[Guiding Children's Social Development](#) Marjorie J. Kostelnik, 1993 Unmatched by other books on the market this edition of *Guiding Children's Social Development* provides a solid foundation of up to date theory and research that will strengthen the reader's understanding of how children birth to twelve years of age develop and learn within the social domain It describes successful ways to translate information in practical settings within learning environments and offers teaching techniques to increase practitioner effectiveness With sound principles of theory and practice the book creates a framework for interpreting children's behavior and for implementing appropriate strategies to enhance children's social competence This direction will assist professionals and

educators to work with children and families from all backgrounds and circumstances and help them support and accomplish goals together

Resilience and Wellbeing in Young Children, Their Families and Communities Zoi

Nikiforidou, Babs Anderson, Wilma Robles-Melendez, 2024-04-26 Resilience and Wellbeing in Young Children Their Families and Communities unpicks the theme of resilience and wellbeing through diverse contexts circumstances populations and life stories in order to explore its complexity globally Current societal events have brought forward a need for understanding how to best support and create environments with conditions that promote children s holistic wellbeing Violence in all its facets poverty political conflict and the recent pandemic are among the major realities threatening children and this demands attention to how resilience can be supported to effectively safeguard children s lived experiences This book explores resilience from a range of perspectives research projects and practical support mechanisms for young children families educators and communities It starts with theoretical conceptualizations and goes on to present specific research projects and applied initiatives and how these can be used in application to praxis for young children and their families Being of interest to educators and human services striving to advocate for and enhance young children s wellbeing this book will serve as both a useful overview of the many approaches to supporting resilience in young children while providing a sound theoretical perspective that is accessible for all

PHILOSOPHY AND SOCIAL WORK: Philosophical Bases, Models and Sources for a Humanistic Social Work 2023 HARDCOVER EDITION, 2023-05-23 This edition comprises brings together

incorporates synthesizes some of the author s works books articles chapters ideas fragments in print and electronic form with themes topics ideas that address the relation between philosophy and social work welfare policy with emphasis on the humanistic paradigm approach published in academic format between 2011 and 2023 No new sections were introduced but the bibliography was partially updated bringing to attention relevant titles that appeared after the previous edition In the book it is analyzed the complex and delicate relationship between philosophy and social work welfare between the philosophical system of concepts and ideas and the theory axiology of social work welfare especially from a humanistic perspective bringing face to face on the one hand the great branches or sub domains of philosophy respectively ontology ethics social philosophy personology and on the other hand the great sub domains or issues of social work welfare respectively the way of representation the client and the social problem difficult situation risk situation vulnerability resilience etc the system of constitutive values and principles the way of representation of the professional and the specific practice methodology etc The relation between philosophy and social work is no doubt biunivocal philosophy encompasses in its purpose and history the social issue dimension in its broader human sense especially with the preoccupations in the sphere of ethics and social philosophy but also of the existentialist humanistic and humanistic personalist philosophies as the social work as general theory and axiology cannot be conceived without a consistent philosophical representation Both the system of fundamental values and the mission or methodology of social work welfare are most often stated in the terms of an

explicit applied social ethical and humanistic philosophy even if not always this aspect it is highlighted in an assumed way An important observation that must to be done is that the author does not proposes in his book and nor does it accomplish an exhaustive profound and complete approach and exposure of the relation connection from a humanistic point of view between philosophy and social work welfare between their sub domains but only he brings into attention this subject this theme very little approached in the literature in relation to its indisputable importance Regarding the destination of this paper its design content and bibliography are made in such a way that to be useful both to the academic community to students and teachers in philosophy and social sciences and practices and also to the professional community to social workers psychotherapists educators social managers etc

Introduction to Early Childhood Education Eva L. Essa, Melissa M. Burnham, 2019-01-09 Introduction to Early Childhood Education provides current and future educators with a highly readable comprehensive overview of the field The underlying philosophy of the book is that early childhood educators most important task is to provide a program that is sensitive to and supports the development of young children Author Eva L Essa and new co author Melissa Burnham provide valuable insight by strategically dividing the book into six sections that answer the What Who Why Where and How of early childhood education Utilizing both NAEYC National Association for the Education of Young Children and DAP Developmentally Appropriate Practice standards this supportive text provides readers with the skills theories and best practices needed to succeed and thrive as early childhood educators

Humanistic Social Work - The THIRD WAY in Theory and Practice , This book represents a new stage in the author s project to contribute at the development of the humanistic social work theory and methodology with special attention paid to the professional practitioner social worker caregiver psychologist etc to his psychological spiritual and humane qualities and conducts in practice In the PART I is presented THE HUMANISTIC SOCIAL WORK PROJECT the author s initiative started in 2009 with the assumed aim to enhance the effective presence of the humanistic values theories and practices in contemporary social work a theoretical axiological and methodological framework a heuristic laboratory a philosophical scientific and professional forum wherein it can be set what could be called the theory axiology and methodology of the Humanistic Social Work PART II HUMANE AND SPIRITUAL QUALITIES OF THE PROFESSIONAL IN HUMANISTIC SOCIAL WORK is the basic body of the paper and is composed predominantly of three chapters The Chapter 1 Humanistic Social Work The Third Way in Social Work Theory and Practice is devoted to present theoretically the concept doctrine and specific of humanistic social work with emphasis on its main sources values theories practices and methods to circumscribe philosophically and doctrinally Humanistic Social Work as the third way alongside Traditional Conventional Social Work and Radical Critical Social Work in the contemporary social work practice and theory with the assumed claim to imposing even as dominant in the future The Chapter 2 Humane Personality and Soul Personal Psychological Sources of the Professional s Humane and Spiritual Qualities shows what might be called in the author s view the personal psychological sources of the

professional's humane and spiritual qualities in humanistic social work practice mainly the soul as the main component of the psychological ontological sphere of the humane personality with the sub-spheres affective social soul spiritual soul mystical playful aesthetic moral intellectual and humane soul. It is not negligible nor the role of the axiological moral prosocial sphere or of the motivational energetical sphere. In the Chapter 3 Humane and Spiritual Qualities of The Professional in Humanistic Social Work Practice effectively is reached the content of the topic proposed by the book's main title approaching so the theme regarding the humane and spiritual qualities of the professional starting from the category of humane personality of the professional and insisting on the necessity to define it in connection with the spiritual humanistic mode way of representation and approach of the customer. The PART III of the book IDEAS FRAGMENTS ELEMENTS OF SOME NEW TEXTS in working IN THE HUMANISTIC SOCIAL WORK PROJECT includes three works in preparation to whom is working to appear in the near future within the project respectively Humanistic Social Work The Third Way in Social Work Theory and Practice Humanistic Social Work Practice and Humanistic Social Work Humane Personality and Humane Relationships Basic Resources of Practice. The paper ends with some CONCLUSIVE CONSIDERATIONS where it is inferred the key conclusion that operating into the sphere of human relations the main purpose of the professional's activity with his humane and spiritual qualities is that to transform them in HUMANE relationships. To this end his qualities represents essential personal professional resources that can facilitate the change that can humanize the troubled social relationships the dehumanized dysfunctional microcommunity. This new environment will impose *GENETIC PERSONOLOGY: The Formation, Functioning, and Development of the Person & Personality. A Humanistic-Ontological Approach*, 2022-09-15. This new paper of the author focuses on the factors and the processes that determine conditionate and favour ontogenetically the formation and consolidation of what has been consecrated in the literature as personological concept and theory. Plenary and Accomplished Person. For this purpose he operates with a theoretical psychological and conceptual apparatus with important philosophical valences proposing an ontological humanistic model of interpretation and research of the factors processes stages and mechanisms that lead to the formation of the Personality and especially of the Person as a Whole. The work is carried out after a technical introduction referring to the situation and the presence of the subject in the context of the contemporary literature throughout 10 chapters passing gradually from an introductory theoretical exposition opener of operational analysis frameworks to applied and detailed approaches relating to the formation and development of the person personality the humanistic approach and the humanistic ontological approach basic sources factors and conditions basic characteristics laws and principles of the process of formation and development of the person personality the holistic process of personalization. A particular attention is paid in the book to the great subprocesses of the holistic processes of personalization of formation of mature fully functioning and humane person personality to the formation of the psychological social relational sphere of the person and finally of formation of the person as a whole. Other aspects approached by the

author are the beingness the functioning and the development fulfillment of the person personality the education and the therapy counseling in relation to the core theme of the paper Regarding the destination of this paper its design content and bibliography are made in such a way that to be useful both to the academic community to students and teachers and also to the professional community to psychotherapists educators managers social workers artists etc

HUMANISTIC SOCIAL WORK - The THIRD WAY / FORCE in Theory, Practice and Politics. Core Qualities, Skills and Conducts of the Practitioner, 2023-11-10 This book is a new appearance of the author Petru Stefaroi within The HUMANISTIC SOCIAL WORK Project In particular in this work the author affirms and supports the thesis according to which as in psychology and psychotherapy the idea thesis and formula Humanistic Psychology Psychotherapy as the Third Way or Force is regularly promoted and used it is the case and the time as in the field of social work to operate with the formula Humanistic Social Work The Third Way or Force in Social Work The third way in practice as a method and the third force in theory as a doctrine If in psychology and psychotherapy the third way force was established by reference to psychoanalysis and behaviorism in social work the third way is established by reference to Traditional social work and Critical social work This third way in social work is imposed in the author s opinion by prioritizing the concept of personality bringing this doctrine method and practice of social work closer to psychology and psychotherapy to humanistic psychology and psychotherapy But the author specifies in the paper that humanistic psychology and humanistic psychotherapy on the one hand and humanistic social work as theory and practice on the other hand are distinct scientific and practical fields not only by the object of intervention but also by methodology and specifics of practice The aspect is well highlighted in the way it is structured and formulated his The HUMANISTIC SOCIAL WORK Project established as an initiative with the assumed aim to enhance the effective presence of the humanistic and personalistic values theories and practices in social work which usually are stated as fundamental and essential in different programs strategies and policies but less present in fact in the specialized literature in the faculties curricula or in the practice of the professionals and services To this end the project is designed as a philosophical theoretical axiological and methodological framework a heuristic laboratory a philosophical scientific and professional forum where it can be set what might be called the theory axiology and methodology of humanistic social work The project s concept starts from the idea that humanistic social work is not however a distinctive form of social work welfare but rather an ontology epistemology that generates a reaffirmation restatement of the fundamental constitutional humanistic

values of social work incorporating in the same time in a relative new coherent and unitary theory all what penetrated in social work in the last decades from humanistic psychology and psychotherapy microsociology and humanistic sociology human rights philosophy movement and especially what was established as humanistic method in the contemporary social work practice and literature The core aspect of the humanistic social work paradigm theory and practice is determined by the way mode humanistic are represented the client and professional considering the humanequalities resources of the client and professional the critical epistemological and methodological value of the this type of social work One can say that the specific theory of humanistic social work is a conglomerate of theories paradigms orientations but which have some crucial ideas as vectors the person client as personality as human being with sentiments soul desires sufferings needs of love needs of happiness and accomplishments emphasis on personality and compathetical micro community as basic resources of practice positive optimistic and appreciative expectation in practice person centered and microcommunity centered approach in evaluation and intervention concentration on the future and not on the past the human rights social justice a humanistic perspective on the practitioner and his conducts in practice Play from Birth to Twelve Doris Pronin Fromberg,Doris Bergen,2021-12-12 First published in 1998 Play is pervasive infusing human activity throughout the life span In particular it serves to characterize childhood the period from birth to age twelve Within the past twenty years many additions to the knowledge base on childhood play have been published in popular and scholarly literature This book assembles and integrates this information discusses disparate and diverse components highlights the underlying dynamic processes of play and provides a forum from which new questions may emerge and new methods of inquiry may develop The place of new technologies and the future of play in the context of contemporary society also are discussed Play from Birth to Twelve and Beyond Doris Pronin Fromberg,Doris Bergen,1998 This Encyclopedia presents 62 essays by 78 distinguished experts who draw on their expertise in pedagogy anthropology ethology history philosophy and psychology to examine play and its variety complexity and usefulness Here you ll find out why play is vital in developing mathematical thinking and promoting social skills how properly constructed play enhances classroom instruction which games foster which skills how playing stimulates creativity and much more *The Foundations of Success* ,
