Raising Children Today Is a Job Patricia Solomon, 2016-07-21 This story is about the young men and women today and how they are being trapped in their own little cage by not doing the right things in life When we people have children we have an obligation to teach discipline love them and let them know not to engage in what amuses people but to let them know that what they do in life will reflect on their lives in the future Raising children is a job and we are failing our job by not listening to what is expected of us that is to give our children more than we have They cant get it without education respect discipline and a lot of love and understanding of what they have to face Lets stop having babies at a young age and start planning for our young men and womens future We also need to put our priority in place first and leave man made things alone hatred greed drugs killing stealing sex before you have a husband or wife etc
