Jack Abramoff Family:

The K Street Gang Matthew Continetti, 2006-04-18 You've got to understand we are ideologues Tom DeLay once told a journalist We have an agenda We have a philosophy I want to repeal the Clean Air Act No one came to me and said Please repeal the Clean Air Act We say to the lobbyists Help us We know what we want to do and we find the people to help us do that We go to the lobbyists and say Help us get this in the appropriations bill It was a stunning admission Lawmakers DeLay was basically saying relied on paid lobbyists to get bills passed not the other way around The federal government was so complex the challenges of leadership so difficult that lobbyists were more likely to get things done than the people's representatives And DeLay because of his ideology was happy to play along The age of K Street had arrived The Republicans were just along for the ride from The K Street Gang What happens when ideologues obtain power The K Street Gang is the inside story of how a group of self-styled Republican reformers succumbed to the temptations of power becoming even worse than the Democrats they had been elected to replace Now some of those very reformers including Tom DeLay and Jack Abramoff are under investigation their careers and reputations tarnished by the very system they helped to create The story begins in 1994 when a landslide victory led to the first GOP controlled Congress in forty years The Republicans had it all a visionary leader in Speaker of the House Newt Gingrich a program for reform in the Contract With America and a bonafide electoral mandate They pledged to shrink government reform politics and drain the swamp of public malfeasance Ten years later the Republican party finds itself embroiled in crippling scandals that have already brought about the fall of House majority leader DeLay and may reach all the way into the White House In The K Street Gang you'll meet DeLay the brazen ideologue and prodigious fundraiser who invited lobbyists to run amok in exchange for campaign contributions Jack Abramoff the conservative activist who left a troubled career in Hollywood for a new beginning as a Washington lobbyist only to fleece his clients out of millions of dollars Ralph Reed the former executive director of the Christian Coalition whose principles took a backseat to his business interests Grover Norquist the fiery antitax activist who provided intellectual ammunition for the Republican takeover of the lobbying industry only to see the lobbyists take over his party and Adam Kidan a down on his luck Republican businessman who engineered the scam of a lifetime one that had deadly consequences You'll learn how mysterious Russian businessmen with ties to Soviet military intelligence paid for Tom DeLay's trip to Moscow then sold weapons to Jack Abramoff who resold them to militant Israeli settlers how Grover Norquist helped arranged meetings between George W Bush and men who are now alleged to be Islamic terrorists how a former lifeguard rose from beachbum to aide to one of Washington's most powerful congressmen to high powered and extremely wealthy lobbyist and how he lost it all and how a routine audit of an obscure Indian tribe's finances has led to a widespread public corruption investigation that threatens the political futures of half a dozen congressmen and the political future of the Republican Party In The K Street Gang Matthew Continetti takes us behind the headlines to meet a group of young idealists who came to Washington to

do good and ended up staying to do well It s about the perils of power and the high cost of greed Above all it s about how the American conservative movement began as a cause turned into a career and ended up as a racket Family of Secrets Russ Baker,2010-05-01 Shocking in its disclosures elegantly crafted and faultlessly measured in its judgments Roger Morris author of Richard Milhous Nixon and Partners in Power How did the deeply flawed George W Bush ascend to the highest office in the nation what forces abetted his rise and perhaps most important were those forces really vanquished by Obama s election Award winning investigative journalist Russ Baker gives us the answers in Family of Secrets a compelling and startling new take on the Bush dynasty and the shadowy elite that has quietly steered the American republic for the past half century and more Baker shows how this network of figures in intelligence the military oil and finance enabled and in turn benefited handsomely from the Bushes perch at the highest levels of government As Baker reveals this deeply entrenched elite remains in power regardless of who sits in the Oval Office Family of Secrets offers countless disclosures that challenge the conventional accounts of such central events as the JFK assassination and Watergate It includes an inside account of George W s cynical religious conversion and the untold real background to the disastrous response to Hurricane Katrina Baker s narrative is gripping sobering and deeply sourced It will change the way we understand not just the Bush years but a half century of postwar history and the present "Gimmie Five" ,2006 Minority staff report ,2006 Tribal Lobbying Matters United States.
