Below the title, the subtitle "THE AFTERMATH" is written in a simple, white, sans-serif font. The background features a close-up of a woman's face with long, dark hair, looking down with a somber expression. Forgers Roger Moorhouse, 2023-10-17 The secret history of one of the largest and least known rescue operations of World War II Between 1940 and 1943 a group of Polish diplomats in Switzerland engaged in a wholly remarkable and until now completely unknown humanitarian operation In concert with Jewish activists they masterminded a systematic program of forging passports and identity documents for Latin American countries which were then smuggled into German occupied Europe to save the lives of thousands of Jews facing extermination in the Holocaust With the international community failing to act the operation was one of the largest actions to aid Jews of the entire war The Forgers tells this extraordinary story for the first time We follow the desperate bids of Jews to obtain these lifesaving documents as the Nazi death machine draws ever closer And we witness the quiet heroism of a group of ordinary men who decided to do something rather than nothing and saved thousands of lives
