Lost And Found The Younger Unchurched And The Churches That Reach Them

Brian Simmons

Lost And Found The Younger Unchurched And The Churches That Reach Them:

Lost and Found Ed Stetzer, Richie Stanley, Jason Hayes, 2009 A leading national church research expert shares his surprising findings about the younger unchurched audience ages 25 to 34 and the churches that have found a way to reach them

Lost and Found Ed Stetzer, Richie Stanley, Jason Hayes, 2009-02-01 Who are the young unchurched and how can they be reached with the good news of Jesus Christ In a poll result highlighted by CNN Headline News and USA Today nearly half of nonchurchgoers between the ages of twenty and twenty nine agreed with the statement Christians get on my nerves Now researchers behind the larger study present *Lost and Found* a blend of dynamic hard data and modern day parable that tells the real story of an unchurched generation that is actually quite spiritual and yet circumspect open to Jesus but not the church As such *Lost and Found* is written to the church using often surprising results from the copious research here to strike another nerve and break some long established assumptions about how to effectively engage the lost Leading missiologist Ed Stetzer and his associates first offer a detailed investigation of the four younger unchurched types With a better understanding of their unique experiences they next clarify the importance each type places on community depth of content social responsibility and making cross generational connections in relation to spiritual matters Most valuably *Lost and Found* finds the churches that have learned to reach unchurched young adults by paying close attention to those key markers vetted by the research Their exciting stories will make it clear how your church can bring searching souls from this culture to authentic faith in Christ Those who are lost can indeed be found Come take a closer look

[The Shape of Faith to Come](#) Brad J. Waggoner, 2008-10-15 Various studies suggest Christians in North America are not qualitatively different in their character and practices than non believers While some churches are growing numerically many wonder to what impact Can we determine if our churches are producing Christians who look think and act like true followers of Jesus Christ In *The Shape of Faith to Come* research expert Brad J Waggoner and his team measure the beliefs and actions of 2 500 active Protestant churchgoers from across the country against seven key standards of Biblical spiritual formation Learning the truth Obeying God and denying self Sharing faith Serving God and others Exercising Biblical faith Building solid relationships Seeking God The findings reveal the current state and forecast of spiritual formation in the U S A Adding encouragement to his insights Waggoner calls all Christians to spiritual maturity and challenges church leaders to intentionally take up the mantle of making true disciples Endorsements Descriptive and prescriptive this work will be seen as one of the best books ever written on what is really taking place in the discipleship process of Christians Thom S Rainer coauthor of the 1 best seller *Simple Church* The elephant in the room of evangelicalism is the surprising lack of disciplined believers in all different kinds of churches We have produced a cafeteria Christianity rather than a robust orthodoxy and Jesus shaped spirituality In this challenging and disturbing book Brad Waggoner draws on twenty years of research in discipleship and spiritual formation to not just show us who we are but to point us to what we must do *The Shape of Faith to Come* will become a

milestone as evangelicals begin to take discipleship seriously once again Ed Stetzer coauthor of *Lost and Found The Younger Unchurched and Churches that Reach Them* This book comes closer than any study with which I m familiar to providing an insightful and objective evaluation of the spiritual condition of the church in America Where is the church weak and where is she strong Some of the answers indicated by *The Shape of Faith to Come* may surprise you Donald S Whitney author of *Spiritual Disciplines for the Christian Life*

The Theology of Dallas Willard Gary Black,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

A Culture of Faith Sam Reimer,Michael Wilkinson,2015-05-01 Many religious scholars have noted a decline in institutional forms of religion in Canada With fewer Canadians regularly attending church or following denominational proscriptions is institutionalized religion becoming a thing of the past In *A Culture of Faith* Sam Reimer and Michael Wilkinson argue that evangelical Protestants continue to show strong allegiance to their congregations Through a national study including interviews with over five hundred pastors and an analysis of financial resources the authors argue that evangelical Protestant congregations demonstrate greater resiliency within a broader context of declining religiosity According to their findings weekly church attendance among evangelicals is substantially higher than the national average church attendees say they get significant enjoyment from their religious groups youth participation is high and evangelicals are more likely to volunteer While there may be signs of decline on the horizon Canadian evangelical congregations seem to remain vital at a time when most other Christian traditions are waning A clearly presented study of evangelical beliefs organizations leaders and finances *A Culture of Faith* reveals the current strength of evangelical Protestantism and its implications for the future of religion in Canada

Think Christianly Jonathan Morrow,2011-11-01 *Think Christianly* is about seizing the opportunities we have every day to speak the life Jesus offers into our culture Tragically many such opportunities pass us by unclaimed either because we don t notice them or we have not prepared ourselves to enter into them And those around us seem to grow increasingly unwilling to hear anything the church has to say Jonathan Morrow helps church leaders envision and implement ways for their congregations to think Christianly about contemporary questions and to speak in informed engaging ways Morrow explores many of the important issues that Christians often hear raised with regard to faith questions about who Jesus was the good and bad of religion pain and evil in the world the reliability of the Bible sexuality and intimate relationships and hope for change among others The life and faith issues that *Think Christianly* addresses lead to cultural moments where Christianity

and contemporary culture intersect This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world *Remember the Future* Robert Schnase,2012 Explore together how congregations can change to become more fruitful for the purposes of Christ Remember the Future Praying for the Church and Change prepares leaders of congregations and conferences for courageous new conversations with readings that draw us toward renewed vision cultivate hope and keep us attentive to the mission of Christ Read together as leadership teams boards and covenant groups to understand more clearly the why of congregational ministry and the internal resistances and external challenges to the mission of the church **Mentor Like Jesus** Regi Campbell,Richard Chancy,2009-05-01 More time spent with fewer people equals greater kingdom impact Desiring to see God widely embraced as more than a remote concept entrepreneur Regi Campbell began a deeply successful mentoring program years ago that has become one of his greatest joys Though it seemed radical at first spending more time with less people to further an all important message he soon realized this is the discipleship model Jesus set out during his ministry today two billion people worldwide embrace the wisdom He entrusted to a small band of disciples two thousand years ago Mentor Like Jesus is Campbell s revelation of what he now calls next generation mentoring an exponentially rewarding process that is resulting in lives changed marriages saved children dealt with in a more loving way Readers of any age and in any situation will clearly understand how the return on a meaningful investment in another person is truly immeasurable Wandering in the Wilderness Brian Simmons,2011-06-14 One of today s hot topics is the faith of emerging adults the 18 30 age group This book surveys the current research on emerging adulthood describes the common changes emerging adults experience in their Christian faith as they move through their twenties and discusses how emerging adults and their parents can successfully navigate those changes In 2000 psychologist Jeffrey Arnett posited a new life stage emerging adulthood to describe the 18 30 age group This age group was marked by a growing chasm between adolescence and the completion of traditional adult milestones A number of scholarly studies of this age group have been done in the last decade This book surveys that research and offers an overview of how emerging adults view Christian faith It explains how emerging adults reject or modify several of the Christian faith s most common tenets and assumptions And it offers guidance to parents grandparents ministers and anyone who seeks to better understand the perplexing changes often seen in emerging adults religious faith and practice In addition to presenting in reader friendly form the conclusions of recent research on this age group Wandering in the Wilderness weaves in the reflections of real life emerging adults who responded to the author s request to share their own experiences of Christian faith These provide powerful poignant glimpses into the topic Spiritual Warfare and Missions Jerry Rankin,Ed Stetzer,2010 Two men widely known for their missional work warn Christians of Satan s attempts to thwart the scriptural mission of God inspiring a new fervor for global outreach
