M Barry explores how these factors beyond the law affect judges in their role Case examples judicial rulings judges own self reflections on their role and accounts from legal history complement this analysis to contextualise the research make it more accessible and enrich the reader s understanding and appreciation of judicial decision making Offering research based insights into how judges make the decisions that can impact daily life and societies around the globe this book will be of interest to practising and training judges litigation lawyers and those studying law and related disciplines
