on mothers and girls Examining the dolls with both a critical eye and a fan's curiosity Zaslow raises questions about the values espoused by this iconic American brand **Delinquents and Debutantes** Sherrie A. Inness,1998-08 The first volume to examine young girls culture in the U S in the 20th century Essays address such topics as board games and the socialization of adolescent girls dolls and political ideologies female juvenile delinquency and more to demonstrate how cultural discourses shape both the young and teenage girl in America 9 illustrations **Kirsten's Story Collection** Janet Beeler Shaw,2005-07

Wherever Kirsten goes in her hometown of Ryd Sweden there is one word on everyone's lips America All around her crops are failing and families are one bad harvest away from starving When Kirsten's Uncle Olav writes from America to tell about the rich farmland there the Larsons make the decision to join him in America Kirsten braves terrible storms and deadly disease on her journey across the ocean After six long weeks at sea she finally hears the welcome cry Land ho On wobbly legs Kirsten makes her way down the ship's gangplank What will happen now she wonders Will I ever feel at home in this new land Book jacket **Kirsten learns a lesson** Janet Beeler Shaw, After immigrating from Sweden to join relatives in an American prairie community Kirsten endures the ordeal of a strange school through a secret friendship with an Indian girl

U.S. History Through Children's Literature Wanda Miller,1997-03-15 Allow students to step back in time to experience the thoughts feelings dilemmas and actions of people from history For each history topic Miller suggests two titles one for use with the entire class and one for use with small reading groups Summaries of the books author information activities and topics for discussion are supplemented with vocabulary lists and ideas for research topics and further reading This integrated approach makes history meaningful to students and helps them retain historical details and facts **American Bookseller** ,1993 **The Publishers Weekly** ,2008 *More Creative Uses of Children's Literature* Mary Ann Paulin,1992 To cover the immense publishing explosion of children's books films and other media for the 1980s Mary Ann Pauline has created an encyclopedic set of volumes to complement and update her celebrated book *Creative Uses of Children's Literature*

Girls' Series Fiction and American Popular Culture LuElla D'Amico,2016-03-01 *Girls Series Fiction and American Popular Culture* examines the ways in which young female heroines in American series fiction have undergone dramatic changes in the past 150 years changes which have both reflected and modeled standards of behavior for America's tweens and teen girls Though series books are often derided for lacking in imagination and literary potency that the majority of American girls have been exposed to girls series in some form whether through books television or other media suggests that this genre needs to be studied further and that the development of the heroines that girls read about have created an impact that is worthy of a fresh critical lens Thus this collection explores how series books have influenced and shaped popular American culture and in doing so girls everyday experiences from the mid nineteenth century until now The collection interrogates the cultural work that is performed through the series genre contemplating the messages these books relay about subjects including race class gender education family romance and friendship and it examines the trajectory of girl

fiction within such contexts as material culture geopolitics socioeconomics and feminism Voices of the Other Roderick McGillis, 2013-05-13 This book offers a variety of approaches to children's literature from a postcolonial perspective that includes discussions of cultural appropriation race theory pedagogy as a colonialist activity and multiculturalism The eighteen essays divide into three sections Theory Colonialism Postcolonialism The first section sets the theoretical framework for postcolonial studies essays here deal with issues of otherness and cultural difference as well as the colonialist implications of pedagogic practice These essays confront our relationships with the child and childhood as sites for the exertion of our authority and control Section 2 presents discussions of the colonialist mind set in children's and young adult texts from the turn of the century Here works by writers of animal stories in Canada the U S and Britain works of early Australian colonialist literature and Frances Hodgson Burnett's *A Little Princess* come under the scrutiny of our postmodern reading practices Section 3 deals directly with contemporary texts for children that manifest both a postcolonial and a neo colonial content In this section the longest in the book we have studies of children's literature from Canada Australia Africa the Caribbean and the United States *The Horn Book Magazine* , 1987 Talking Book Topics , 1998 Includes audio versions and annual title author index
