

ITALIAN WATERS PILOT

Italian Waters Pilot is the only guide for yachtsmen in English that covers the coasts of the Tyrrhenian Sea, Sardinia, Sicily, the Ionian 'heel' and Malta in one volume. The last of Rod Heikell's definitive Mediterranean pilots to be completely overhauled, this sixth edition provides comprehensive information on the region and its harbours and anchorages.

All the plans and photographs are now in full colour and the text has been thoroughly revised. Detailed coverage has been improved and now there are more waypoints, more information on routes, nature reserves and more harbour contact numbers. It is the last word on the area.

Rod Heikell's pilots on France, Greece and Turkey are companions to this volume and are regarded as the best pilot books currently available.

Full details of these and other publications are available from the publishers
