A STUNNING SERIES OF PHOTOGRAPHS MORE POWERFUL THAN WORDS

"Here, in pictures brimming with humanity, we get a sense of how Palestinians endure, laugh, and struggle despite living in the shadow of the brutish and ugly wall that breeds their lives and land."

*Joe Sacco, author of *Footprints in Gaza* and *Journeys**

"Only those settling in a conquered territory erect walls. The contrast between the ugliness of what Israel has built and the resilience of the Palestinians living in the shadow of the wall is graphically illustrated by the outstanding photographs in this superbly designed book."

*Raja Shehadeh, author of the award-winning *Palestinian Walls* and *Occupation Diaries**

"We rarely see the reality of the horrific effects of Israel's separation Wall on the lives of Palestinians. And we rarely see the humanity of Palestinians who endure behind it every day. This brilliant, visually striking book does both. It is the antidote to media silence and sanitized views of a people. Yet, it also conveys a genuine expression of hope for a peaceful future that can be seen on the faces of the young and old alike."

Love Wins Palestinian Perseverance Behind Walls:

Love Wins Afzal Huda, 2014-02-28 During the summer of 2011 armed with a camera and a map award winning Canadian filmmaker and photographer Afzal Huda set out to chronicle the Separation Wall in Palestine His aim was to magnify the ugly face of the Wall and depict the contradictions and hardships endured by human beings living under a military occupation He was intent on showing the world what it was like to live in an open air prison and how Palestinians have developed ways to cope with the Wall s existence Afzal spent three weeks doing just that visiting all the Palestinian areas along the Wall and interviewing people young and old from all walks of life But instead of the overwhelming reality of misery and suffering he had witnessed with his own eyes his camera caught images of a contrasting nature photos of people and faces of compassion perseverance and hope rarely seen in mainstream media s usual portrayal of Palestinians The resulting book conceived and beautifully designed by Waleed Abu Ghazaleh is a powerful photo journal that depicts the humanity of a resilient people It is divided into four parts each starting with a short introduction in English Spanish German French and Chinese followed by brief statistics taken from United Nation sources It includes Images of the Wall as a physical barrier how it dissects towns and farmland Images of Palestinians living under its shadow checkpoints gates and the resultant poverty Images of solidarity support from international artists and visitors as well as local inhabitants Images of perseverance and hope [Scripture](#)
