Raising Resilient Children with a Borderline or Narcissistic Parent Margalis Fjelstad, Jean McBride, 2020-11-03 Being partnered with a narcissist or borderline personality can be hard enough but learning how to shield children from the fallout is paramount Here the authors show readers how to manage parenting when a narcissistic or borderline partner is part of the equation Life in a narcissistic family system is at best challenging and too often filled with chaos isolation emotional outbursts and rigid controlling behaviors It is too often devoid of peace and emotional safety In the worst outcomes children in these families grow up with low self worth issues with trust and belonging and a lack of self compassion They are at significant risk of carrying the cycle

forward and having poor adult relationships This book offers a way to intervene and disrupt the cycle of negative outcomes for children Written by two family therapists who bring a combined total of sixty years of clinical practice with individuals and families the book pulls no punches giving clear headed advice easy to follow actions to help children and an abundance of teaching examples Instead of the doom and gloom scenarios often presented about life with a narcissist or borderline this book provides a much more positive outlook and most importantly it offers hope and a path to an entirely different outcome for the family members Supported by current research in neuroscience mindfulness and parenting information the book focuses on teaching resilience and self compassion to raise emotionally healthy children even in a narcissistic family system It starts by helping parents get a clear understanding of what they face with a narcissistic or borderline partner There is no room here for denial but there are also many options to explore It explains how and why the narcissistic family system functions so poorly for raising healthy children and pinpoints the deficits while providing information on how to intervene more effectively for the benefit of the children Using their years of experience the authors present ideas for staying together as well as knowing when to leave the relationship and how best to do that Emphasis throughout the book is on supporting and strengthening the reader with encouragement concrete ideas skills and compassionate understanding Elle Campbell Wins Their Weekend Ben Kahn, 2023-10-17 Ferris Bueller's Day Off meets Gamer Girl for middle grade in this hilarious heartfelt story about a non binary kid trying to figure out who they are at home at school and in the fandom that changed their life All Elle Campbell wants to do is meet their hero non binary icon Nuri Grena Well okay they'd like a bit more than that they'd like to learn how to do cat eye makeup for queen bee Casey to stop critiquing their outfits and for the finale of Elle's favorite show to have been less terrible But meeting Nuri means the most of all So when Elle learns that Nuri is coming to town for book signing on Saturday Elle is thrilled It's the perfect chance to meet their hero Elle's never been happier since they came out as non binary but they have a lot of questions questions only Nuri can answer But Elle's dreams are dashed when an altercation with a surly substitute teacher lands Elle in Saturday detention Elle is ready to give up until their two best friends come up with a plan to bust them out of school A plan so outrageous it just might work Yet that's just step one The kids also have to make their way across town with no money no phones and no driver's licenses But they refuse to give up even if that means borrowing scooters from elementary school loan sharks or winning a laser tag tournament with a cash prize Comic author Ben Kahn makes their middle grade debut with this zany heartfelt love letter to friendship John Hughes movies and the power of accepting who you are even when there's no set map for where you're going Célébrons Nos Réussites Féministes Karen Blackford, Marie-Luce Garceau, Sandra Kirby, 1999 Abuses by international corporations withdrawal of social services and implementation of regressive legislation continue to impoverish women and reduce the quality of their everyday lives women have reason to be demoralized Recognizing this challenging and difficult situation this volume reviews women's successes at feminizing Canadian institutions It is intended to hearten the women's movement and
