A Concordance to the Book of Doctrine and Covenants of the Church of Jesus Christ of Latter-day Saints John Andreas Widtsoe, 1906 True Latter-Day Saints' Herald ,1902 The family magazine of the Reorganized Church of Jesus

Christ of Latter Day Saints **Follow the Living Prophets** Brent L. Top, Larry E. Dahl, Walter D. Bowen, 1997-05 **The Book of Doctrine and Covenants of the Church of Jesus Christ of Latter-day Saints** ,1876 Healing You and Your Family Tree Father Christopher Ngozi Onuoha, 2022-08-01 Generational and family curses and bondage are real distressful experiences that plague and cause us suffering they complicate and make personal and family life hard and unnecessarily burdensome Healing You and Your Family Tree is written to address and counter this assault on families by evil forces and their often hidden and unsuspecting agents It outlines twelve comprehensive open doors to bondage and gives insights on how to recognize the operations of demonic powers behind them and the loopholes mechanisms and tactics that lead to bondage This well researched and detailed book is a useful guide to discern family curses that may be causing spiritual distress the steps necessary to close the doors to evil and how the power of prayer and intercession in the Spirit opens doors to grace and freedom through faith in the Holy Name of Jesus Prayer is the antidote to evil and the master key to healing Prayer is the life of the soul as water is the life of fish To pray well is to dwell and move in God Saint Alphonsus Liguori said those who pray will be saved those who do not pray will not be saved The contemplative approach to healing has a special place for the prayer initiative as the gateway to freedom God indeed governs the world but prayer governs God The prayer of faith that saves and heals rests on four solid pillars of prayer penance silence and solitude We learn to pray by praying when we do we move mountains and overturn worldly kingdoms God's reign takes root in our hearts to make all things new in the love of the risen Christ Christians born again and inserted into Christ by the Spirit in Baptism united and strengthened in Him through Confirmation and the Sacraments are prepared for victory in spiritual combat This book equips readers with the knowledge and tools needed to succeed in battles against evils It prepares believers to gain vital knowledge of self and God and outlines principles for daily victories in spiritual warfare with the strength of self knowledge grounded in the truth of God's unconditional love for us and the armor of light we need to stand firm in faith and to resist and overcome evil Our senses thoughts feelings and desires help us to navigate the challenging road of suffering due to generational curses This book helps us to engage our reason and faculties and gifts to cooperate with God's grace to receive healing We are assured that the ultimate solution to generational suffering lies in the committed and intense relationship with Jesus Christ in a life of charity rooted in truth humility moral purity and personal holiness for the one purpose of acquiring purity of heart by which we see God It emphasizes the supreme power and effectiveness of Christ's perpetual priestly sacrifice in setting all captives free and alerts readers to the unseen but game changing Spirit inspired intercession of the contemplative approach to healing Contemplation intensifies God's fire power in us

through the Holy Spirit we share in Divine intimacy and are enabled to fight the good fight against the crosses of bondage with a sure and humble resignation to God's Divine and always Victorious will

There are many professing Christians who are so misguided on the matter of truth in relation to God's law and God's love as to make a mockery of the death of Jesus on Calvary There is so much error being taught such as the devilish doctrine of eternal torment in hell fire and that God's law of Ten Commandment were nailed to the Cross as to make the gospel of Christ look ridiculous The mark of the beast is not a figment of the imagination but a real danger that will face all of those who refuse to heed the last call of God to worship Him in truth It is widely believed that at the relevant time it will be an easy thing to refuse to have the mark of the beast However the mark of the beast is not a visible sign to accept or reject but a subtle intrusion upon the mind by Satan the arch deceiver There are real issues at stake when confronted by the Spirit of truth In these circumstances it is important to be aware of present truth whether from this or any other source before the return of Jesus **Herald and Presbyter**, 1916 Herald of Gospel Liberty, 1910 **The Cambridge Review**, 1882
