Hidden Women Of The Gospels:

Hidden Women of the Gospels Kathy Coffey, 1996 Examines the role of women in the Gospels **More Hidden Women of the Gospels** Coffey, Kathy, 2020-10-21 A companion to her previous Hidden Women of the Gospels this new volume tells stories or midrash based on named or unnamed women who appear in the Gospels and Acts of the Apostles

The Hidden Heroes of the Gospels Joseph A. Grassi, 1989 **Hidden Faces** Golden Keyes Parsons, 2014-04 This collection of four novellas takes the reader back to the days of Jesus and into the lives of four unnamed women whose stories are some of the most compelling in the Gospels Included in this compilation are TRAPPED THE ADULTEROUS WOMAN When Anna follows the pull of her foolish heart toward a man not her betrothed husband she finds herself to be trapped in a web of betrayal from which only one Man can save her ALONE THE WOMAN AT THE WELL All Marah ever thirsted for was a husband to love her a home of her own But when life leaves her alone and forsaken a stranger at the well offers her the acceptance she thought she would never find again BROKEN THE WOMAN WHO ANOINTED JESUS S FEET Tirzah never wanted to follow her mother into the life of a harlot but the cruel world gives her no other choice When she hears of Jesus she knows he can heal her crippled friend but can he heal Tirzah s broken spirit HOPELESS THE WOMAN WITH THE ISSUE OF BLOOD Zahava has a husband who loves her but after twelve years of bleeding that has left her unclean and cut off from him can a forbidden touch give her the hope so long denied her *Hidden Gospels* Philip Jenkins, 2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity **Gospel Women** Richard Buckham, 2002-05-15 This unique approach reveals that there is much more to be known about biblical women than previous studies have assumed Employing historical and literary readings of the biblical texts Bauckham successfully captures the particularity of each woman he studies *Reading Between the Lines* Martha Driscoll, 2006 Sister Martha Driscoll has wonderfully composed a narrative retelling of selected gospel stories that invite the reader to listen intuitively to the words of Scripture Each chapter focuses on a single character present in the story usually a minor one and always a woman relating the familiar story from her perspective A written

reflection and prayer are provided after each story Women who direct retreats will find this beautifully pastoral book especially useful as will individuals making private retreats Paperback **The Theology of the Gospel of Mark** William Telford,1999-06-17 This 1999 book presents the reader with a comprehensive view of the theology underlying the first narrative account of the life of Jesus In Chapter 1 Dr Telford introduces the background of the text and its general message attempting briefly to place the Gospel and therefore its theology in its historical setting In the second chapter he describes and analyses the Gospel s theology again from an historical perspective and with particular regard to its original context In the third chapter Telford goes on to examine the Gospel in relation to other relevant writings of the New Testament Briefly reviewing this larger corpus and highlighting parallels and contrasts where appropriate he seeks to locate the Gospel s theology in its wider canonical context The fourth and final chapter ranges even further afield commenting on the Gospel s history of interpretation and on its significance in the contemporary context *Secret Gospels* Marvin Meyer,2003-02-01

Marvin Meyer is one of the leading experts on the secret gospels Gospel of Thomas Secret Gospel of Mark and others who has changed forever how we read the canonical gospels and understand early Christianity In this new collection of his work Meyer looks at these revolutionary texts in original and illuminating ways He writes for example about the naked youths in the villa of the Mysteries On the walls of a villa in Pompeii a famous mural depicts a naked male reading from a scroll a look of wonder on his face A naked youth again appears in the Gospel of Mark abandoning his garment and fleeing naked when apprehended during Jesus arrest A similar youth appears in the Secret Gospel of Mark These youths Meyer proposes serve as an image of religious initiation candidates for the mysteries of Dionysus or of Christ This is one of the many aspects of the secret gospels that Meyer examines with expert insight and creativity Topics range from gender and infancy stories to discipleship and the relationship of the Gospel of Thomas to Islamic literature Meyer s spellbinding readings of these materials offer fresh understandings of the canonical gospels Marvin Meyer is Grisct Professor of Bible and Christian Studies and Director of the Albert Schweitzer Institute at Chapman University Orange California He is author of *The Secret Teachings of Jesus* *Four Gnostic Gospels* and *The Gospel of Thomas* *The Hidden Sayings of Jesus* and co editor of *Jesus Then and Now* Trinity Press International *The New Perspective on Mary and Martha* Mary Stomer Hanson,2013-07-24 The *New Perspective on Mary and Martha* gives Mary and Martha a total makeover No longer is this familiar passage about prioritizing spiritual pursuits over the tyranny of the practical The results of a close reading of the text and careful exegesis of the Greek has Martha escaping the kitchen and Mary is not even in the house Martha is still overly worried not about housework but over the much more understandable concern about her younger sister Mary who is out of the village follows her call ministering on the road with Jesus Luke 10 38 42 is about discipleship ministry trust and the new family of Jesus

The Living Church ,1996 **Women in John's Gospel** Susan Miller,2023-01-26 Closely examines John s portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his

apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith Beginning with the Virgin Mary's portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John's frequent use of woman links these female followers particular Jesus' venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation

Women's Bible Commentary Carol Ann Newsom, Sharon H. Ringe, 1998-01-01 In the critically acclaimed best seller Women's Bible Commentary an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women focusing on female characters symbols life situations such as marriage and family the legal status of women and religious principles that affect relationships of women and men Now this expanded edition provides similar insights on the Apocrypha presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period This expanded edition sets a new standard for women's and biblical studies

Gospel Wilton Barnhardt, 2025-08-22 Author of Emma Who Saved My Life and Lookaway Lookaway Gospel concerns the search for a lost first century gospel of the Bible a document that could shake the foundations of Christianity Wilton Barnhardt's narrative races through three continents nine countries and dozens of colorful locales as two characters shy theological student Lucy Dantan and hard drinking disillusioned ex Jesuit Patrick O Hanrahan pursue rumors and clues about the gospel's whereabouts and contents In the end what they discover will challenge and forever change the nature of faith An intellectual detective story with the erudition of Umberto Eco and the grand swirling entertainment of a nineteenth century novel Gospel is exciting profound relevant and terrifically funny

The Words of Jesus in the Gospel of Thomas David W. Kim, 2021-07-01 This book offers a detailed analysis of the Gospel of Thomas in its historic and literary context providing a new understanding of the genesis of the Jesus tradition Discovered in the twentieth century the non canonical Gospel of Thomas is an important early text whose origins and place in the history of Christianity continue to be subjects of debate Aiming to relocate the Thomasine community in the wider context of early Christianity this study considers the Gospel of Thomas as a bridge between the oral and literary phases of the Christian movement It will therefore be useful for Religion scholars working on Biblical studies Coptic codices gnosticism and early Christianity

Unveiling The Gospel of Thomas Adam Lloyd Davis, 2025-01-19 The Gospel of Thomas is a collection of 114 sayings attributed to Jesus discovered in 1945 among the Nag Hammadi library in Egypt This text is often classified as a Gnostic gospel due to its distinctive theological perspectives which diverge from the narratives found in the canonical

gospels of the New Testament Unlike the synoptic gospels which present a biographical account of Jesus life death and resurrection the Gospel of Thomas focuses primarily on Jesus teachings emphasizing inner knowledge and personal revelation This focus invites readers to explore the deeper meanings behind the sayings and encourages a more mystical approach to faith which has profound implications for both Christians and theologians studying the essence of Jesus message

Hidden Women Of The Gospels Introduction

In today's digital age, the availability of Hidden Women Of The Gospels books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hidden Women Of The Gospels books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hidden Women Of The Gospels books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hidden Women Of The Gospels versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hidden Women Of The Gospels books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hidden Women Of The Gospels books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hidden Women Of The Gospels books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hidden Women Of The Gospels books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
