The Pauline Letters David Oliver Smith, 2022-06-17 In The Pauline Letters A Rhetorical Analysis David Oliver Smith unveils his revolutionary discovery that the apostle Paul divided his letters into structured literary units as he wrote them These literary units are based upon repeated words phrases and abstract concepts and are invariably patterned into chiasmic parallel or hybrid structures Using his technique of rhetorical analysis Smith sets out each

literary unit in the seven undisputed letters of Paul After the structures of the literary units have been exposed the units reveal interpolations that disrupt Paul s original structure When the interpolations revealed by this technique are compared with interpolations heretofore proposed by Pauline scholars there are some surprising results Smith also uses his technique to analyze the Deutero Pauline letters to determine whether any of those letters exhibit the same literary attributes as the undisputed letters

Reinventing Richard Nixon Daniel Frick,2023-04-21 Nixon s the One proclaimed his campaign paraphernalia Tricky Dick retorted his detractors From presidential savior for conservative America to bte noire for the political Left the Richard Nixon persona has worn many masks and labels In fiction and poetry and pop songs in television and film no other national political figure has so thoroughly saturated our public consciousness with so many contrasting images Focusing on the process of Nixon s continuous reinvention Daniel Frick reveals a figure who continues to expose key fault lines in the nation s self definition Drawing on references ranging from All in the Family to Zappa and the Mothers of Invention he shows how Nixon has become one of America s most durable and multifaceted icons in the ongoing and fierce debates over the import and meaning of the last sixty years of national life Examining Nixon s autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon s version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon s state funeral at which Bob Dole s eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick s probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements Whether your image of Nixon is shaped by his autobiography Six Crises Oliver Stone s surprisingly sympathetic film Nixon John Adams s landmark opera Nixon in China or by the saga of Watergate Reinventing Richard Nixon expands on all perspectives It shows how through these contradictory mythic stories we continue to reinvent much like Nixon himself our own sense of national identity

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 7: Khayyami Art Mohammad H. Tamdgidi,2024-03-01 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a twelve book series of

which this book is the seventh volume subtitled Khayyami Art The Art of Poetic Secrecy for a Lasting Existence Tracing the Robaiyat in Nowrooznameh Isfahan's North Dome and Other Poems of Omar Khayyam and Solving the Riddle of His Robaiyat Attributability Each book independently readable can be best understood as a part of the whole series In Book 7 Tamdgidi shares his updated edition of Khayyam's Persian book Nowrooznameh The Book on Nowrooz and for the first time his new English translation of it followed by his analysis of its text He then visits recent findings about the possible contribution of Khayyam to the design of Isfahan's North Dome Next he shares the texts and his new Persian where needed and English translations and analyses of Khayyam's other Arabic and Persian poems Finally he studies the debates about the attributability of the Robaiyat to Omar Khayyam Tamdgidi verifiably shows that Nowrooznameh is a book written by Khayyam arguing that its unreasonable and unjustifiable neglect has prevented Khayyami studies from answering important questions about Khayyam's life works and his times Nowrooznameh is primarily a work in literary art rather than in science tasked not with reporting on past truths but with creating new truths in the spirit of Khayyam's conceptualist view of reality Iran in fact owes the continuity of its ancient calendar month names to the way Khayyam artfully recast their meanings in the book in order to prevent their being dismissed given their Zoroastrian roots during the Islamic solar calendar reform underway under his invited direction The book also sheds light on the mysterious function of Isfahan's North Dome as a space revealing it as having been to serve as part of an observatory complex for the annual Nowrooz celebrations and leap year declarations of the new calendar The North Dome to whose design Khayyam verifiably contributed and in fact bears symbols of his unitary view of a world created for happiness by God marks where the world's most accurate solar calendar of the time was calculated It deserves to be named after Omar Khayyam not Taj ol Molk and declared as a cultural world heritage site Nowrooznameh is also a pioneer in the prince guidance books genre that anticipated the likes of Machiavelli's The Prince by centuries the difference being that Khayyam's purpose was to inculcate his Iranian and Islamic love for justice and the pursuit of happiness in the young successors of Soltan Malekshah Iran is famed for its ways of converting its invaders into its own culture and Nowrooznameh offers a textbook example for how it was done by Khayyam Most significantly however Nowrooznameh offers by way of its intricately multilayered meanings the mediating link between Khayyam's philosophical theological and scientific works and his Robaiyat showing through metaphorical clues of his beautiful prose how his poetry collection could bring lasting spiritual existence to its poet posthumously Khayyam's other Arabic and Persian poems also provide significant clues about the origins the nature and the purpose of the Robaiyat as his lifelong project and magnum opus Tamdgidi argues that the thesis of Khayyam's Robaiyat as a secretive artwork of quatrains organized in an intended reasoning order as a book of life serving to bring about his lasting spiritual existence can solve the manifold puzzles contributing to the riddle of his Robaiyat attributability He posits and in the forthcoming volumes of this series will demonstrate that the lost quatrains comprising the original collection of Robaiyat have become extant over the centuries

such that we can now reconstruct by way of solving their 1000 piece jigsaw puzzle the collection as it was meant to be read as an ode of interrelated quatrains by Omar Khayyam Table of Contents About OKCIR i Published to Date in the Series ii About this Book iv About the Author viii Notes on Transliteration xix Acknowledgments xxi Preface to Book 7 Recap from Prior Books of the Series 1 Introduction to Book 7 Tracing the Robaiyat in Omar Khayyam s Artwork 11 CHAPTER I Omar Khayyam s Literary Work Nowrooznameh An Updated Persian Text and Its New English Translation for the First Time 21 CHAPTER II Omar Khayyam s Literary Work Nowrooznameh A Clause by Clause Textual Analysis 147 CHAPTER III Unveiling the Open and Hidden Functions of the Mysterious North Dome of Isfahan How Omar Khayyam Designed for His Commissioned Projects of Solar Calendar Reform and Building Its Astronomical Observatory Iran s Most Beautiful Dual Use Structure for the Annual Celebration of Nowrooz 367 CHAPTER IV Omar Khayyam s Arabic and Persian Poems Other than His Robaiyat Translated into Persian from Arabic and English and Textually Analyzed 497 CHAPTER V Did Omar Khayyam Secretively Author A Robaiyat Collection He Called Book of Life Solving the Manifold Riddles of His Robaiyat Attributability 573 Conclusion to Book 7 Summary of Findings 677 Appendix Transliteration System and Glossary 731 Cumulative Glossary of Transliterations Books 1 5 744 Book 7 References 753 Book 7 Index 767

and credible features of this publication is it takes the reader from the very basics and background of data hiding techniques and runs on the reading road to arrive at some of the more complex methodologies employed for concealing data object from the human eye and or the investigation As a practitioner in the Digital Age I can see this book sitting on the shelves of Cyber Security Professionals and those working in the world of Digital Forensics it is a recommended read and is in my opinion a very valuable asset to those who are interested in the landscape of unknown unknowns This is a book which may well help to discover more about that which is not in immediate view of the onlooker and open up the mind to expand its imagination beyond its accepted limitations of known knowns John Walker CSIRT SOC Cyber Threat Intelligence Specialist Featured in Digital Forensics Magazine February 2017 In the digital world the need to protect online communications increase as the technology behind it evolves There are many techniques currently available to encrypt and secure our communication channels Data hiding techniques can take data confidentiality to a new level as we can hide our secret messages in ordinary honest looking data files Steganography is the science of hiding data It has several categorizations and each type has its own techniques in hiding Steganography has played a vital role in secret communication during wars since the dawn of history In recent days few computer users successfully manage to exploit their Windows machine to conceal their private data Businesses also have deep concerns about misusing data hiding techniques Many employers are amazed at how easily their valuable information can get out of their company walls In many legal cases a disgruntled employee would successfully steal company private data despite all security measures implemented using simple digital hiding techniques Human right activists who live in countries controlled by oppressive regimes need ways to smuggle their online communications without attracting surveillance monitoring systems continuously scan in out internet traffic for interesting keywords and other artifacts The same applies to journalists and whistleblowers all over the world Computer forensic investigators law enforcements officers intelligence services and IT security professionals need a guide to tell them where criminals can conceal their data in Windows OS multimedia files and how they can discover concealed data quickly and retrieve it in a forensic way Data Hiding Techniques in Windows OS is a response to all these concerns Data hiding topics are usually approached in most books using an academic method with long math equations about how each hiding technique algorithm works behind the scene and are usually targeted at people who work in the academic arenas This book teaches professionals and end users alike how they can hide their data and discover the hidden ones using a variety of ways under the most commonly used operating system on earth Windows

Praying Scripture for a Change Dr. Timothy Gray, 2014-06-26 If you're looking to learn how to get the most out of prayer this book is indispensable As St Augustine notes When we pray we speak to God when we read Scripture God speaks to us The key to enriching our prayer is learning the language of Christianity and the most effective way to learn the language of Christianity is an ancient technique known as lectio divina divine reading In these pages you will learn How God speaks directly to each of us in Scripture How to overcome the obstacles to a consistent and fruitful prayer life Why the

fourfold method of lectio divina leads us directly into the heart of contemplative prayer Strategies for reading and praying the Bible fruitfully What Christian meditation is and how it differs from non Christian approaches How everyone not just saints and mystics can truly reach mystical union with God In this succinct book Catholic theologian and biblical scholar Dr Tim Gray walks you through the Bible and the wisdom of the saints to reveal the practical steps of this great treasure of our Tradition Learning the simple steps of lectio divina will provide a practical and effective way for you to enhance your prayer life through the power of God s Word

The Case for Biblical Antichrist, Global Government, and the Man Chosen to Save America Luis Munoz, 2024-11-04 The godfather of the global mafia Rockefeller indicated that he and other globalists are relying on the right major crisis and the nations will accept the New World Order Moreover the renowned globalist and Obama s advisor Strobe Talbott said In the next century 21st nations as we know it will be obsolete all states will recognize a single global authority National sovereignty wasn t such a great idea after all And James Paul Warburg said We shall have World Government whether or not we like it The only question is whether World Government will be achieved by consent or conquest Who are America s true enemies How are they operating inside America How are they plotting to destroy America s democracy and sovereignty Robert F Kennedy Jr on April 1 2024 told CNN I can make the argument that President Biden is a much worse threat to democracy than Trump Again Robert on April 2 2024 told Fox News President Biden has done something no other president has done which is to order media particularly social media Facebook Instagram to censor his political opponent President Biden is a much worse threat to democracy and the reason for that is President Biden is the first candidate in history the first president in history that has used the federal agencies to censor political speech to censor his opponent And he added that Biden is a genuine threat to our democracy Keep in mind that Robert K is a liberal Democrat Former president Barack Obama and his wife Michael are using their Netflix Predictive Programming movie Leave the World Behind to reveal how he and the global gang intend to put the US government under a global dictatorship Their ploy includes A simple three stage maneuver that could topple a country s government from within That country s government is no other but the US government which will be the real target for a coup d etat and civil war The first maneuver to destroy America is Isolation By that they mean disabling the sectors of communication and transportation making the target as deaf dumb and paralyzed as possible The second maneuver consists of creating a synchronized chaos to terrorize the American people with covert attacks and misinformation overwhelming their defense capabilities and leaving their weapon system vulnerable to extremists and their own military Without a clear enemy or motive people would start turning on each other If done successfully the third stage would happen on its own The Obama Netflix civil war movie describes the globalists plot to create the right major crisis that they have envisioned to establish a global government The plot seems to include widespread use of state terrorism to attack America from within with tens of thousands of radical Muslim terrorists that are already in America The goal is to topple the US government declare martial law change the Constitution and put the country under a

global tyranny I am using this book to show that Obama and Biden have been working in league with the evil global mafia to cement America's transition from democracy to dictatorship Also this book shows the globalists plot for world government and the man with the call and vision to lead it Barack H Obama the biblical Antichrist and awaited Mahdi of Islam Therefore Americans have a critical choice to make choose Obama's radicalized democrat gang and you will destroy America's democracy and sovereignty Choose Donald Trump and you will empower the man called to defeat the enemies of humanity and tyranny Trump is the man destined to vindicate God's name and restore America to its rightful place before God takes His people in the rapture

A Delicate Choreography David Sabeen, 2023-10-24 The origins of the incest taboo have puzzled many of the most influential minds of the West from Plutarch to St Augustine St Thomas Aquinas Martin Luther David Hume Lewis Henry Morgan Sigmund Freud Emile Durkheim Edward Westermarck and Claude Lévi Strauss This book puts the discussion of incest on a new foundation It is the first attempt to thoroughly examine the rich literature from philosophical theological and legal treatises to psychological and biological genetic studies to a wide variety of popular cultural media over a long period of time The book offers a detailed examination of discursive and figurative representations of incest during five selected periods from 1600 to the present The incest discussion for each period is complemented with a presentation of dominant kinship structures and changes without arguing for causal relations Part I deals with the legacy of ecclesiastical marriage prohibitions of the Middle Ages Historians dealing with the Reformation have wondered about the political and social implications of theological debates about the incest rules the Enlightenment opted for sociological considerations of the household and a new anthropology based on the passions Baroque discourse focused upon sexual relations among kin by marriage while Enlightenment and Romantic discussions worried the intimacy of siblings The first section of Part II deals with the six decades around 1900 during which European and American cultures obsessed about the sexuality of women Almost everyone concurred in the idea that mother made the family what it was that she configured the household kept the lines of kinship vibrant and stood at the threshold as stern gatekeeper and many thought that she managed these tasks through her sexuality and an eroticized relationship with sons Another story line taken up in the section Intermezzo this one about the physical and mental consequences of inbreeding appeared after 1850 To what extent do close kin marriages pose risks for progeny At its center lay the incest problematic now restated Is avoidance of kin genetically programmed Do all cultures know about risks of consanguinity As for the twenty first century evolutionary and genetic assumptions are challenged by a living world population containing roughly one billion offspring of cousin marriages Part III deals with one of the perhaps most remarkable reconfigurations of Western kinship in the aftermath of World War I The shift from an endogamous to an exogamous alliance system centered on the nuclear family An historical anomaly this family form began to dissolve almost as soon as it came together and in the process shifted the focus of incest concerns to a new pairing father and daughter By the 1970s when the father daughter problematic swept all other considerations of incest aside that

relationship had come to be modeled for the most part around power and its abusive potential As for incest its representations in the last three decades of the twentieth century no longer focused on biologically damaged progeny but rather on power abuses in the nuclear family sexual abuse By the mid 1990s Western culture at least partly redirected its gaze away from father and daughter towards siblings especially towards brothers and sisters and the sexual boundaries and erotics of their relationships Correspondingly siblings became a model organism for psychotherapy evolutionary biology and the science of genetics
