Forgotten Officer Joe Kohler, 2016-04-11 The Bible teaches that the church is the fullness of Christ on earth Eph 1:23 and that God is able to do abundantly beyond all that we ask or think according to the power at work within the church Eph 3:20 So why are so many people disappointed with their church experiences Why do so many outsiders view the church as irrelevant Why do so many hop from one church to the next looking for fulfillment Why are so many professing Christians seeking a form of Christian experience that no longer needs any connection with the organized church The truth is that we have collectively drifted away from God's blueprint for growing the body of Christ up into full maturity and attaining the fullness that he designed We have inherited a leadership model that is more influenced by pagan practices pragmatism and capitalism than by the Scriptures This cultural inheritance is extremely powerful and it has resulted in a contemporary blind spot on a biblical truth of critical importance It has led to our modern failure to properly recognize and appreciate a gift given by Jesus to his bride This is the bad news The good news is that reform is possible Learn what has been forgotten and rediscover the fullness of God's design for his church **When Life Goes Dark** Richard Winter, 2012-04-25 Psychiatrist and theologian Richard Winter explores the complex issues surrounding depression He sorts through scientific research dispels common misunderstandings and looks at how biblical characters experienced despair Here is help for all those who find themselves loved ones or those they counsel vulnerable to depression
