Love and Death Gershon Legman, 1963 Comparison of the publication of sex vs violence Jim Kepner      **Love & Death : a Study in Censorship** Gershon Legman, 2013      The Drama of Love and Death: A Study of Human Evolution and Transfiguration Edward Carpenter, Love and Death move through this world of ours like things apart underrunning it truly and everywhere present yet seeming to belong to some other mode of existence When Death comes breaking into the circle of our friends words fail us our mental machinery ceases to operate all our little stores of wit and wisdom our maxims our mottoes accumulated from daily experience evaporate and are of no avail These things do not seem to touch or illuminate in any effective way the strange vast Presence whose wings darken the world for us And with Love though in an opposite sense it is the same Words are of no use all our philosophy fails whether to account for the pain or to fortify against the glamour or to describe the glory of the experience These figures Love and Death move through the world like closest friends indeed never far separate and together dominating it in a kind of triumphant superiority and yet like bitterest enemies dogging each other s footsteps undoing each other s work fighting for the bodies and souls of mankind Is it possible that at length and after ages we may attain to liberate ourselves from their overlordship to dominate them and make them our ministers and attendants Can we wrest them from their seeming tyranny over the human race and from their hostility to each other Can we persuade them to lay aside their disguise and appear to us for what they no doubt are even the angels and messengers of a new order of existence It is a great and difficult enterprise Yet it is one I think which we of this generation cannot avoid We can no longer turn our faces away from Death and make as if we did not perceive his presence or hear his challenge This age which is learning to look the facts of Nature steadily in the face and see through them must also learn to face this ultimate fact and look through it And it will surely and perhaps only be by allying ourselves to Love that we shall be able to do so that we shall succeed in our endeavor For after all it is not in the main on account of ourselves that we cherish a grudge against the common enemy and dispute his authority but for the sake of those we love For ourselves we may be indifferent or acquiescent but somehow for those others for those divine ones who have taken our hearts into their keeping we resent the idea that they can perish We refuse to entertain the thought Love in some mysterious way forbids the fear of death Whether it be Siegfried who tramples the flaming circle underfoot or the Prince of Heaven who breaks his way through the enchanted thicket or Orpheus who reaches his Eurydice even in the jaws of hell or Hercules who wrestles with the lord of the underworld for Alcestis the ancient instinct of mankind has declared in no uncertain tone that in this last encounter Love must vanish      **Unclean Lips** Josh Lambert, 2014 Sexual anti Semitism and pornotopia Theodore Dreiser Ludwig Lewisohn and the Harrad experiment The prestige of dirty words and pictures Horace Liveright Henry Roth and the graphic novel Otherfuckers and motherfuckers reproduction and allegory in Philip Roth and Adele Wiseman Seductive modesty censorship vs Yiddish and Orthodox tsnies Conclusion Dirty Jews and the Christian right Larry David and FCC v Fox

*Bookleggers and Smuthounds* Jay A. Gertzman, 2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics *Bookleggers and Smuthounds* vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attached them and how the existence of both groups depended on the enduring appeal of prurience By keeping intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antivice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America

**Dirty Jokes and Bawdy Songs** Susan Davis, 2019-10-15 Collector of sexual folklore Cataloger of erotica Tireless social critic Gershon Legman s singular disreputable resume made him a counter cultural touchstone during his forty year exile in France Despite his obscurity today Legman s prescient work and passion for the prurient laid the groundwork for our contemporary study of the forbidden Susan G Davis follows the life and times of the figure driven to share what he found in civilization s secret libraries Self taught and fiercely unaffiliated Legman collected the risqu on street corners and in theaters and dug it out of little known archives If the sexual humor he uncovered often used laughter to disguise hostility and fear he still believed it indispensable to the human experience Davis reveals Legman in all his prickly provocative complexity as an outrageous nonconformist thundering at a wrong headed world while reveling in conflict violating laws and boundaries with equal abandon and pursuing love and improbable adventures Through it all he maintained a kaleidoscopic network of friends fellow intellectuals celebrity admirers and like minded obsessives

*Obsession and Culture* Andrew Brink,1996 Many twentieth century novelists speak for a male psycho class needing imaginative externalization of obsessive sexual fantasies of control of women Attraction avoidance and guilt are powerful motivators for writers and readers alike and the moral ambiguity of serial monogamy as well as other forms of exploitative sexuality prompt certain writers to construct symbolic expiation and repair in fiction *Brother-Souls* Ann Charters,Samuel Charters,2010-09-27 John Clellon Holmes met Jack Kerouac on a hot New York City weekend in 1948 and until the end of Kerouac s life they were in Holmes s words *Brother Souls* Both were neophyte novelists hungry for literary fame but just as hungry to find a new way of responding to their experiences in a postwar American society that for them had lost its direction Late one night as they sat talking Kerouac spontaneously created the term Beat Generation to describe this new attitude they felt stirring around them *Brother Souls* John Clellon Holmes Jack Kerouac and the Beat Generation is the remarkable chronicle of this cornerstone friendship and the life of John Clellon Holmes From 1948 to 1951 when Kerouac s wanderings took him back to New York he and Holmes met almost daily Struggling to find a form for the novel he intended to write Kerouac climbed the stairs to the apartment in midtown Manhattan where Holmes lived with his wife to read the pages of Holmes s manuscript for the novel *Go* as they left the typewriter With the pages of Holmes s final chapter still in his mind he was at last able to crack his own writing dilemma In a burst of creation in April 1951 he drew all the materials he had been gathering into the scroll manuscript of *On the Road* Biographer Ann Charters was close to John Clellon Holmes for more than a decade At his death in 1988 she was one of a handful of scholars allowed access to the voluminous archive of letters journals and manuscripts Holmes had been keeping for twenty five years In that mass of material waited an untold story These two ambitious writers Holmes and Kerouac shared days and nights arguing over what writing should be wandering from one explosive party to the next and hanging on the new sounds of bebop Through the pages of Holmes s journals often written the morning after the events they recount Charters discovered and mined an unparalleled trove describing the seminal figures of the Beat Generation Holmes Kerouac Neal Cassady Allen Ginsberg William Burroughs Gregory Corso and their friends and lovers *Comics and Graphic Novels* Julia Round,Rikke Platz Cortsen,Maaheen Ahmed,2022-09-22 Providing an overview of the dynamic field of comics and graphic novels for students and researchers this *Essential Guide* contextualises the major research trends debates and ideas that have emerged in Comics Studies over the past decades Interdisciplinary and international in its scope the critical approaches on offer spread across a wide range of strands from the formal and the ideological to the historical literary and cultural Its concise chapters provide accessible introductions to comics methodologies comics histories and cultures across the world high profile creators and titles insights from audience and fan studies and important themes and genres such as autobiography and superheroes It also surveys the alternative and small press alongside general reference works and textbooks on comics Each chapter is complemented by list of key reference works ***Claes Oldenburg's Theater of Vision*** Nadja Rottner,2023-11-10 In four chronologically organized

chapters this study traces the conceptual dependence and deep connectivity among Claes Oldenburg's poetry sculpture films and performance art between 1956 and 1965 This research intensive book argues that Oldenburg's art relies on machine vision and other metaphors to visualize the structure and image content of human thought as an artistic problem Anchored in new oral history interviews and extensive archival material it brings together understudied visual and concrete poetry experimental films fifteen group performances commonly referred to as happenings and a close analysis of his well known installations of *The Street* 1960 and *The Store* 1961-62 effectively setting in place a reexamination of Oldenburg's pop art from the street store home and cinema years The book will be of interest to scholars working in art history film studies performance studies literature intermedia studies and media theory      *Cultural Excursions* Neil Harris,1990-10-15 Selected essays written over a period of fifteen years      *Love and Death in Kubrick* Patrick Webster,2014-01-10 The films of Stanley Kubrick have left an indelible mark on the history of American cinema This text explores the auteur's legacy specifically positioning his body of work within the context of cultural theory A single chapter is devoted to each of Kubrick's seven films *Lolita* *Dr Strangelove* 2001 *A Space Odyssey* *A Clockwork Orange* *The Shining* *Full Metal Jacket* and *Eyes Wide Shut* Particular attention is paid to the role of love and death in Kubrick's films emphasizing his innovative exploration of love and sex and the portrayal of mortality via masculine violence      *University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles* University of California (System). Institute of Library Research,University of California, Berkeley,1972      *War Noir* Sarah Trott,2016-11-03 The conflation of the hard boiled style and war experience has influenced many contemporary crime writers particularly in the traumatic aftermath of the Vietnam War Yet earlier writers in the genre such as Raymond Chandler remain overlooked when it comes to examining how their war experience affected their writing Sarah Trott corrects this oversight by examining Chandler alongside the World War I writers of the Lost Generation as well as highlighting a melding of very different styles in Chandler's work Based on Chandler's experience in combat Trott explains that the writer created detective Philip Marlowe not as the idealization of heroic individualism as is commonly perceived but instead as an authentic individual subjected to very real psychological frailties from trauma during the First World War Inspecting Chandler's work and correspondence indicates that the characterization of the fictional Marlowe goes beyond the traditional chivalric readings and can instead be interpreted as a genuine representation of a traumatized veteran in American society Substituting the horror of the trenches for the corruption of the city Chandler formed a disillusioned protagonist in an uncaring America Chandler did so with the sophistication necessary to straddle genre fiction and canonical literature The sum of this work offers a new understanding of how Chandler uses his war trauma how that experience established the traditional archetype of detective fiction and how this reading of his fiction enables Chandler to transcend generic limitations and be recognized as a key twentieth century literary figure      **Catalog of Copyright Entries. Andrew J. Huebner, 2018-02-01 Americans today harbor no strong or consistent collective memory of the First World War Ask why the country fought or what they accomplished and democracy is the most likely if vague response The circulation of confusing or lofty rationales for intervention began as soon as President Woodrow Wilson secured a war declaration in April 1917 Yet amid those shifting justifications Love and Death in the Great War argues was a more durable and resonant one Americans would fight for home and family Officials in the military and government grasping this crucial reality invested the war with personal meaning as did popular culture Make your mother proud of you And the Old Red White and Blue went George Cohan s famous tune Over There Federal officials and their allies in public culture in short told the war story as a love story Intervention came at a moment when arbiters of traditional home and family were regarded as under pressure from all sides industrial work women s employment immigration urban vice woman suffrage and the imagined threat of black sexual aggression Alleged German crimes in France and Belgium seemed to further imperil women and children War promised to restore convention stabilize gender roles and sharpen male character Love and Death in the Great War tracks such ideas of redemptive war across public and private spaces policy and implementation home and front popular culture and personal correspondence In beautifully rendered prose Andrew J Huebner merges untold stories of ordinary men and women with a history of wartime culture Studying the radiating impact of war alongside the management of public opinion he recovers the conflict s emotional dimensions its everyday rhythms heartbreaking losses soaring possibilities and broken promises     **The New Republic** Herbert David Croly, 1949
