Irenaeus on the Christian Faith James R Payton, 2012-01-26 Irenaeus of Lyons c130-202 was the greatest theologian of the early post apostolic church In his writings we have access to the Christian teaching of a spiritual grandson of the apostle John for Irenaeus instructor in the faith was himself taught by the apostle Irenaeus stresses the importance of apostolic teaching and faithfully handing on the apostolic tradition His presentation of the Christian faith deserves careful attention since he knew exactly what he was talking about There is no better avenue to the apostolic tradition in the early church than his writings Irenaeus massive Against Heresies offers a winsome and compelling presentation of the Christian faith but few have read this magnum opus since the first two of its five books focus on exposing and answering Gnostic heresies and the only complete English version is difficult to read This volume eliminates both these obstacles James Payton has condensed Against Heresies by cutting out most of the interaction with the Gnostics allowing Irenaeus rich presentation on the Christian faith to shine through Furthermore the author has refurbished the English prose to make it accessible to contemporary readers With this distillation readers now have access to Irenaeus rich presentation of the Christian faith saturated in a thorough knowledge of Scripture and steadfastly rooted in the apostolic tradition of the early church Anyone who wants to know what the early Christian church had received and passed on from the apostles can do no better than to begin with this book

The De-Judaization of the Image of Jesus of Nazareth (The Virgin Mary) at the Time of the Holocaust: Ensoulment and the Human Ovum Thomas Alexander Blüger, 2021-03-09 Thomas has been researching his family's Jewish background for the last thirty years Herein he investigates how his Jewish grandparents and aunt defined as a nonprivileged Mischling survived the war while living in the heart of Nazi Germany This led Thomas to research Hitler's fear of having partial Jewish ancestry and expanded into a full blown study of following Christianity's understanding of the Jewish identity of Jesus of Nazareth throughout history Not leaving matters here Thomas outlines how Marian dogmatic theology used at the time of the Shoah brought to conclusion the Church's long journey in defining the time of ensoulment as articulated in the papal document *Ineffabilis Deus* promulgated by Pius in 1854 This happened twenty seven years after the discovery of the human ovum in 1827 by Karl Ernst von Baer Years later with the emergence of Nazi racial ideology many anti Christian Christians attempted to invert Christianity's core message of salvation through faith toward biological ends This would not do Roman authorities had consistently held throughout the centuries that faith is about salvation and not about biology According to that same end the ideal of ensoulment since the time of the Church's renewed understanding of it beginning in 1854 and indeed as it was first articulated through the writings of Aristotle and received into Christianity through the writings of Saint Augustine and later Thomas Aquinas was newly preserved within the confines of Western civilization This is the first book the author knows of that follows Augustine's concept of ensoulment as well as Aquinas's thinking on the matter while linking these to Karl Ernst von Baer's discovery of the human ovum in 1827 up until the events of Shoah and beyond This study is phenomenological in nature in that it does not follow Jesus of Nazareth the Virgin Mary throughout history but rather follows the image of Jesus of Nazareth the Virgin Mary a monumental difference This study supports the Second Vatican Council the Church's latest and ongoing efforts in affirming the Jewish identities of both Jesus of Nazareth and the Virgin Mary John Paul II's call for a purification of memory beginning in a year of Jubilee as well as the many present efforts in Catholic Jewish relations This study builds upon the author's past article *Following the Virgin Mary through Auschwitz Marian Dogmatic Theology at the Time of the Shoah* published in *Holocaust Studies A Journal*

of Culture and History Vol 14 winter 2008 No 3 pp 1 24 **Changing the Goalpost of New Testament Textual Criticism**

Abidan Paul Shah,2020-10-02 Before the 1960s the goal of New Testament Textual Criticism was singular to retrieve the original text of the New Testament Since then the goalpost has incrementally shifted away from the original text to retrieving any text or many texts of the NT Some scholars have even concluded that the original text is hopelessly lost and cannot be retrieved with any confidence or accuracy Other scholars have gone a step further to claim that the idea of an original text itself is a misconception that needs to be abandoned If this new approach in NTTC is correct then the authority of Scripture is weakened or no longer valid It will be shown in this book that such is not the case Furthermore emphasis will be placed on the need to return to the traditional goalpost of NTTC i e to retrieve the original text Without a generally definitive text the door will be left wide open to recreate any desired text of the NT An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text Consequently it will lead to an unsettled Christian faith and practice *Demythologizing Jesus of Nazareth: Was Jesus a Historical Or Mthical Person?* , **Questioning the Historicity of Jesus** Raphael Lataster,2019-07-01 This volume moves beyond the mainstream scholarly scepticism over the Christ of Faith and considers if there is sufficient evidence to establish the existence of the more mundane Historical Jesus Using the logical tools of the analytic philosopher Lataster finds that the relevant sources are unreliable as historical documents and that the key method of those purporting that the Historical Jesus existed is to appeal to sources that do not exist Considering an ancient hypothesis suggesting that Jesus began as a celestial messiah that certain Second Temple Jews already believed in and was later allegorised in the Gospels Lataster discovers that it is more reasonable to at least be agnostic over Jesus historicity **Worlds Apart** Ihab Khalil,2009-02 Combining meticulous research with thoughtful conclusion this remarkable collection of essays explores ancient Egyptian and early Christian thought and leads to a better more comprehensive understanding of these ancient peoples key beliefs Worlds Apart is composed of four well written essays each chosen with the purpose of engaging both the layperson and the researcher Using literary philosophical historical and psychological approaches Ihab Khalil examines several important components of these two vastly different cultures Topics include Dualism in ancient Egyptian thought The Myth of Osiris Early Christian Christology both orthodox and heterodox Christian Mysticism Khalil includes an extensive bibliography of his sources conducive to further study and research In addition illustrations footnotes and tables complement Khalil s writing leading to an even more thorough understanding of his subject Insightful and deeply engaging Worlds Apart is destined to become the definitive work on understanding the core beliefs of these two cultures *DO WE STILL NEED A LITERAL BIBLE?* Edward D.
