Is Jesus Coming Soon

Dean J. Piper

Is Jesus Coming Soon:

Is Jesus Coming Soon? Ralph Martin, 1997 Is Jesus Coming Soon provides a Catholic perspective on a subject generating increasing interest in today's world. Based on Catholic scriptural and theological studies, Martin's work is nonetheless easily accessible to all. *Is Jesus Coming Soon?* Gary DeMar, 1999-08 Explanation of the preterist view of prophecy. *Jesus Is Coming Soon* Jimmie L. Chapman, 2011-11-28 This book is not just another attempt to sensationalize the Second Coming of Christ or to grab headlines in the newspaper. Instead, it is a well-thought-out biblical analysis of the subject of Jesus' return to the earth. Author Dr. Jimmie L. Chapman makes no attempt to set a date for the coming of Christ, but he gives us biblical proof that it must be near. Many have made the foolish mistake of setting a date for the Lord's return only to meet with frustration. Jesus himself warned us: "But of that day and hour knoweth no man, not the angels of heaven, but my Father only." Matthew 24:36 Jesus has given us numerous signs that will precede his return, and we are seeing nearly all of them in this age, and we will assuredly see them all soon, he said. Dr. Chapman shows us that the idea of the Second Coming is in the Bible from Genesis to the Revelation. It is our responsibility to be ready for it. Are you ready? *Jesus Is Coming Soon* Guillermo Maldonado, 2020-09-29 Shakings, Signs, and the Return of Christ. You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End times prophecies speak of faithful followers of Jesus called the remnant who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? Jesus Is Coming Soon. Discern the End Time Signs and Prepare for His Return will help you be certain you are part of God's remnant. The signs of the end of the age and Jesus's appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold. The reason for the unprecedented natural and spiritual shakings in our world. What the signs tell us, including unusual signs such as blood moons. How God works according to seasons, eras, and the fullness of time. How Jewish feasts point to the ages of man, accurately showing us God's time clock. Which imminent biblical signs and promises have yet to be fulfilled? The judgments God is bringing to the earth. God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ's appearing. You can be joyfully prepared, watching and waiting in expectation with your spiritual eyes open. Live in God's perfect will for your life and participate in His

supernatural last days purposes *Jesus' Rapture Is Coming Soon!* William Loyal Warren, 2010-06-08 RELIGION SPIRITUALITY The Lord Jesus said there will be signs at the End Time No one knows the exact day or hour but there are many redflag and discernable indications that time truly is drawing nigh The book *Jesus Rapture Is Coming Soon* lists many of the moral political scientific and environmental events taking shape today that clearly validates the very signs Jesus prophesied Those who have eyes that see and ears that hear have the spiritual awareness to prepare for this apocalypse as foretold in the Book of Revelation Many say Its been thousands of years since Jesus spoke of the End Time signs Little do they know that a thousand years of man is only one day of the Lords time To break it down even further one second of the Lords time is equal to 4 22 days of the human clock Our life here on earth is like a blade of grass We can be stepped upon by a multitude of death like situations Being prepared to meet thy maker is second to nothing in the world Knowing some of the signs of the End Time and becoming close to the Lord Jesus brings His peace joy and assurance in ones life here and the hereafter In conclusion no one knows the day or hour of his or her own life on earth Would it not be wise to mentally and spiritually prepare your heart mind soul and spirit for the possible now as well as for the End Time *Jesus Is Coming Soon?* Jim Reeves, 2016-06-30 Jesus said he was coming soon All his disciples and the writers of the New Testament heard what he said and believed he would return during their lifetime Over two thousand years later most Christian people believe he has still not come yet continue to claim he is coming soon Is it possible we have totally missed something from the Scriptures about this second coming of Christ It may surprise you to learn Jesus explained in very clear understandable terms not only when he was coming back but more importantly why Over the past years there have been hundreds of prophecies about when Jesus was coming and when the world would end All of them have proven to be false doing little more than casting doubt on the credibility of the Bible and the faithfulness of God Perhaps it is time we took a fresh look at what the Bible actually says about the end times There are a lot of differing opinions about the second coming the end of the world the last days and a host of other topics associated with the promised coming of Jesus This book examines what the Scriptures actually say about these topics and how they all fit perfectly into God s plan to redeem mankind from the consequences of sin Jesus Is Coming Soon presents a clear easy to understand explanation about these end time events And it is an exciting and positive message God s plan for the world was is and always be its salvation not its destruction You will be glad you read this book

Coming Soon Michael Patrick Barber, 2005 Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation The seven seals The dragon The beast The sea of glass The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many In the midst of so much discussion about the end times what does Revelation teach us about living in the present moment with our eyes focused on the heavenly Jerusalem Michael Barber s *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy history and biblical allusion Barber explores the profound link between the Mass celebrated here on earth and the

eternal reality of heaven demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow

Coming Soon is a verse by verse commentary on the Book of Revelation using the Revised Standard Version Catholic Edition of the Bible Barber provides a Catholic interpretation which sees the liturgical background of this book of Scripture a perspective missing in many Protestant commentaries
