Love Doctor Love, Abel Sanchez, 2018-12-31 Do you want to learn how to seduce and make a woman fall in love Do you want
 to conquer any girl without being afraid of being rejected This book will help you start the conquest here you will find those
 phrases that will serve the cause and attract any woman **Making Love** Linda SONNTAG, 1992 *The Science of*
Attraction Patrick King, 2017-02-16 Subconscious and psychologically proven methods to attract the opposite sex spark
 chemistry and create feelings of affection and love There is a definitive science to attraction and it turns out we ve been
 doing it wrong or doing it right for all the wrong reasons This book is your textbook and field manual for 1 how to flirt better
 2 have better sex and 3 plant the seeds of romantic love in whomever you want Understand the instinctual triggers of
 attraction The Science of Attraction is an in depth look at human attraction and what draws people together It dives into peer
 reviewed research combined with the insightful and straightforward observations of a renowned dating coach Patrick King is
 an internationally bestselling author and acclaimed speaker and coach Together this book is the ultimate guide to inform
 diagnose and recommend highly actionable steps to take your dating life to the next level Be prepared to charm every type of
 personality Too often we rely on our own experiences with a sample size of one or advice from friends that are perpetually
 single There s a better way looking at the research and evidence about what we really want not what we think we want You ll
 learn why we like who we like and what to do about it How will you learn to scientifically attract the opposite sex The three
 types of touching you should strategically use How four evolutionary types of attraction are still highly relevant What the
 chase is and how to win at it What your flirting style is and how to take advantage of it Find the shortcut to powerful
 chemistry Whether you should date someone similar or complementary to yourself How a focus on chemistry and love might
 be hurting you How to know exactly what you want in a partner The origins of kinky sex and how to have better sex Become
 irresistible to the opposite sex without them understanding why they are so drawn to you That s the promise of The Science
 of Attraction because it s an inevitable side effect of a deeper understanding of human beings as animals It s an introduction
 to how people think and what drives them which makes this equally applicable to married and single people This is how you
