Comments From Other Readers I've made two of the throws from this book and they both turned out great The instructions were plenty clear enough for me a barely intermediate knitter I was able to complete both garments with no help except to look up a couple things in a basic knitting reference book The instructions at the beginning were a huge help though Any one of these sweaters or other projects like the pillows would make great gifts for the pet owners you know

Lois New Brunswick Canada I was a bit hesitant to buy this as I have a cat Have you ever tried to put a sweater on a cat Long story short with mine it doesn't end well and the cat never wore the sweater I love that this book has more than just clothing options She was fearless hunter with the duck and has eagerly for a cat claimed the snuggly blanket as her new throne to rule the house from I was happy to find that the patterns were easy to put together and the instructions were straight forward
