The Repugnant Conclusion Jesper Ryberg, Torbjörn Tännsjö, 2007-11-10 Most people including moral philosophers when faced with the fact that some of their cherished moral views lead up to the Repugnant Conclusion feel that they have to revise their moral outlook However it is a moot question as to how this should be done It is not an easy thing to say how one should avoid the Repugnant Conclusion without having to face even more serious implications from one s basic moral outlook Several such attempts are presented in this volume This is the first volume devoted entirely to the cardinal problem of modern population ethics known as The Repugnant Conclusion This book is a must for moral philosophers with an interest in population ethics *Proceedings* ,1974

In the Blood Robert Wuthnow, 2015-09-01 A vivid and moving portrait of America s farm families Farming is essential to the American economy and our daily lives yet few of us have much contact with farmers except through the food we eat Who are America s farmers Why is farming important to them How are they coping with dramatic changes to their way of life In the Blood paints a vivid and moving portrait of America s farm families shedding new light on their beliefs values and complicated relationship with the land Drawing on more than two hundred in

depth interviews Robert Wuthnow presents farmers in their own voices as they speak candidly about their family traditions aspirations for their children business arrangements and conflicts with family members They describe their changing relationships with neighbors their shifting views about religion and the subtle ways they defend their personal independence Wuthnow shares the stories of farmers who operate dairies raise livestock and grow our fruit and vegetables We hear from corn and soybean farmers wheat belt farmers and cotton growers We gain new insights into how farmers assign meaning to the land and how they grapple with the increasingly difficult challenges of biotechnology and global markets In the Blood reveals how despite profound changes in modern agriculture farming remains an enduring commitment that runs deeply in the veins of today s farm families *The Book of Dragon* Steven Brust,2014-07-22 The first seven of Steven Brust s Vlad Taltos fantasy novels have long been in print from Ace Books in a set of three trade paperback omnibuses Now Tor publisher of the series from book eight on continues the series of omnibuses with The Book of Dragon which includes Dragon and Issola In Dragon Vlad finds himself in the last place any self respecting assassin wants to be the army Worse he s in the middle of an apocalyptic battle between two sorcerous armies and everyone expects him to perform a role that they won t explain Vlad may kill people for a living but this is ridiculous All he s got to rely on are his wits and a smart mouthed winged lizard In Issola Vlad s aristocratic friends Morrolan and Alieria have disappeared and according to the eldritch but affable Sethra Lavode they may be in the hands of the Jenoine the mysterious beings who made the world of the Dragaera Empire and its surroundings and who may have come from somewhere else Oh well what s life without the occasional cosmic battle with beings who control time and space At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *War Expenditures* United States. Congress. House. Select Committee on Expenditures in the War Department,1920 **The Variety of Values** Susan R. Wolf,2015 For over thirty years Susan Wolf has been writing about moral and nonmoral values and the relation between them This volume collects Wolf s most important essays on the topics of morality love and meaning ranging from her classic essay Moral Saints to her most recent The Importance of Love Wolf s essays warn us against the common tendency to classify values in terms of a dichotomy that contrasts the personal self interested or egoistic with the impersonal altruistic or moral On Wolf s view this tendency ignores or distorts the significance of such values as love beauty and truth and neglects the importance of meaningfulness as a dimension of the good life These essays show us how a self conscious recognition of the variety of values leads to new understandings of the point the content and the limits of morality and to new ways of thinking about happiness and well being **Hearings** United States. Congress. Senate. Committee on Interior and Insular Affairs,1953 The Humming of Bees Kalyani Mahesh,2022-05-24 This book named The Humming of Bees contains the write ups of 25 beautiful co authors I Married a Narcissist Nyah Neely,2019-09-23 When she discovers a mistress on her husband s phone Nyah Hamilton embarks on a tireless quest to understand where she went wrong but exposes instead a secret far more sinister than infidelity Fresh off the table of

reconstructive surgery the formerly obese Nyah is swept off her feet by the charming Tirk Hamilton Insecure and inexperienced Nyah is captivated by the suave older gentlemen Soon in the relationship the seemingly perfect couple begin to unravel Unable to pinpoint or even describe what s troubling her Nyah fumbles through the motions assuming the problem is her ineptness Marriage only exacerbates Tirk s aggression and lewd conduct with women Practicing her forgive and forget principles she was raised with Nyah turns a blind eye until nude pictures of Tirk s lover force her hand In the aftermath of discovery Nyah is bound and determined to uncover the truth behind her husband s erratic behavior Even at the cost of her own sanity

Inclusive Ethics Ingmar Persson,2017-01-26 Inclusive Ethics begins from two ideas which are part of our everyday morality namely that we have a moral reason to benefit or do good to other beings and that justice requires these benefits to be distributed equally A morality comprising these two general principles will be exceedingly hard to apply as these principles will have to be balanced against each in an intuitive fashion but also because the notion of what benefits beings is quite complex comprising both experiential components of pleasure and successful exercises of autonomy Ingmar Persson argues that on philosophical reflection these ideas turn out to be more far reaching than we imagine In particular the reason to benefit commits us to benefit beings by bringing them into existence Further since grounds that are commonly used to justify that some are better off than others such as their being more deserving or having rights to more are untenable justice requires a more extensive equality The book concludes by reflecting on the problems of getting people to accept a morality which differs markedly from the morality with which they have grown up

Before Getting Rid of Gil & Josh and About a Boat Trip, a Hold Up, a Strip Show and You Stephen Benatar,2018-11-06 Before Getting Rid of Gil and Josh is both a love story and a comedy thriller rather than any stark account of homicide It is set in 1954 before it was legal for two men sexually to love one another and follows the attempt of an MP s twin to blackmail him The MP and his partner decide they have to scare off this sibling but when their tactics unexpectedly result in death they have to resort to desperate measures to avoid suspicion falling in the right place About a Boat Trip a Hold Up a Strip Show and You can be seen as a latter day Brief Encounter occurring some forty years later in 1986 It concerns Stella McCabe an attractive middle aged woman who is thinking of leaving her husband and becoming the sort of person she would like herself to be independent and far less conventional Her world is diverted when she meets a man of half her age who turns out to be a Chippendale type stripper and ridiculously starts to fall in love with him Is Vince the catalyst she needs or can a selfish husband undergo a change of heart Both books are lively entertaining and transport the

reader to a world of light hearted fiction and once begun will grip its reader until the final pages have been turned Praise for Stephen Benatar's previous works A masterpiece matchlessly clever wholly unique John Carey Literary Critic Benatar writes with wit and humour about subjects most writers do not tackle ageing age the frequent nastiness of family life Doris Lessing With this marvellous book poetry and character return to the English novel The Times Literary Supplement *The Devil's Bed* William Kent Krueger,2003-02-18 From the creator of the critically acclaimed award winning Cork O Connor mystery series comes a haunting atmospheric conspiracy thriller When President Clay Dixon's father in law a former vice president is injured in a farming accident First Lady Kate Dixon returns to Minnesota to be at his side Assigned to protect her Secret Service agent Bo Thorsen soon falls under Kate's spell He also suspects the accident is part of a trap set for Kate by David Moses an escaped mental patient who once loved her What Bo and Moses don't realize is that they're caught in a web of deadly intrigue spun by a seemingly insignificant bureaucratic department within the federal government Racing to find answers before an assassin's bullet can kill Kate Bo soon learns that when you lie down with the devil there's hell to pay

Interactional Justice Lisa Flower,2019-12-06 Interactional Justice explores how defence lawyers accomplish their role in interaction with others and highlights the ways in which they do loyalty work constructing and conveying loyalty in emotionally and interactionally constraining situations By drawing on extensive ethnographic fieldnotes and interviews with lawyers this sociological study brings their loyalty work to life and reveals to the reader the unwritten rules of emotional interactions It presents how defence lawyers socially construct their duty of loyalty by negotiating informal and implicit professional and social expectations This accomplishment demands emotion work and face work in order to perform a role which includes defending clients accused of heinous crimes and losing the majority of cases As the defence team is central to this the ways of doing teamwork are illustrated Teamwork is also found to be essential between legal professionals to ensure that a criminal trial runs smoothly All of this takes place within an overarching framework the emotional regime of law which aims to uphold the illusionary dichotomy between rationality and emotionality thus quietening the role of emotions Loyalty and teamwork are features of many professions workplaces and aspects of social life making this book an essential tool for understanding strategies for their accomplishment Focusing on courtroom emotions and interactions the book suggests how trials can be made more user friendly and provides guidance for newly qualified legal professionals The use of ethnographic fieldnotes and interviews provides scholars and students in the social sciences teaching law and medicine with a colourful monograph which reveals and explains emotion and interaction rules It also makes this book a useful tool for teaching and understanding qualitative research methods *Hedonistic Utilitarianism* Torbjorn Tannsjo,2019-08-08 This volume presents a comprehensive statement in defense of the doctrine known as classical hedonistic utilitarianism It is presented as a viable alternative in the search for a moral theory and the claim is defended that we need such a theory The book offers a distinctive approach and some quite controversial conclusions Torbjorn Tannsjo challenges the assumption that hedonistic

utilitarianism is at variance with common sense morality particularly as viewed through the perspective of the modern feminist moral critique
