How to Lose Weight for the Last Time Katrina Ubell, 2022-09-20 The missing piece to the most sought after health goal How to Lose Weight for the Last Time offers brain based solutions for dropping pounds and keeping them off without suffering or sacrifice As a pediatrician Katrina Ubell MD always struggled with her weight she was either 40 pounds overweight or struggling to lose that weight Although she'd regularly counsel parents on the importance of keeping their kids healthy and fostering good eating habits Dr Ubell as a busy professional was never able to do the same for herself Like everyone else she tried many different diets and programs but would always regain the weight In 2015 Dr Ubell cracked the code for making weight loss permanent and developed a program targeted at busy physicians like herself who often de-prioritize their own wellness As a weight loss coach Dr Ubell has helped over 1 000 busy physicians and professionals find and stay at a healthy weight with her brain based program and is now ready to bring this program to the general public Dr Ubell's program doesn't involve any unrealistic diets plans special foods supplements or even rigorous exercise protocols instead she uses a deep understanding of the brain and behavior patterns to get results Through her work she has been able to uncover and speak into the universal obstacles that stand in our way of losing and keeping off weight

The Single Person's Cookbook Tony Wilkins, 2007-02-16 A friend told me about a new person he'd invited over for dinner later that night Since my friend is the world's worst cook and hates cookbooks too complicated and the recipes are never broken down for single serving meals the task fell to me to help My

suggestions included everything from a roasted chicken to a stir fry I also told him he could have me prepare the meal for him b do take out c starve d I could help him come up with a few simple recipes he could make himself in 30 minutes or less While putting together his menu he asked me a question Have you ever thought of writing a cookbook To which I replied if I did it would be specifically for single people And as they say necessity is the mother of invention The Single Person s Cookbook is written for anyone without a wife husband children or significant other to cook for Or for anyone needing to impress a date or serve a special someone a great meal because you care In short it is for anyone who wants a simple fast elegant low fat and yes romantic home cooked meal in minutes Each chapter will include approximately 5 10 recipes a piece and tips to help make the cooking process easier and more enjoyable Although I have included measurements for these recipes as a frame of reference I d like to note that I rarely ever measure anything ever In creating a simple meal I find that using the six senses instinct being the sixth are far more important and reliable than a measuring cup As a single man myself over 40 I m often aware of the irony of life s little lessons The blind date that turns out to be your ex lover s ex lover This book will not only be informative from a culinary standpoint but also offers funny little observations about getting through life as a single person of a certain age Think Sex in the City meets 30 Minute Meals from a gay man s point of view The book also offers tips on fitness I went from 232 lbs to 165lbs in about a year as well as ways to save money on your food bill

Upcoming books in The Single Person s Cookbook series include Cooking from your Garden and Southern Cooking **The Hunger Hero Diet: How to Lose Weight and Break the Depression Cycle - Without Exercise, Drugs, or Surgery**
