know that you aren't the only one who has fouled up in some aspect of life and that you can come out of the situation that you are in stronger and smarter than you were yesterday. Instead of wondering about your future, take this opportunity to step out in faith and begin to learn God's plan for you. As you make a new start in your life, you have the chance to make changes in the person you are and to live in the plan He has for you. *Re Defining Success Finding New Hope* can help you see a larger picture for your life and be encouraged that these circumstances are life challenges which have a reason. *Your Power, Your Choice* Eddie Medina, 2018-10-06 We get up in the morning, get our children ready for school, drive the same route to work, stop at the same coffee shop and park in the same parking spot at work, and that is only the first part of our day. We spend our evenings the same way, scrambling to cook dinner, get the kids to bed, and catch a little bit of TV if we're lucky. We get wrapped up in our daily activities, but very few of these activities help us to grow as individuals. Our lives are full of these routines, and on top of that, we spend much of our time wanting what other people have and never knowing who we are. We simply lose track. *Your Power Your Choice* explores how to take the first step to becoming the best you. It reveals what it takes to finally make things happen. It's time to take a close, honest look at yourself to realize who you are, where you are, and where you'd like to be. And from there, you can leverage universal laws to create the life you want. *The Big Game* Scott MacMillan, 2003 Pre-Pub Discount Earn an extra 5% discount on orders before 5:10:30 minimum 4 copies. **That's My Opinion, Period!** Christopher Greco, 2011-08-11 The book *That's My Opinion Period* was created in the beginning of 2011 when author Christopher Greco started writing about everyday values that he thought the American people were missing out on. I wanted to voice my opinions about what I believe life's greatest values are. Before I knew it, I had the makings of a book, so I continued and turned my opinions into a book. In the book, Christopher talks about some of today's most talked-about topics in America. I wanted to touch base with the people of America and share with the world a fresh perspective on topics such as politics, religion, addictions, and many more. Christopher, a local New Yorker who graduated out of the public school system, traveled the country and has met some very interesting people along the way. He was simply looking for one goal in life: To make a positive difference in the world. I wanted to do something that made a positive difference in the lives of others. Before I was doing things in life that only benefited myself. After some life-changing experiences, I changed my outlook on life, and as a result, have found a new calling: To make a positive difference in the lives of others. **Be BOLD Today** Leigh Burgess, 2024-11-19 Ready to make a change?
