Haiku Everymans Library Pocket Poets:

Japanese Haiku Poems Peter Washington, 2003 *Haiku* Peter Washington, 2003-11-11 Simple yet capable of great complexity the haiku is a tightly structured verse form that has a remarkable power to distill the essence of a moment keenly perceived For centuries confined to a small literary elite in Japan the writing of haiku is now practiced all over the world by those who are fascinated by its combination of technical challenge expressive means and extreme concentration This anthology brings together hundreds of haiku by the Japanese masters Basho Issa Buson Shiki with superb examples from nineteenth and twentieth century writers The pioneering translator R H Blyth believed that the spirit of haiku is present in all great poetry inspired by him the editor of this volume has included lines from such poets as Wordsworth Keats Tennyson Thoreau and Hopkins presented here in haiku form Following them are haiku and haiku influenced poems of the twentieth century from Ezra Pound s In a Station of the Metro to William Carlos Williams s Prelude to Winter and from the irreverence of Jack Kerouac to the lyricism of Langston Hughes The result is a collection as compact dynamic and scintillating as the form itself *Walden by Haiku* Ian Marshall, 2012-01-01 In this intriguing literary experiment Ian Marshall presents a collection of nearly three hundred haiku that he extracted from Henry David Thoreau s *Walden* and documents the underlying similarities between Thoreau s prose and the art of haiku Although Thoreau would never have encountered the Japanese haiku tradition the way in which the most important ideas in *Walden* find expression in the most haikulike language suggests that Thoreau at Walden Pond and the haiku master Basho at his old pond might have drunk at the same well *Walden* and the tradition of haiku share an aesthetic that embodies ideas in natural images dissolves boundaries between self and world emphasizes simplicity and honors both solitude and humble familiar objects Marshall examines each of these aesthetic principles and offers a relevant collection of found haiku In the second part of the book he explains his process of finding the haiku in the text breaking down each chapter of *Walden* to highlight the imagery and poetic language embedded in the most powerful passages Marshall s exploration not only provides a fresh perspective on haiku but also sheds new light on Thoreau s much studied text and lays the foundation for a clearer understanding of the aesthetics of American nature writing

Education about Asia , 2008 **Common Core Curriculum: English, Grades K-5** Great Minds, 2014-05-06 Common Core s English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K 5 Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills Suggested texts and activities to incorporate science art and history into English instruction This revised second edition includes a sample text study that guides students through a close read of an exemplary text updated
