town to the cooler greener climes of the Northwest He tells himself he just needs a break from his father a dead end relationship with a stripper his job as a nurse and his troubled best friend But what he can't escape no matter how many miles he travels is the memory of his mother July who was brutally murdered sixteen years earlier and visits him regularly in his dreams Sam's grief is sorely renewed when he learns July's murderer is soon to be released from prison Overcome by strong feelings of panic and revenge he turns to women He reconnects with a former patient in Los Angeles In Santa Barbara he meets a sage philosopher who inspires him to put order in his life In Oregon he falls in love with an arborist whose woodsy home provides peace and refuge at least for a while Simultaneous with Sam's journey his mother's story unfolds coming to a climax when the details of July's grisly murder are revealed Through a fast paced gripping narrative Heat Signature explores the complexities of family and friendship love and loss race and sexuality Visit www.lisateasley.com

Documenting the Undocumented Marta Caminero-Santangelo, 2017-10-10 Looking at the work of Junot Diaz Cristina Garcia Julia Alvarez and other Latino authors who are U.S. citizens Marta Caminero-Santangelo examines how writers are increasingly expressing their solidarity with undocumented immigrants Through storytelling these writers create community and a sense of peoplehood that includes non-citizen Latino as This volume also foregrounds the narratives of unauthorized migrants themselves showing how their stories are emerging into the public sphere Immigration and citizenship are multifaceted issues and the voices are myriad They challenge common interpretations of illegal immigration explore inevitable traumas and ethical dilemmas protest their own silencing in immigration debates and even capitalize on the topic for the commercial market Yet these texts all seek to affect political discourse by advancing the possibility of empathy across lines of ethnicity and citizenship status As border enforcement strategies escalate along with political rhetoric detentions and deaths these counternarratives are more significant than ever before and their perspectives cannot be ignored What we are witnessing argues Caminero-Santangelo is a mass mobilization of stories This growing body of literature is critical to understanding not only the Latino immigrant experience but also alternative visions of nation and belonging

In the Country of Women Susan Straight, 2019-08-06

One of NPR's Best Books of the Year Straight's memoir is a lyric social history of her multiracial clan in Riverside that explores the bonds of love and survival that bind them with a particular emphasis on the women's stories The aftereffect of all these disparate stories juxtaposed in a single epic is remarkable Its resonance lingers for days after reading San Francisco Chronicle In the Country of Women is a valuable social history and a personal narrative that reads like a love song to America and indomitable women In inland Southern California near the desert and the Mexican border Susan Straight a self-proclaimed book nerd and Dwayne Sims an African American basketball player started dating in high school After college they married and drove to Amherst Massachusetts where Straight met her teacher and mentor James Baldwin who encouraged her to write Once back in Riverside at driveway barbecues and fish fries with the large close knit Sims family Straight and eventually her three daughters heard for decades the stories of Dwayne's female ancestors Some women escaped violence in post slavery Tennessee some escaped murder in Jim Crow Mississippi and some fled abusive men Straight's mother in law Alberta Sims is the descendant at the heart of this memoir Susan's family too reflects the hardship and resilience of women pushing onward from Switzerland Canada and the Colorado Rockies to California A Pakistani word *biraderi* is one Straight uses to define a complex system of kinship and clan those who become your family An entire community helped raise her daughters Of her three girls now grown and working in museums and the entertainment industry Straight writes The daughters of our ancestors carry in their blood at least three continents We are not about borders We are about love and survival Certain books give off the sense that you won't want them to end so splendid the writing so lyrical the stories Such is the case with Southern California novelist Susan Straight's new memoir In the Country of Women Her vibrant

pages are filled with people of churned together blood culled from scattered immigrants and native peoples indomitable women and their babies Yet they never succumb Straight gives us permission to remember what went before with passion and attachment Los Angeles Times
