**GOD'S TRUTHS AND THE LAST DAYS** Todd West,2008-07-03 Today people are becoming more and more concerned with the commotion going on in the world For almost every world event that transpires there are speculations predictions and interpretations that surface each claiming that it is a prophetic fulfillment of the Bible Are you like many other people who would like to know what the Bible has foretold but find the Book of Revelation complex and confusing In God s Truths

and the Last Days you will be directed to the Bible to see it from God's perspective. Here you will begin your journey and gain insight to many wonderful Bible truths. Learn to understand the mark of the beast, the seven last plagues, and much more. If you are searching to comprehend the prophecies written in the Book of Revelation, you will enjoy God's Truths and the Last Days.

**Islam, Israel, and the Last Days** Elishua Davidson, 1991. Briefly compares Islam and Christianity as well as the Koran and the Bible, criticizing attempts to join Christianity with Islam and Judaism.

**The Mission and Death of Jesus in Islam and Christianity** Mathias Zahniser, 2015-03-11. The common wisdom is that Christians and Muslims should dialogue only about what they agree on. This book takes a different approach. As the author observes, if we focus only on our common ground, we will miss some of the motivating force of our traditions because that force derives not only from what we hold in common but also from those convictions that keep us apart.

**Signs of the Last Day** Hârûn Yahya, 2003.

**Signposts of the Last Days** Bill Goodwin, 2012-06. SIGNPOSTS of The Last Days is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner. Remember that when Jesus came the first time, all but two people were looking for a different kind of Messiah than the One they got. Instead, you will find the Biblical basis for twelve predicted events of the Last Days. This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other. They are arranged in the order they are expected to happen. It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people. This is your opportunity to separate the modern-day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold. Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around.

**Oracle of the Last and Final Message** Mohsin Akhtar, 2008-05-09. This book reveals that over the millennia, the revealed knowledge has evolved in accordance with the advancement of the human civilization. Accordingly, by the advent of the Prophet Muhammad, it has been updated for the rest of the humanity till the end of the world. Hence, the prophet Hood has reached its peak, and Muhammad remains the seal of the prophets till the end of the world. The knowledge of revelation endowed to the mankind remains over and above to their knowledge acquired through the instincts and the intuition. The purpose of the revealed knowledge is that God wants His supreme creature to qualify for the righteous end duly prescribed by Him. He has therefore provided us the syllabus, the text, Books, and the teachers. The last and final after the books of Torah and Gospel is the Quran, and after the Prophets Moses and Jesus is the Prophet Muhammad, peace be upon them all. Hence, Islam is not a new religion but the finalization of the Abrahamic religion, having the same purpose and the values meant by God through Judaism, Christianity, and Islam. The author hopes that this book will work to bring all the three big nations, the Jews, Christians, and the Muslim, closer to each other, quitting behind hatred hidden in their hearts and combine them together at the similar cause that is obedience and supplication to the God's Commandments and peace and love for the humanity, leaving behind all the prejudices and hatred.
