### High School Reading Comprehension 1: The Prom Date

It was a beautiful Saturday morning, and everyone was excited about the prom night. Emma had been looking forward to the dance for weeks. She had a special dress, matching shoes, and had even made an appointment at the salon to have her hair and makeup done.

Emma had been talking to a guy named Alex for a while, and she finally asked him to the prom. Alex said yes, and Emma was thrilled. She thought that this would be the best night of her life.

As the day of the prom drew nearer, Emma started to feel nervous. She had never been on a date before, let alone to a prom. She wanted everything to be perfect, and she was worried that something would go wrong.

On the night of the prom, Alex arrived at Emma's house to pick her up. He looked handsome in his tuxedo, and Emma couldn't help but feel excited. However, as they got to the dance, Emma began to feel out of place. She saw her classmates dancing and having fun, but she couldn't seem to relax.

Eventually, Alex asked Emma to dance, and she reluctantly agreed. But as they danced, Emma realized that she didn't feel the connection with Alex that she had hoped for. They didn't have much to talk about, and Emma felt like they were just going through the motions.

Feeling disappointed, Emma asked Alex if they could leave early. He agreed, and they went outside to get some fresh air. As they walked around the parking lot, Emma saw a group of her friends taking pictures and laughing together. She wished she had gone to the prom with them instead.

As Alex dropped Emma off at her house, Emma realized that sometimes things don't turn out the way we expect them to. She had built up the prom in her mind as the perfect night, but in reality, it was just an ordinary dance. She realized that what really mattered was spending time with people who truly cared about her.

#### Questions:

1. Who did Emma ask to the prom?
2. How did Emma feel on the night of the prom?
3. Did Emma enjoy dancing with Alex?
4. What did Emma see when she went outside?
5. What did Emma learn from her experience at the prom?

Summary question: What was Emma's realization after the prom?
