Hillary The Politics Of Personal Destruction:

Hillary David N. Bossie, 2008-03-02 It is not a stretch to say that more has been written about Hillary pro and con than probably any other living American politician. So in the build up to the 2008 presidential election what is not needed is just another book about Candidate Hillary. Fortunately this exposé is much more a hybrid product that includes not only cutting edge reporting revealing facts and fictions about the junior senator from New York but does it in a dual book and movie format. David N. Bossie, former chief investigator for the US House of Representatives Committee on Government Reform and Oversight, reveals all the must-know details about Hillary's life and career, exposing the truth about her conflicts in the past and her liberal plot for the future. Bossie has previously produced such acclaimed documentaries as *Border War* www.borderwarmovie.com

The Seduction of Hillary Rodham David Brock, 1998-02-02 Profiles the political life of Hillary Rodham Clinton and discusses her role in her husband's government career in Arkansas, her involvement in his presidency, her family life, and other related topics.

The Hillary Effect Taylor Marsh, 2014-07-01 Spanning nearly two decades of American politics, *The Hillary Effect* is the provocative and insightful story of the first viable female presidential candidate in history to win a primary and do so in spite of her campaign team's mistakes. It addresses the galvanizing impact that her loss represented for both women and men in and out of Washington. And it revolves around media coverage that treated her differently as first lady, senator, and then presidential candidate, not only because she was a woman but because she was Hillary Clinton. Candidly written by veteran political analyst Taylor Marsh, this is the view from a recovering partisan, someone whom the *Washington Post* called a die-hard Clintonite in its profile of Hillary in 2008. *The Hillary Effect* began when Hillary, as first lady, dared to challenge China's treatment of women. A countless number of women have benefited and will benefit from her presidential loss, the most famous of these being Sarah Palin, the Tea Party queen of 2010, and first female on a national Republican presidential ticket, who weaves throughout this story as the anti-Hillary. *The Hillary Effect* also sees Michele Bachmann as a player as the first Republican female to win a straw poll primary or caucus. The male leads in this stunning tale are Bill Clinton and President Barack Obama, someone who turned out to be very different from candidate Obama, with David Plouffe and Mark Penn making appearances. The story includes a host of media personalities and their outlets but also new media and progressive voices and famous names like Chris Matthews, Keith Olbermann, Sally Quinn, the late Tim Russert, Richard Wolffe, Laura Ingraham, Liz Cheney, Peggy Noonan, Maureen Dowd, Tucker Carlson, Sean Hannity, Rush Limbaugh, and even Bill O'Reilly, who offered Hillary the best interview she would do during the 2008 season. All of this is seen through the economic and political crises of today: health care, women's individual freedoms, Afghanistan, women's rise around the world, the debt ceiling debate, tax cuts for the wealthy, Occupy Wall Street, and an American public disenchanted with both Republicans and Democrats.

The Clintons' War on Women Roger Stone, Robert Morrow, 2016-09-06 This book on Hillary really tough. President Donald Trump, Hillary Clinton is running for president as an

advocate of women and girls but there is another shocking side to her story that has been carefully covered up until now This stunning expos reveals for the first time how Bill and Hillary Clinton systematically abused women and others sexually physically and psychologically in their scramble for power and wealth In this groundbreaking book New York Times bestselling author Roger Stone and researcher and alternative historian Robert Morrow map the arc of Bill and Hillary s crimes and cover ups They reveal details about their actions in Arkansas during Bill Clinton s time in the White House about who really ordered the deadly attack on the Branch Davidian compound in Waco during Hillary s tenure as secretary of state about their time at the Clinton Foundation and during Hillary s current campaign for president This is the first book to shed light on the couple s deeply personal violations of the people they crushed in their obsessive quest for power Along the way Stone and Morrow reveal the family s darkest secrets including a Clinton family member s drug rehab treatment that was never reported by the press Hillary Clinton s unusually close relationship with a top female aide and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary s push to be the second Clinton in the White House Anyone who cares about the future of the United States will want to read this tell all exposing the appalling unvarnished and ugly truth about the Clintons This paperback edition includes a new preface from Roger Stone revealing explosive new information he s learned since the hardcover s release

For Love of Politics Sally Bedell Smith, 2008 Offers a portrait of the personal and political partnership of Bill and Hilary Clinton revealing the innermost details of the Clinton administration their policy implications and their impact on Hillary s presidential campaign

Extreme Makeover of Hillary (Rodham) Clinton Bay Buchanan, 2007-05-14 Buchanan former U S treasurer and sister of former presidential nominee Pat Buchanan takes Hillary Clinton to task in this unapologetically partisan biography Buchanan outlines how Clinton s personality and character changed after she was elected to the Senate casting mock sympathy as she goes It must be a terrible thing to be as deeply insecure as Hillary It has made her so incredibly susceptible to the ideas of others Subsequent chapters criticize the senator s positions on hot button issues including healthcare same sex partnerships and the war in Iraq Buchanan backs up many of her points with outside scholarship and Clinton s own interviews and records both as senator and student

Hillary Joachim Kempin, 2016-06-30 Voting in our democracy is a privilege 130 million or more will probably be cast this year to determine the next US President Mostly along party lines Much fewer based on consciously evaluating of how many of the political promises made during the election campaign cannot be kept In particular by Hillary A political operator from yesterday who seeks this office with cunning rhetoric and despair A pied piper who supposedly fights for the downtrodden She does not possess a magic flute like the original one Instead she too often uses quite angry sounding siren songs to lure voters into a realm of free flowing milk and honey provided by her utopian style government causing hurt for the many who

have to pay for her delusions A fairy tale that has been going on for over seven decades It led to nearly twenty trillions of debt for this nation and created an entitlement class which is endangering the American dream for our children To hell with self reliance and personal responsibilities is this modern pied piper s motto The government will take care of you and plan your future If you want to wind up living in a mind numbing political atmosphere and accept handouts forever please vote for this progressive siren and her party They will be happy to be your puppet masters If you agree with the founding fathers of this nation and demand less government and utmost individual freedom this collection of fairy tales might sway you to reconsider

Hillary's Choice Gail Sheehy,2000-02-28 Why does she stay with him Where does she go from here The author who revealed a generation s Passages now answers all the questions about the most talked about First Lady in American history In Hillary s Choice Hillary Clinton is rendered fully human for the first time Here is the life of a woman that is also the story of a marriage and the drama of a presidency From her childhood with a demanding father and frustrated mother to her life as a professional wife determined to elect her husband president from the sexual betrayals that nearly broke her to the national scandal that remade her this is the epic journey of a modern American woman a saga that begins in passivity moves through self punishment and ends in power Who was the one other woman who posed a serious threat to their marriage What was the real reason for the health care failure How did Hillary escape the snare of Kenneth Starr How has she managed through it all to be a good mother No matter what her future the mysteries about Hillary Clinton s past have been fully resolved by Hillary s Choice a stunning achievement from a master chronicler of our times

The Path to Paralysis Donald G. Nieman,2024-10-15 How did the world s oldest democracy lose its mojo How did we get to a point where we face existential crises like climate change yet leaders can t agree that there s a problem let alone develop solutions Political leaders bear some of the responsibility Newt Gingrich Sarah Palin and Donald Trump to name a few have shattered political norms and transformed our politics into a free for all in which personal attacks appeals to bigotry and fear disregard for truth and disdain for governing have become the norm But they are more a symptom than the cause The Path to Paralysis examines changes in political culture during the past 60 years conflict over race religion and gender wrenching economic changes and growing concentration of wealth the end of the Cold War hardening regional divisions and dramatic changes in communications that made Donald Trump possible if not inevitable Long in the making these cross currents came together in the early 21st century as the United States experienced the deepest recession since the 1930s and elected its first Black president to create the perfect storm The result was toxic and deeply polarised politics that threatened the existence of constitutional government

Rating The First Ladies John B. Roberts,John B. B. Roberts,2004 Examines the parts played by the wives and other relatives who filled the role of first lady and describes how they profoundly impacted each president s administration and

political fate **Tag Teaming the Press** James E. Mueller, 2008-06-27 Tag Teaming the Press James Mueller's lively account of the evolution of the press relations of Bill and Hillary Clinton begins with the couple's earliest student political activism in the sixties and continues through Hillary's run for the White House in 2008. Based largely on interviews with the journalists who covered them, the book explains how the most powerful political couple in America learned to handle the media, an indispensable skill for the twenty-first century politician. Mueller shows that the Clintons honed that skill through years of interacting with journalists as campaign workers, as candidates, and as candidates' spouses. He also makes clear that it is the latter category that makes the Clintons unique among American political couples. At various times in their more than 30 years in politics, Bill and Hillary have fulfilled a number of roles for each other in dealing with reporters, including lightning rod, bad cop, good cop, and schmoozer. Mueller examines each of these roles and discusses how the Clintons played them, sometimes winning, sometimes losing, but always well worth watching. Written in an engaging style but based on thorough research, Tag Teaming the Press is a valuable resource for students of media and politics and an informative read for anyone who cares about American democracy and the role the press plays in it.

A Basket of Deplorables Linda Tripp, 2020-12-22 As seen on Newsmax TV. Featured in the New York Post and FoxNews.com. A compelling insider's look at a political marriage that tore apart the nation and almost destroyed a presidency from the woman who saw it all happen. In this brilliantly written behind-the-scenes account, Linda Tripp, along with her co-author Dennis Carstens, shares her side of the Clinton White House sex scandals for the first time, detailing the behavior of two very flawed people who fooled a nation. Bill Clinton, a sexual predator, and his wife Hillary, who was his primary enabler. In this exposé, Tripp outlines what the public was not allowed to see: the lengths Clinton's protectors would go to lie, deceive, and cover up for them; some of the many women Bill Clinton used his position, privilege, and power as president to sexually abuse; how the former president got away with it thanks to his morally bankrupt, unscrupulous wife and cabal of protectors; and finally, the role party politics played when he was called to task and was almost the first president to be removed from office for perjury and corruption.

The Method to the Madness Allen Salkin, Aaron Short, 2019-07-09 A Rosetta Stone for understanding Donald Trump's style, mindset, and every action made up of over one hundred interviews with his closest associates and adversaries over the last 15 years. To his critics, Donald Trump is an impulsive, undisciplined crackpot who accidentally lucked into the presidency. But in *The Method to the Madness*, reporters Allen Salkin and Aaron Short reveal that nothing could be further from the truth. This objective, nonpartisan oral history shows that Trump had carefully planned his bid for the presidency since he launched what many considered to be a joke candidacy in 1999. Between 2000 and 2015, when he announced his candidacy in the lobby of Trump Tower, he was able to identify an unserved political constituency, hone a persuasive message that appealed to their needs, and deliver it effectively despite intense media opposition. Through candid conversations with more than 100 subjects close to the President, Salkin and Short make the case that Donald Trump's ostensibly erratic approach to politics is consistent with his

carefully honed personal and professional style of information gathering opinion seed planting and conclusion sharing His business media and political dealings from this era serve as a guide for understanding the man his mindset and his every action *The Method to the Madness* is an accessible and unbiased oral history that brings readers into the private rooms where decisions are made confidences are broken strong words fly and not all eye witnesses see the same scene in quite the same way Full of scoops both large and small this is the first book to bring Trump the politician into focus **The Advocate**, 1995-03-07 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States Think Again Stanley Fish, 2019-08-27 From one of America's most important cultural critics comes this collection of the best of his provocative New York Times essays pieces that have generated passionate discussion and debate Hearings Relating to Madison Guaranty S&L and the Whitewater Development Corporation, Washington, DC Phase: Resolution Trust Corporation ("RTC") document production in response to S. Res. 229 United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs, 1994 *The Hillary Trap* Laura Ingraham, 2000-06-07 A high profile political pundit issues a wake up call to women and illuminates the paradoxes and pitfalls they face in today's world The Hillary Trap directly challenges Hillary Clinton's status as a positive role model and takes a hard look at the status of women in America **A Woman in Charge** Carl Bernstein, 2007-06-05 The nuanced definitive biography of one of the most controversial and widely misunderstood figures of our time the woman running a historic campaign as the 2016 Democratic presidential nominee Hillary Rodham Clinton Drawing on hundreds of interviews with colleagues and friends and with unique access to campaign records Pulitzer Prize winning journalist and bestselling author Carl Bernstein has given us a book that enables us at last to address the questions Americans are insistently even obsessively asking Who is she What is her character What is her political philosophy And what can we expect from Hillary if we elect her President of the United States
