**Congressional Record** United States. Congress, 1984      See No Color Shannon Gibney, 2024-05-07 Transracial adoption is never oversimplified airbrushed or sentimentalized but instead it s portrayed with bracing honesty as the messy institution it is rearranging families blending cultural and biological DNA loss and joy An exceptionally accomplished debut Kirkus starred review For as long as she can remember sixteen year old Alex Kirtridge has known two things about herself

She's a stellar baseball player. She's adopted. Alex has had a comfortable childhood in Madison, Wisconsin. Despite some teasing, being a biracial girl in a wealthy white family hasn't been that big a deal. What mattered was that she was a star on the diamond where her father, a former Major Leaguer, coached her hard and counted on her to make him proud. But now things are changing. She meets Reggie, the first black guy who's wanted to get to know her. She discovers the letters from her biological father that her adoptive parents have kept from her, and her changing body starts to affect her game. Suddenly, Alex begins to question who she really is. She's always dreamed of playing pro baseball just like her father, but can she really do it? Does she truly fit in with her white family? Who were her biological parents? What does it mean to be black? If she's going to find answers, Alex has to come to terms with her adoption, her race, and the dreams she thought would always guide her.

Winner of the Minnesota Book Award, A Kirkus Reviews Best Teen book of the Year, A Bank Street College Best Children's Book of the Year. *Making an Exit* by Elinor Fuchs, 2019-08-17. Just before World War II, Lil escaped a miserable marriage in Cleveland, Ohio, took back her maiden name, left her young daughter Elinor behind, and launched what became an international business career. Rejoining Lil at the age of ten, Elinor watched as her mother gave fabulous parties, sold automotive parts in South America, Asia, and the Middle East, and in any given room took up all the air there was. With her stunning looks, high intelligence, and drive for adventure, Lil was more a figure to admire than a mother to love. *Making an Exit* is the account of what happened after Lil was diagnosed with Alzheimer's. As the disease progresses, Elinor becomes her mother's mother, caring for her with growing compassion. Lil changes too, filled with new warmth, the word love now regularly crosses her lips. And despite the disintegration of Lil's mind and language, mother and daughter make a surprising new start. In this moving memoir of mother-daughter love only strengthened by Alzheimer's, Elinor Fuchs brilliantly pulls off the nearly impossible feat of reproducing on the page the living voice of dementia, a masterly achievement. Alix Kates Shulman, author of *A Good Enough Daughter* and *To Love What Is*. How many dementia caregivers find themselves laughing and crying at the same time? This is the book for us. *Making an Exit* is Elinor Fuchs's sparkling gift basket to those who help or may someday help someone with severe cognitive impairment. A theater professor and drama critic, Fuchs describes the strange, heroic ten-year emergency of caring for her single mom, Lil, a glamorously eccentric businesswoman with irrepressible vitality, generosity, forthrightness, and love. Margaret Morgan Roth Gullette, author of *Aged by Culture* and *Agewise*. Unflinchingly honest, open-hearted, and funny, this is a work of passionate intelligence and deep humanity. Joyce Antler, author of *The Journey Home: How Jewish Women Shaped Modern America* and *You Never Call, You Never Write: A History of the Jewish Mother*. Fuchs celebrates the richness and folly of life and language in this loving and often funny tribute to her nonconformist mother. Never maudish, this is a tender tale of an idiosyncratic, independent woman and her daughter's reluctant love. Publishers Weekly. This book was a joy to read. It felt as if I were reading a well-written script, part drama and part comedy. Daniel Kohn, *American Journal of Alzheimer's Disease and Other Dementias*. *Making an Exit* makes you cry and

Kalba, 2017-04-21 This study analyzes the impact of color making technologies on the visual culture of nineteenth century France from the early commercialization of synthetic dyes to the Lumière brothers' perfection of the autochrome color photography process Focusing on Impressionist art Laura Anne Kalba examines the importance of dyes produced in the second half of the nineteenth century to the vision of artists such as Edgar Degas Pierre Auguste Renoir and Claude Monet The proliferation of vibrant new colors in France during this time challenged popular understandings of realism abstraction and fantasy in the realms of fine art and popular culture More than simply adding a touch of spectacle to everyday life Kalba shows these bright varied colors came to define the development of a consumer culture increasingly based on the sensual appeal of color Impressionism emerging at a time when inexpensively produced color functioned as one of the principal

means by and through which people understood modes of visual perception and signification mirrored and mediated this change shaping the ways in which people made sense of both modern life and modern art Demonstrating the central importance of color history and technologies to the study of visibility Color in the Age of Impressionism adds a dynamic new layer to our understanding of visual and material culture Color Me John Christopher Yount,2021-09-09 Color Me is the story of Johnathan Black a painter who suffers from schizophrenia Throughout the drama his psychoses are represented by percussion and dance The play follows Johnathan s growth over the course of eighteen years from the onset of his mental illness through his triumph over insanity as he accepts a position teaching art at a nearby community college The play begins when Johnathan is only twelve years of age and the Black family is just finishing their evening meal Johnathan s birthday is arriving and his parents have decided to give him weekly painting lessons to encourage his young talent Susan Black is pregnant and will soon give birth to Johnathan s only sibling Anne Marie Up in his room after dinner as Johnathan finishes his homework he interacts with the demons that will haunt him throughout his youth His subconscious mind is plagued by nine demons altogether one black one white and one for each color of the spectrum When Act Two begins Johnathan is a grown man hospitalized on an inpatient psychiatric ward The demons are with him in the hospital filling the roles of the hospital staff as well as other patients on the ward All the demons are progressively transformed from the colors of Johnathan s subconscious mind to realistic tangible characters with whom Johnathan interacts as he becomes grounded in reality At the conclusion of Act Three Johnathan having accepted a job offer to teach art at a local community college proposes to Claire
