Dr Laurie Jo Moore

Hidden Fire The Five Kingdoms Book 3:

Prayer: The Hidden Fire Tom Harpur, 1998 For over 25 years journalist author and commentator Tom Harpur has been thinking speaking and writing about religion and spirituality for the mass media and a popular audience In the process he has travelled the globe written 14 books and thousands of articles on everything from life after death and the place of healing in religion to the controversy over who Jesus is and the rational basis for a firm belief in God In all of this experience Tom Harpur discovered that one of the central issues for every faith is prayer Yet over his time as a parish priest seminary professor and commentator Harpur found a distinct gap in the books available on prayer Simple practical and focused on real life *Prayer The Hidden Fire* is the kind of book on prayer Tom Harpur wanted and badly needed many years ago when he first consciously took over his own spiritual journey This book examines our deep inner need to pray Harpur encourages readers to go beyond childhood notions of prayer and to develop a personal style of praying and repertoire of prayers that work for them today Along the way Tom Harpur shares experiences from his own spiritual journey and gives readers his most personal work to date

The Secret Fire Dr Laurie Jo Moore, 2015-03-31 This book tells the gripping stories of twelve men who were imprisoned in the death camps in Laos It tells the truth about the hidden war in Laos Together the stories of these men show how communism destroyed liberty terrorised an entire nation and tried to kill the essence of freedom itself The author contends that the war in Vietnam was a just war and that the soldiers who risked and gave their lives in that prolonged conflict deserve our ultimate respect

Redrawing the Middle East Michael D. Berdine, 2018-03-30 The Sykes Picot Agreement was one of the defining moments in the history of the modern Middle East Yet its co creator Sir Mark Sykes had far more involvement in British Middle East strategy during World War I than the Agreement for which he is now

most remembered Between 1915 and 1916 Sykes was Lord Kitchener's agent at home and abroad operating out of the War Office until the war secretary's death at sea in 1916 Following that from 1916 to 1919 he worked at the Imperial War Cabinet the War Cabinet Secretariat and finally as an advisor to the Foreign Office The full extent of Sykes's work and influence has previously not been told Moreover the general impression given of him is at variance with the facts Sykes led the negotiations with the Zionist leadership in the formulation of the Balfour Declaration which he helped to write and promoted their cause to achieve what he sought for a pro British post war Middle East peace settlement although he was not himself a Zionist Likewise despite claims he championed the Arab cause there is little proof of this other than general rhetoric mainly for public consumption On the contrary there is much evidence he routinely exhibited a complete lack of empathy with the Arabs In this book Michael Berdine examines the life of this impulsive and headstrong young British aristocrat who helped formulate many of Britain's policies in the Middle East that are responsible for much of the instability that has affected the region ever since *Fiction, 1876-1983: Titles* R.R. Royalty in Twenty-First Century Children's and Young Adult Literature

Amie A. Doughty, 2023-11-15 Doughty examines contemporary children's and young adult YA literature featuring royal characters through a folkloric lens and shows different ways authors transform the traditional royal characters from folktales and Disney films She shows how princes and princesses are more progressive than their predecessors through expanding gender roles She also demonstrates how different types of abdication work to transform readers' expectations of royals and how they reach a happy ending different from traditional folktales and Disney Finally employing Rudine Sims Bishop's ideas about mirrors windows and sliding glass doors she explores how queer royals and royals of color offer new mirrors for children and young adults Each chapter presents a typology of royal books related to the topic and explains how they work to transform the folktale tradition Doughty concludes with a discussion of the transformational gaps remaining in royal children's and YA literature **The Examiner**, 1867 *The Secret Code of the King James Bible* Abdullahi Mubarak, 2012-12-07

This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me *The Spectator*, 1867 *The Christian's Complete Family Bible ...
