*Lost Apostles* William Shepard, 2014      **Lost Apostles** H. Michael Marquardt, William Shepard, 2014 Before the LDS Church was organized Joseph Smith received a revelation telling him that twelve men would be called as latter day apostles Their assignment would be to warn men and women that the end was near Although the determination of who would fill these positions was delayed for five years when it finally happened God reiterated that these men were to prune the vineyard for the last time because the Second Coming was nigh In fact fifty six years would wind up the scene they were told Of the twelve men selected nine would eventually be pruned from the vineyard themselves to varying degrees Seven were excommunicated one of whom was reinstated to his position in the Twelve Of the other six the subjects of this book none returned to the apostleship and four never came back to the Church at all Those who left faded into obscurity except for when they are occasionally still mentioned in sermons as cautionary tales But two of them made their marks in other areas of society John Boynton becoming a successful dentist a popular lecturer geologist and inventor with dozens of important patents to his name while Lyman Johnson became a prominent attorney and business owner Even though Luke Johnson Thomas B Marsh William McLellin and William Smith became religious wanderers and tried unsuccessfully to adjust to life outside of the Church their experiences were interesting and comprise valuable case studies in belief and disaffection

**Method Infinite: Freemasonry and the Mormon Restoration** Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded      Mormon Hermeneutics Jeffrey S. Krohn, 2022-05-13 Bible readers are often preoccupied with themselves At times they neglect the original ancient context of the biblical writings The novelty of the modern is leveraged to trump the ancient Mormon hermeneutics seems to say more about the modern LDS church than any ancient biblical meaning Positively the LDS is to be applauded for their emphasis on the living out of their faith However through various approaches to the Bible the LDS Church seems to neglect the ancient

horizon of the biblical text Any interpretation of the Bible LDS or otherwise should be held accountable This book is an attempt to categorize Mormon hermeneutics and utilizes numerous hermeneutical voices from the field of philosophical hermeneutics

**Apostolic Succession in the Restoration** Kevin L. Tolley, Patrick A. Bishop, 2023-04-17 This unique chronology of the history of the Church of Jesus Christ of Latter day Saints follows the Lord s chosen representatives as they were called and released as members of the Quorum of the Twelve Apostles Beginning with Joseph Smith s ordination in 1829 to the present day the life of every man who has served in these presiding quorums is illustrated in the brief narratives of this informative and well written volume Now is the perfect time to learn the gospel with your family and discover the humble beginnings of the Lord s Church in these latter days This work honors the noble men who sacrificed their time and talents to unselfishly serve those around them It is an excellent reference for anyone looking to study Church history and the apostolic governing bodies of the Church Understand the order of succession to the presidency and see firsthand the challenges these quorums faced as they learned line upon line the Lord s will in fulfilling their sacred callings
