Blown for Good Marc Headley, 2010-03-31 Marc Headley started working for the Scientology organization in 1989 After leaving in 2005 Marc posted bits and pieces of what went on at the Scientology headquarters known from inside as the International Base Marc posted anonymously under the screen name of Blownforgood aka BFG In September 2008 Marc was invited to speak to an international conference of European government representatives regarding the Scientology organization and their abuses It was at this time that Marc revealed his identity as Blownforgood By 2009 the internet posts Marc had written over the years had been viewed hundreds of thousands of times but still there were people who questioned their validity Stories of grown men being thrown into dirty lakes and pools as punishment Physical abuse never reported to authorities How could this happen in modern day America Two years after Marc wrote about these things and posted them on the internet a Pulitzer Prize winning U S newspaper printed accounts from former staff member who worked at the Int Base that matched and confirmed what Marc had written about Not only that Scientology officials admitted that these things had taken place Find out what they did not talk about in *Blown for Good*
