Guidelines For Library Services For People With Mental Retardation:

Guidelines for Library Services for People with Mental Retardation, 1999 This guide will assist all libraries including school public academic and specialized libraries such as prison and institutional libraries to better serve the needs of people of all ages who are mentally retarded These guidelines cover three important areas service needs of people with mental retardation the need for information about mental retardation and the service outcomes for those providing services to people with mental retardation BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Library and Information Services for Individuals with Disabilities : an NCLIS Hearing in Washington, DC, July 8, 1999 United States. National Commission on Libraries and Information Science, 2001 *Information Services for People with Developmental Disabilities* Marilyn M. Irwin, Linda L. Walling, 1995-04-30 Developmental disabilities are the most numerous of disabilities and they are exceptionally complex This professional reference overviews developmental disabilities discusses the information needs of people with developmental disabilities and provides practical guidance to librarians and information professionals who serve them Particular attention is given to the ramifications of the Americans with Disabilities Act for librarians The first part of the book defines and describes developmental disabilities from perspectives relevant to librarians and information professionals The second part examines key life issues that have a major impact on people with developmental disabilities This section emphasizes the current trend toward the inclusion of people with developmental disabilities in mainstream society References to related information sources are included throughout The third part looks at disabilities from the perspective of the library or other information agency An appendix lists organizations agencies businesses and libraries that provide additional materials **Crash Course in Library Services to People with Disabilities** Ann Roberts, Richard J. Smith, 2010-03-23 This book helps libraries identify and implement new ways to serve their physically or mentally disabled patrons Authors Ann Roberts and Dr Richard Smith work at the state level with persons with disabilities They find that very few librarians feel comfortable with providing services addressed to the needs of the disabled yet those who do offer services and programs other libraries can adopt and adapt Crash Course in Library Services to People with Disabilities will help librarians get up to speed in understanding disabled persons and what they can do to make library premises and holdings more accessible to them It provides basic information on the different types of mental and physical disabilities a librarian might encounter then offers a range of exemplary policies services and programs for people with disabilities efforts that are in place and working across the country Information Services to Diverse Populations Nicole A. Cooke, 2016-12-12 Filling a gap in the existing library and information science literature this book consolidates recent research and best practices to address the need for diversity and social justice in the training and education of LIS professionals The development of cultural competency skills and social awareness benefits LIS students their future employers and the library profession at large not to mention library customers and society as a whole This

textbook and comprehensive resource introduces students to the contexts and situations that promote the development of empathy and build cultural competence examines the research in the areas of diversity and social justice in librarianship explains how social responsibility is a foundational value of librarianship and identifies potential employment and networking opportunities related to diversity and social justice in librarianship A valuable book for students in graduate library and information science programs as well as LIS practitioners and researchers interested in knowing more about the topic of diversity in the profession Information Services to Diverse Populations Developing Culturally Competent Library Professionals addresses the political social economic and technological divides among library patrons covers transformative library services and discusses outreach and services to diverse populations as well as how to evaluate such services among many other topics Appendices containing suggestions for exercises and assignments as well as lists of related library organizations and readings in related literature provide readers with additional resources

Electronic Resources

Librarianship and Management of Digital Information Mark Jacobs, 2013-10-18 Understand better how the role of ER librarian has changed through the years The advent of online information has not only changed tremendously the way that resources are stored and accessed but has caused the evolution of the library and information science profession itself Electronic Resources Librarianship and Management of Digital Information Emerging Professional Roles takes a comprehensive look at the position of electronic resources ER librarians the other people who work with e content what training and skills are needed the managing of e resources and what the proliferation of online information means for the future of libraries Respected experts provide a timely broad based analysis of the impact of the digital age on the profession libraries and the people in libraries who manage the information Electronic Resources Librarianship and Management of Digital Information Emerging Professional Roles is a concise and informative signpost on the way the library profession has responded to the advent of the digital information age This revealing volume explores where these professionals have gained their knowledge and skills what initiatives they have undertaken and made manifest how do or don't e resources fit in the scope of the traditional work that is performed in an academic library and the latest issues encountered with the new format The text is extensively referenced includes figures to illustrate concepts and tables to clearly present data Topics discussed in Electronic Resources Librarianship and Management of Digital Information Emerging Professional Roles include essential and preferred characteristics of electronic resources librarian the evolution of ER librarians duties the role of ER librarian in hybrid collections research on how well schools train ER librarians providing access to users with disabilities ER librarian role in corporate libraries altering workflows to accommodate the new electronic information format in academic libraries a comparison of the natures of print based and online resources and the cataloging maintenance and access issues a review of the resources and tools that license practitioners use issues involving effective collaboration formal usability testing challenges in making the transition to digital factors affecting the handling of usage data the Government Printing Office's
