Honest Answers about the Murder of President John F. Kennedy Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject End of Oblivion: The Great Deceit and Why We Need to Reclaim Our Spiritual Evolution Aleksandar Ostojic, 2019-08-08 End of Oblivion The Great Deceit and Why We Need to Reclaim Our Spiritual Evolution is an informal overview of the current state of humanity and the world and delves into how our perceptions of reality have been drastically distorted to the point where the majority of the population cannot perceive distortion any longer Deceit is present in every area of our lives but beneath these secular manifestations deeper metaphysical undercurrents are interlacing with our spiritual evolutionary direction Armed with a wealth of factual evidence as well as personal observations the author puts forth a compelling explanation as to who is really behind this great deceit and offers choices on how to break free for those curious enough to ponder It is time to remove our blindfolds to consciously choose our path and to reclaim the true purpose of our being our spiritual evolution The book reflects on the Law of One material UFO FAQ David J. ZIONISM and the New World Order David Klooz, 2019-12-29 Some people when reading this book may be tempted to label this effort with the suitcase word conspiracy theory Unfortunately this book shows the real almost unbelievable practice of a conspiracy which extends in its current form for over several centuries It is based solely on a compilation of extremely well hidden historical data based on a researched bibliography covering several centuries as well as careful supposition as many key people have been eliminated Additionally some critical data is still being illegally withheld by conspirators In this case the word conspiracy translates to the following explicitly coordinated action by a small group acting for morally or legally reprehensible purposes without the knowledge of the greatest number There are several key elements that are necessary for such a large scale conspiracy practice to be effective over a long period of time One of the elements is that it is possible to carry out a strategy distributed over a large number of individuals using a well established socio religious matrix The question of maintaining a lasting secret when the number of people involved increases is not a key point The study of the

multiple denunciations of Sabbatean Frankism whatever the level of the person who receives this accusation shows that the more terrible the secret really is the more incredible it seems and the less credible or effective the revelation is This disbelief can last for centuries While the actions of the conspirators have public effects it is possible to protect these actions permanently from decryption by other agents particularly if the staging of the actions has been preceded by an enactment of subversion penetration and corruption The result is that the main agents who would normally have an interest in revealing the intentions of the conspirators actually become their passive or active co conspirators Another element is the use of the term conspiracy theory This is a simple rhetorical device whose current negative connotation serves to disqualify the opponent without debate This manipulation technique only works with poorly educated minds Unfortunately even educated minds can be brainwashed by continual deep state propaganda It was instrumentalized by the American Deep State CIA in the 1960s particularly with reference to the assassination of President John F Kennedy and the rising disbelief in the fake Warren Report narrative of one man shooting a magic bullet The use of this term conspiracy is most often associated with the terms Jewish conspiracy or Freemason conspiracy In the first instance we show that this is not the case the Sabbatean Frankists are not real Jews since they have been excommunicated several times by traditional rabbinical authorities In fact recent research shows that the Khazars were in fact never converted to Judaism However the public doesn't understand this as they claim to be Jewish In the second instance counter initiation had infiltrated these groups as it has done over the decades for almost all the secret societies that had an influence such as the Golden Dawn or the Order of the Brothers of Saint until it was able to reverse the organization's essential purpose Freemasons currently represent only pawns that are not fully aware of their manipulation and the real revolutionary objectives pursued or in the best of cases they are neutralized without influence Their major purpose now is to promote revolution In other words they are an active change agent for revolution with no particular goal in mind except chaos It is always interesting to look in detail at the biographies of those who use this term to kill the debate This book is an attempt to look at some of the major watershed moments in the last two centuries to see if this approach unearths any information that reflects my basic premise Hopefully this book will encourage others to do additional research and use their own critical thinking abilities for the lucid vigilance that is the hallmark of real citizen debates and to increase our knowledge of the subversion that is destroying our civilization from within Whether they call themselves Sabbatean Frankists Zionists Khazarian mafia or the Cult of the All Seeing Eye they are the psychopaths ruling the world and planning the way to their New World Order centered in Israel

Kennedy's Last Stand Michael E. Salla, 2013 Just before beginning his first term on January 20 1993 President Elect Clinton made a very strange request to close family friend and lawyer Webster Hubbell If I put you over there in justice I want you to find the answer to two questions for me One who killed JFK And two are there UFOs According to Hubbell Clinton was dead serious The key to unlocking the mystery of President Kennedy's assassination and a possible UFO connection lie in events that

occurred 18 years earlier in post war Germany In 1945 John F Kennedy was a guest of Navy Secretary James Forrestal where he personally witnessed technological secrets that have still not been disclosed to the world These secrets stemmed from extraterrestrial technologies that Nazi Germany had acquired and were attempting to use in their weapons programs In searching for answers to who killed President Kennedy we need to start with the death of his mentor James Forrestal in 1949 Forrestal became the first Secretary of Defense in 1947 a position he held until March 1949 Forrestal was a visionary who thought Americans had a right to know about the existence of extraterrestrial life and technologies Forrestal was sacked by President Truman because he was revealing the truth to various officials including Kennedy who was a Congressman at the time Forrestal s ideals and vision inspired Kennedy and laid the seed for what would happen 12 years later After winning the 1960 Presidential election Kennedy learned a shocking truth from President Eisenhower The control group set up to run highly classified extraterrestrial technologies the Majestic 12 Group had become a rogue government agency Eisenhower warned Kennedy that MJ 12 had to be reined in It posed a direct threat to American liberties and democratic processes Kennedy followed Eisenhower s advice and set out to realize James Forrestal s vision The same forces that orchestrated Forrestal s death opposed Kennedy s efforts at every turn When Kennedy was on the verge of succeeding by forcing the CIA to share classified UFO information with other government agencies on November 12 1963 he was assassinated ten days later Kennedy s Last Stand is the story of how an American President tried to realize his friend and mentor s vision of a world where humanity openly knows about extraterrestrial life and of the government officials responsible for denying that vision
