Becoming an Engaged Educational Leader Ian Marshall, Grace-Anne Jackman, 2024-06-01 Explore the uncharted territory of mid career educational leadership with Becoming an Engaged Educational Leader Navigating Mid Career Growth and Development This book addresses the notable gap in educational leadership literature focusing on the pivotal but often overlooked mid career phase It does not aim to be the ultimate guide but serves as a catalyst to stimulate critical thinking dialogue and action among educational leaders Mid career leadership is a phase where experienced leaders grapple with unique challenges standing at the crossroads of their careers This book delves into the multifaceted aspects of mid career educational leadership offering readers a comparative lens by drawing upon experiences and practices from different

countries It recognizes that educational systems are influenced by cultural social and economic factors specific to each jurisdiction Intended for mid career educational leaders and administrators as well as educators shaping the next generation of leaders this resource provides valuable insights and practical guidance With vignettes and reflective questions at the end of each chapter it fosters critical thinking and meaningful discussions among students Join us on a journey to enhance mid career leadership in education and contribute to the overall improvement of our educational systems

ENDORSEMENTS This nine chapter volume is a captivating work highlighting the value of engagement the necessity joys and pain of growth during a challenging period and the complexities of the middle years and in some instances mid careers The publication represents a thoughtful exploration of a range of important issues that confront school leaders in their middle years the period during which the natural enthusiasm of engagement with the job begins to wane and the lure of cessation from the task beckons Given the attendant risks for school performance during this period of a leader s journey the contribution of this work to shaping the outlook of school leaders and strengthening their resolve cannot be overstated The book is a valuable resource for practitioners in the field as well as graduate and undergraduate students preparing to assume leadership roles in schools

Canute S Thompson The University of the West Indies Mona Campus Jamaica

Becoming an Engaged Educational Leader Navigating Mid Career Growth and Development is a much needed edited volume that addresses the often ignored mid career stage of the educational leader s development Through their collective work the editors and chapter authors emphasize the need for school leaders to sustain their professional growth and development through engagement with stakeholders amidst being pulled in multiple directions by educational reforms policies and work demands With its international scope the book offers valuable perspectives lessons and strategies that mid career school leaders can draw from to grow their leadership capacity and to engage in transformative practices in their organizations
