Israel Through My Lens Sixty Years As A Photojournalist:

Israel Through My Lens David Rubinger, 2008-01-07 The compelling autobiography of Israel's preeminent photojournalist illustrated with his most memorable images Today photojournalist David Rubinger stands at the peak of his profession a winner of the Israel Prize for services to the media and a fixture on the masthead of Time he is the only photographer whose work is on permanent display at the Knesset Israel's legislature In this fascinating volume he reports his own story which in many ways reflects the history of Israel that he has recorded so faithfully with his camera Born in Vienna in 1924 he emigrated to British Palestine in 1939 and developed a passion for photography while serving in the British army's Jewish Brigade After fighting in Israel's War of Independence he became a professional news photographer reporting on each of his young nation's subsequent wars from the front lines at first for the Israeli media and later as a correspondent for Time Life He photographed all of Israel's leaders many of whom have allowed him a remarkable degree of access to their lives Ariel Sharon said I trust Rubinger even though I know he doesn't vote for me But Rubinger has not confined his reporting to war and politics by photographing the successive waves of Jewish immigrants from Europe the Arab world Russia and Ethiopia he has also created a valuable record of Israel's transformation from a country of six hundred thousand to one of seven million In recounting his eventful career Rubinger proves himself a gifted raconteur sharing anecdotes of the many leading personalities he has photographed and telling the stories behind his most famous pictures many of which are reproduced here at full page size Also illustrated are a selection of Rubinger's never before published personal photographs which provide vivid behind the scenes glimpses into the fast paced and sometimes daring work of a photojournalist Both a personal account of one man's life with the camera and a visual document of the birth of a nation **Israel through My Lens** is an essential book for anyone with an interest in Israeli history or the art of photojournalism **Understanding**

Israel/Palestine Eve Spangler, 2019-05-15 The Israeli Palestinian conflict is the longest on going hot and cold war in the 20th and 21st century In this book the author argues that human rights standards are the key to a just and sustainable solution and that tragically no one has ever made serious use of them in trying to end the conflict The reader will have a comprehensive view of the conflict its relationship to surrounding world events and its similarities to and differences from other conflicts especially those embedded in American race relations **Restoring the Fortunes of Zion** Rob

Yule, 2017-09-20 **Restoring the Fortunes of Zion** tells the dramatic story of the reemergence of Israel onto the stage of modern history from the genocidal fury of the Holocaust to its extraordinary survival in face of regional hostility and global contempt It shows how the return of the Jewish people from two millennia of exile realizes with uncanny accuracy the visions of the biblical prophets and explores what this signifies for the future Rob Yule brings together accessible scholarship biblical historical geographical political and theological with strong advocacy to create a book that I found riveting and moving I commend **Restoring the Fortunes of Zion** to all those who wish for a clearer sense of Israel its emergence from desolation to

vitality and those who helped and hindered its progress It is an exceptionally valuable resource Dame Lesley Max Auckland The publication of *Restoring the Fortunes of Zion* is extraordinarily timely and vital for our understanding of current world events It enables us to better understand from a biblical perspective what has happened in Israel's past what is happening in Israel today as well as what is going to happen to Israel in the future Revd Murray Dixon Palmerston North Rob Yules book weaves together a carefully researched erudite scholarly but eminently readable and fascinating account of Israel He intertwines and interprets the history politics military strategy theology and culture of the region in the past present and future The sweep of his vision is as breath taking as the intriguing subject matter that he covers Revd Owen Hoskin Auckland
