J G Farrell In His Own Words Selected Letters And Diaries:

J.G. Farrell in His Own Words James Gordon Farrell, 2009 The novelist J G Farrell known to his friends as Jim was drowned on August 11 1979 when he was swept off rocks by a sudden storm while fishing in the West of Ireland He was in his early forties Had he not sadly died so young remarked Salman Rushdie in 2008 there is no question that he would today be one of the really major novelists of the English language The three novels that he did leave are all in their different way extraordinary Joycean Legacies Martha C. Carpentier, 2015-04-28 These twelve essays analyze the complex pleasures and problems of engaging with James Joyce for subsequent writers discussing Joyce s textual stylistic formal generic and biographical influence on an intriguing selection of Irish British American and postcolonial writers from the 1940s to the twenty first century *Journeys of the Mind* Peter Brown, 2025-10-28 A beautifully written personal account of the discovery of late antiquity by one of the world s most influential and distinguished historians The end of the ancient world was long regarded by historians as a time of decadence decline and fall In his career long engagement with this era the widely acclaimed and pathbreaking historian Peter Brown has shown however that the neglected half millennium now known as late antiquity was in fact crucial to the development of modern Europe and the Middle East In *Journeys of the Mind* Brown recounts his life and work describing his efforts to recapture the spirit of an age As he and other scholars opened up the history of the classical world in its last centuries to the wider world of Eurasia and northern Africa they discovered previously overlooked areas of religious and cultural creativity as well as foundational institution building A respect for diversity and outreach to the non European world relatively recent concerns in other fields have been a matter of course for decades among the leading scholars of late antiquity Documenting both his own intellectual development and the emergence of a new and influential field of study Brown describes his childhood and education in Ireland his university and academic training in England and his extensive travels particularly in the eastern Mediterranean and the Middle East He discusses fruitful interactions with the work of scholars and colleagues that include the British anthropologist Mary Douglas and the French theorist Michel Foucault and offers fascinating snapshots of such far flung places as colonial Sudan midcentury Oxford and prerevolutionary Iran With *Journeys of the Mind* Brown offers an essential account of the grand endeavor to reimagine a decisive historical moment *Handbook of the English Novel of the Twentieth and Twenty-First Centuries* Christoph Reinhardt, 2017-06-12 The Handbook systematically charts the trajectory of the English novel from its emergence as the foremost literary genre in the early twentieth century to its early twenty first century status of eccentric eminence in new media environments Systematic chapters address The English Novel as a Distinctly Modern Genre The Novel in the Economy Genres Gender performativity masculinities feminism queer and The Burden of Representation class and ethnicity Extended contextualized close readings of more than twenty key texts from Joseph Conrad s *Heart of Darkness* 1899 to Tom McCarthy s *Satin Island* 2015 supplement the systematic approach and encourage future research by providing overviews of reception

and theoretical perspectives The Siege of Krishnapur, Troubles J.G. Farrell,2012-03-06 Two stunning Booker Prize winning historical novels that vividly chronicle the crumbling edges of the British Empire in India and Ireland in one Contemporary Classics hardcover Inspired by historical events The Siege of Krishnapur is the mesmerizing tale of a British outpost under siege during the Indian Mutiny of 1857 whose residents find their smug assumptions of moral and military superiority and their rigid class barriers under fire literally and figuratively The hero of Troubles having survived the battles of World War I makes his way to Ireland in 1919 in search of his once wealthy fiancé What he finds is her family's enormous seaside hotel in a spectacular state of decline overgrown and overrun by herds of cats and pigs and the few remaining guests From this strange perch moving from room to room as the hotel falls down around him he witnesses the distant tottering of the Empire in the East and the rise of the violent Troubles in Ireland **Olivia Manning** Deirdre David,2013-01-10 Olivia Manning A Woman at War is the first literary biography of the twentieth century novelist Olivia Manning It tells the story of a writer whose life and work were shaped by her own fierce ambition and like many of her generation the events and aftermath of the Second World War From the time she left Portsmouth for London in the mid 1930s determined to become a famous writer through her wartime years in the Balkans and the Middle East and until her death in London in 1980 Olivia Manning was a dedicated and hard working author Married to a British Council lecturer stationed in Bucharest Olivia Manning arrived in Romania on the 3rd September 1939 the fateful day when Allied forces declared war on Germany For the duration of World War Two she kept one step ahead of invading German forces as she and her husband fled Romania for Greece and then Greece for the Middle East where they stayed until the end of the war These tumultuous wartime years are the subject of her best known and most transparently autobiographical novels The Balkan Trilogy and The Levant Trilogy Olivia Manning refused to be labelled a feminist but her novels depict with cutting insight and sardonic wit the marginal position of women striving for independent identity in arenas frequently controlled by men whether on the frontlines of war or in the publishing world of the 1950s However she did not just write about World War Two and women's lives Amongst other things Manning published fiction about making do in Britain's post war Age of Austerity about desecration of the environment through uncontrolled development and about the painful adjustment to post war British life for young men As the author of thirteen published novels two volumes of short stories several works of non fiction and a regular reviewer of contemporary fiction she was a visible presence on the British literary scene throughout her life and her work provides a detailed insight into the period Grounded in thorough research and enriched by discussion of previously unexamined manuscripts and letters Olivia Manning A Woman at War is a timely study of Olivia Manning's remarkable life Deirdre David integrates incisive critical analysis of Manning's writing with extensive discussion of the historical contexts of her fiction **Untied Kingdom** Stuart Ward,2023-02-16 A panoramic history uncovering the demise of Britishness as a global civic idea since the Second World War Compromise and Resistance in Postcolonial Writing Alberto Fernández Carbajal,2014-02-20 Compromise and
