Paul Barnett, 2004-12-09 If everyone writes from a point of view and with an agenda can we reasonably expect any historical account to be objective to tell us the truth In this second edition Paul Barnett defends the task of the historian and the concept of history addressing questions about the New Testament that are of importance to people of faith and skeptics alike

Trusting the New Testament James Patrick Holding, 2009-05 Is the Bible reliable or has it been corrupted Many popular sources ranging from Dan Brown's *The Da Vinci Code* to Bart Ehrman's *Misquoting Jesus* claim that the New Testament as we know it has been corrupted damaged or tampered with Are these charges true Or can we trust the New Testament In this volume prominent Internet apologist James Patrick Holding will take a closer look at four aspects of the transmission of the New Testament and answer these important questions Was the New Testament material corrupted when it was passed on by word of mouth before it was written down Was the New Testament material corrupted as it was copied in writing in its early years Was the New Testament material really written by the people whose names are on the books Was the New Testament canon judiciously selected Learn the answers to these critical queries and you'll learn our reasons for *Trusting the New Testament* I am confident that this work by James Patrick Holding will be a valuable asset to anyone who is in need of powerful evidence and information regarding the integrity of the New Testament Dr Richard Howe Professor of Philosophy and Apologetics Southern Evangelical Seminary from the Foreword **Is the New Testament Reliable** Paul William Barnett, 1986

The New Testament Documents F. F. Charles Adolphus Row,1875 Why I Trust the Bible William D. Mounce,2021-09-14 A Clear Guide to Help Readers Understand Why They Can Trust the Bible We are often told we can no longer assume that the Bible is trustworthy From social media memes to popular scholarship so many attacks have been launched on the believability of Scripture that many have serious questions about the Bible such as Did Jesus actually live Did the biblical writers invent their message How can we trust the gospels since they were written so long after Jesus lived How can we believe a Bible that is full of internal contradictions with itself and external contradictions with science Aren t the biblical manuscripts we have just copies of copies that are so corrupted they don t represent what the original authors wrote Why should we believe the books that are in the Bible since many good ones were left out like the Gospel of Thomas Why trust the Bible when there are so many contradictory translations of it If you find yourself unable to answer questions such as these but wanting to Why I Trust the Bible by eminent Bible scholar and translator William Mounce is for you These questions and more are discussed and answered in a reasoned definitive and winsome way The truth is that the Bible is better attested and more defensible today than it ever has been Questions about the Bible are perhaps the most significant challenge confronting Christian faith today but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the Bible *Myths and Mistakes in New Testament Textual Criticism* Elijah Hixson,Peter J. Gurry,2019-11-05 A renewed interest in textual criticism has created an unfortunate proliferation of myths mistakes and misinformation about this technical area of biblical studies Elijah Hixson and Peter Gurry along with a team of New Testament textual critics offer up to date accurate information on the history and current state of the New Testament text that will serve apologists and offer a self corrective to evangelical excesses *The Supernatural in the New Testament Possible, Credible, and Historical. ...*

Limbaugh, a practicing attorney and former professor of law, approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew, Mark, Luke, and John. His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian. Ultimately, Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry, including his examination of historical and religious evidence beyond the gospels, and thereby affirms Christian faith, spirituality, and tradition. **Making Disciples Through Home Assemblies**, Dwight, Patrice Gillespie, 2022-05-03 Statistics on church growth reveal some startling facts. Overall church attendance in America is declining. The number of those who claim they are done with churches is growing. Those who list none as religious affiliation are increasing. After COVID-19, some are reluctant to return to church services in buildings. What if you had a way to make disciples for Jesus in your neighborhood? Is there a way to reach those who have left the churches or who will not go back to a church building? Yes! *Making Disciples Through Home Assemblies* can show you how. The book is based on the biblical patterns of the first-century disciples, who were highly effective in disciple-making in obedience to Jesus' command to make disciples and be His witnesses (Matthew 28:18-20 and Acts 1:8). Studying Acts and other New Testament verses, the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority. The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple maker for Jesus. *Making Disciples Through Home Assemblies* contains biblical rationale for home assemblies, material that can be used for training yourself and others to lead a home assembly, and the biblically based study guide for your home assembly meetings. The material in this book has been extensively tested for over two years with audiences of diverse ages, and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States. Now you too can start a home assembly and teach others how to become disciples for Jesus. *On the Resurrection, Volume 1* Gary Habermas, 2024-01-15 The first volume of Gary Habermas's magnum opus, *On the*

Resurrection Evidences represents the culmination of fifty years of research on the probability of Jesus's resurrection. Using his minimal facts argument, Habermas demonstrates why we ought to trust the biblical and historical testimony of Scripture regarding the resurrection. This book is a must read for pastors, students, and scholars interested in the historical evidence for the resurrection of Jesus Christ.
