Ancient High Tech Frank Joseph, 2020-08-04 A detailed look into ancient advanced technology science and medicine some of which has yet to be reproduced today Explores countless examples of ancient high tech including robotics artificial intelligence aircraft solar powered cannons high speed drills illuminated underground temples massive refrigerators and subterranean cities Examines evidence of advanced medicine in ancient times Includes examples from ancient Egypt China Greece Babylon Siberia the Americas and India The first self igniting match was invented in 1805 by Jean Chancel a French chemist Yet in Babylon 3 600 years before identical sulfur matches were in common use On the Panchavarnaswamy Temple in India built millennia ago there is a detailed carving of a man on a bicycle yet the bicycle wasn't invented in the modern world until 1817 These inventions are only two examples of technology lost in the Dark Ages Exploring the sophisticated tech achieved by ancient civilizations hundreds and thousands of years ago Frank Joseph examines evidence of robotics and other forms of artificial intelligence manned flight such as hot air balloons and gliders and military science including flamethrowers biological warfare poison gas and solar powered cannons He reveals how ancient construction engineers excavated subterranean cities turned stone walls into glass lifted 100 ton blocks of granite illuminated underground temples and pyramids and stored their food in massive refrigerators Examples explored in the book include the first known alarm clock invented by Plato in 4th century BC Greece 600 year old Aztec whistles that reproduce animal sounds and human voices with uncanny accuracy Stone Age jewelry from Siberia worked by a high speed

drill sex robots in ancient Troy Greece and China ancient Egyptian aircraft and India's iron pillar exposed to sixteen hundred years of monsoons but still standing rust free The author also explores evidence of advanced medicine in ancient times particularly in Egypt and China from brain surgery optometry and prosthetics to dentistry magnet therapy and cancer cures By examining the achievements of our ancient ancestors we can not only reverse engineer their inventions but also learn from their civilizations mistakes enabling us to avoid more dark ages Imagine how scientifically advanced humanity would be if our early achievements had escaped destruction and been allowed to develop

God and the Gods John Greco, 2013-06

God and the Gods presents the results of a personal journey to uncover the multifaceted pieces of information not covered in national news and hidden from the public for reasons unknown Volumes of additional information with stories and artifacts that are off limits to mankind This manuscript touches merely a few of the many secrets that society is hiding for its own benefit They are small pieces of a multidimensional puzzle in unraveling the real origin of mankind something that could change the history of who we are and where we came from Author John Greco opens our eyes to the possibilities that have accumulated over the years through the facts findings and scientific studies of the human body religious proof and archaeological discoveries being made throughout the world today The Bible is fact in most cases but there is much more to know The truth is out there and most of it is staring us in the face every day We as humans who worship a God we cannot see need to look in the right places and tie the many pieces of this amazing puzzle together *God and the Gods* gives you the opportunity to question the basic teachings of all religions including their exclusions and begin to consider what the answers truly are The city of Troy was a myth until it was found The truth is out there and waiting to be discovered

Ancient Egypt 39,000 BCE Edward F. Malkowski, 2010-05-14 A view into the sophisticated and highly advanced civilization that preceded the world of the pharaohs Presents historical evidence of the civilization ruled by the gods that the Egyptians claimed preceded their own Explains who these prehistoric people were what happened to them and why they built a series of pyramids along the west bank of the Nile River Traditional Egyptologists have long resisted the notion that the architectural achievements of the Ancient Egyptians required the existence of a much more sophisticated technology than would have existed at that time Yet no records exist explaining how why or who built Egypt's megalithic monuments and statues The ancient Egyptians did however record that their civilization resided in the shadow of a kingdom of gods whose reign ended many thousands of years before their first dynasty What was this Civilization X that antiquity's most accomplished people revered as gods The recent discovery of a large stone at one of Egypt's oldest ruins presents physical evidence that clearly and distinctly shows the markings of a machining process far beyond the capabilities of the Ancient Egyptians Likewise experimental modeling of the Great Pyramid's subterranean chambers and passageways gives scientific evidence to further support the theory that the civilization responsible for such magnificent monuments is much older than presently believed *Ancient Egypt 39 000 BCE* examines this evidence from historical and technical points of view explaining

who these prehistoric people were what happened to them why they built their civilization out of granite and why they built a series of pyramids along the west bank of the Nile River

Giza: The Tesla Connection Christopher Dunn, 2024-01-30 Reveals how the pyramids of Egypt were sophisticated generators of clean energy Explains how the pyramids harmonized seismic energy which enabled the harvesting of electricity and the mitigation of earthquakes Shares recent cutting edge research on earthquake lights acoustic frequency measurements and energy concentration within the Great Pyramid the shafts of the Queen's Chamber the scorch marks that support the King's Chamber explosion hypothesis and the significance of the large void above the Grand Gallery Includes technical appendices written by experts and top researchers Sharing extensive new evidence and cutting edge research that the Great Pyramid at Giza was built as an energy harvesting machine Christopher Dunn details how the ancient Egyptians generated clean power for their civilization and reveals how the pyramid builders and the great inventor Nikola Tesla drew from the same universal knowledge Looking at each part of the Great Pyramid from the internal chambers to its massive stone blocks to the pyramidion on top Dunn reveals how the pyramids in Egypt served to stimulate the release and collection of electrons in the Earth's crust by harmonizing seismic energy while also attenuating the accumulating stresses Drawing on exhaustive ongoing research by NASA scientists into the phenomenon known as earthquake lights Dunn shows how the pyramid builders were inspired by this phenomenon and learned to stress igneous rocks in order to harvest the resulting electron flow He looks in depth at recent research that supports the pyramid energy theory including new explorations of the shafts of the Queen's Chamber and analysis of the scorch marks on the ceiling of the Grand Gallery which supports the King's Chamber explosion hypothesis He examines the stunning significance of the large void above the Grand Gallery discovered in 2017 Dunn also analyses the results of extensive acoustic testing and measurements at ancient sacred sites and shows how the pyramids were tuned to the Earth's frequency While the pyramids sophisticated energy harvesting abilities are now in disarray and disuse some remnants of their technologies are still there waiting to be rediscovered and provide our civilization with an abundance of nonpolluting power

Crimson Horizon: The Mysterious Sea Kings Of The Pacific Brien Foerster, 2012-11-30 The people of the Pacific known by most as Polynesians remain a mystery to scholars and the public alike as to their origins While most academics in the fields of archaeology and

anthropology strongly insist that they exclusively came from 121 P a g e south east Asia other researchers and the oral traditions of the people themselves often differ with this opinion The presence of red hair called Ehu in Hawaii and Uru Kahu in some of the ancient and present populations suggest connections in the distant past with sea farers from coastal Peru especially the Paracas to account for this The famous explorer Thor Heyerdahl was insistent that there were ancient connections between Peru and the Pacific Islands and this book attempts to solve this riddle without delving into Celtic or other possible European ancestry Come explore the possibilities through science wind directions sea currents sculpture and oral traditions

The Secret Chamber of Osiris Scott Creighton, 2014-12-15 Reveals the true purpose behind the pyramids of Giza and the location of the secret vault of Egyptian treasures hidden on the Giza plateau Details how the first 16 pyramids represent the allegorical dismembered body of Osiris and the legendary missing part is a secret underground chamber Explains how the pyramids were built as recovery vaults and with the secret chamber contained everything needed to rebuild civilization after the Deluge Examines the technology used to build the pyramids and fly the stones into place After nearly 200 years of the pyramid as tomb theory a growing body of evidence suggests the first 16 pyramids of ancient Egypt were not royal tombs but nearly indestructible recovery vaults designed to revive civilization after an anticipated major catastrophe the Deluge of Thoth Scott Creighton examines the prophecy of catastrophe and the ancient Egyptians massive undertaking to ensure the survival of their civilization He explains how the pyramids acted as easily located storehouses for seeds tools and civilizing knowledge yet they would have been too visible to house the precious treasures necessary to restore the rich culture of ancient Egypt For this the ancients created a secret chamber whose existence was hidden in myth and whose location was encoded in the Giza pyramids Creighton shows how collectively the first 16 pyramids represent the allegorical dismembered body of Osiris the Egyptian god of agriculture and rebirth and as in the myth of Osiris one part is missing or hidden a secret chamber under the sands of the Giza plateau Creighton reveals how the 3 great pyramids of Giza point to the secret location and how they were built with technology akin to modern hot air balloons used to fly the stones into place as cited in Egyptian legends and shown in ancient art Offering a new understanding of this remarkable civilization the author concludes with a startling revelation shortly after he revealed the location of the secret chamber of Osiris a location never before explored it became the site of a major excavation by the Egyptian authorities the results of which have yet to be made public

Lost Technologies of the Great Pyramid Steven Myers,2010-01 Proposes that the Great Pyramid at Giza was constructed using water impoundments within the stone facing blocks of the pyramid and its stones were raised and moved by means of locks and barges *What The Prophet Ether Couldn_t Tell Us: Book 2 of 3* Jim Hendleman,2021-04-13 BACK COVER The sequel to the Jaredite s Civilization What the Prophet Ether couldn t Tell Us is finally out Book III to shortly follow Book II tells of the life and times of the Jaredites the greatest civilization to have ever lived on Planet Earth It details their earliest beginnings and enumerates some of their many achievements and accomplishments It is first mentioned within the Book of Mormon in Ether 1 42 44 Ether was later directed by God to remove everything about them save for their earliest beginnings at the Tower of Babel in Iraq and a few brief tales of their spiritual trials and wars up to their final Civil War Mainstream Archaeology refuses to address this civilization because it would reveal Archaeology s canards about evolution and their false narrative about the Origin of Man The Jaredites settled and colonized South and North America Lemuria Antarctica The British Isles and most of western Europe plus the lands of China and India For nearly 2 530 years they maintained a world wide civilization My research has uncovered many details of Jaredite life and their physical characteristics that the prophet Ether was not allowed to tell us They built all of Egypt Their Hindu colony fought at least two internal nuclear wars They colonized throughout our entire Solar System most moons and all the planets have their cities mainly covered by 7 mile high glass domes except Jupiter and Saturn These two planets each have possible Star War size moons that could be artificial space stations Mars used to be a moon to its now exploded primary which is now

the Asteroid Belt Their Martian cities are so immense that New York City and Shanghai combined wouldn't be considered a nickel in a handful of change in comparison to them Jaredite leftovers are all over Earth if one knows when to look for them Book III details a few of their many wars as well as their final Civil War the first year or two which were nuclear Through their longevity they were able to develop their physics to the point to where they could control the weather as well as to weaponize its component parts And their final long prophesied death *The Giza Power Plant* Christopher Dunn,1998-08-01 Did a highly advanced civilization exist in prehistory Is the Giza Pyramid a remnant of their technology Then what was the power source that fueled such a civilization The technology of harmonic resonance claims renowned master craftsman and engineer Christopher Dunn In a brilliant piece of reverse engineering based on twenty years of research Dunn reveals that the Great Pyramid of Giza was actually a large acoustical device By its size and dimensions this crystal edifice created a harmonic resonance with the Earth and converted Earth's vibrational energies to microwave radiation The author shows how the pyramid's numerous chambers and passageways were positioned with the deliberate precision to maximize its acoustical qualities This may be the same technology discovered by Nikola Tesla and the solution to our own clean energy needs

Off the Hook Earl Wayne Heflinger, 2018-03-15 The author uses his own personal story of being born into a Christian fundamentalist family with extreme beliefs to paint a vivid picture of what life is like in toxic ideologies such as fundamentalist religion The book has three parts The first describes the spiritual abuse of his childhood due to stifling rules and restrictions inflicted by his parents caught up in their church's teachings on his thought processes and behavior The remarkably poignant stories show in painful detail how his self esteem was crushed how he was never intended to think for himself and how he was made to feel different and totally out of place in the world all by loving but misguided parents During his school days his social life was severely stunted because he felt like an outsider everywhere but in church The second part discusses his lifelong struggle with spiritual healing and his transition from a spoon fed belief system to a personally chosen worldview He thoughtfully muses about all the significant elements of religious spiritual belief systems God Jesus the Bible sin morality science life after death marriage divorce and others and contrasts his evolving beliefs with those of organized religion This is presented to give the reader a comprehensive illustration of how one particular seeker has constructed a personalized belief system through continual rethinking and updated understanding The third part calls on the author's advanced education and professional experience in business and government in analyzing and developing systems and procedures It describes with a wealth of tips and checklists the process by which he escaped a toxic ideology and came to feel intellectually free and off the hook It ends with heartfelt encouragement for anyone similarly affected by repression to accept all available helpful resources and muster the determination to claim their personal power

Black Genesis Robert Bauval, Thomas Brophy, 2011-03-28 Presents proof that an advanced black African civilization inhabited the Sahara long before Pharaonic Egypt Reveals black Africa to be at the genesis of ancient civilization and the human story Examines extensive studies into the lost civilization of the Star People by renowned anthropologists archaeologists genetic scientists and cultural historians as well as the author's archaeoastronomy and hieroglyphics research Deciphers the history behind the mysterious Nabta Playa ceremonial area and its stone calendar circle and megaliths Relegated to the realm of archaeological heresy despite a wealth of hard scientific evidence the theory that an advanced civilization of black Africans settled in the Sahara long before Pharaonic Egypt existed has been dismissed and even condemned by conventional Egyptologists archaeologists and the Egyptian government Uncovering compelling new evidence Egyptologist Robert Bauval and astrophysicist Thomas Brophy present the anthropological climatological archaeological geological and genetic research

supporting this hugely debated theory of the black African origin of Egyptian civilization Building upon extensive studies from the past four decades and their own archaeoastronomical and hieroglyphic research the authors show how the early black culture known as the Cattle People not only domesticated cattle but also had a sophisticated grasp of astronomy created plentiful rock art at Gilf Kebir and Gebel Uwainat had trade routes to the Mediterranean coast central Africa and the Sinai held spiritual and occult ceremonies and constructed a stone calendar circle and megaliths at the ceremonial site of Nabta Playa reminiscent of Stonehenge yet much older Revealing these Star People as the true founders of ancient Egyptian civilization this book completely rewrites the history of world civilization placing black Africa back in its rightful place at the center of mankind s origins *The Ancient Alien Theory: Part One* C.R.
