Bannister,2023-09-15 Some claim there s nothing to see in flyover country But take a closer look and you ll discover that Iowa is home to more than just cornfields In fact across the Hawkeye State you ll encounter hidden gems and secret spots abound For instance do you know where you can find the only remaining Frank Lloyd Wright designed hotel in the world What about how much the World s Largest Popcorn Ball weighs And why did the Los Angeles Lakers pay to build a basketball court in the small town of Carroll Dive in and discover the state s offbeat history and quirky places through Secret Iowa A Guide to the Weird Wonderful and Obscure Set course for larger than life attractions like Albert the Bull the World s Largest Strawberry and the Grotto of the Redemption Learn more about Grant Wood s connection to Iowa by visiting his former home and studio or travel through time and space to the place where StarTrek s Captain James T Kirk will be born in 2233 Even at some of the state s most well known places you ll discover hidden histories and unique stories that are not often shared Local author and travel writer Megan Bannister uncovered some of the state s wackiest attractions to guide your adventure around Iowa Buckle up fill up your tank and get ready for an offbeat road trip full of the state s best kept secrets **The Magic**

Glove LOUIS ANTHONY "COUSIN VINNY" AGNELLO,2012-06-27 On the frontline of the battle field between good and evil exists a ball park that can only be visited through possession of an antique baseball glove or the finality of life changing events and decisions It is truly a no mans land and the location where a bond of eternal friendship is forming between a ball player who fell short of his dreams and a young prospect who eagerly wants to achieve his One has made a life changing mistake and wants a second chance or at least a shot at absolution while the other is oblivious to the forces of good and evil

that are literally tearing his soul apart Will these two lost souls find their way to the promised land or will the forces of evil prevail There's a war going on and they play for keeps The only question left is who will be the last casualty of THE MAGIC GLOVE

Movies and the Church of Baseball Jonathan Plummer, 2024-12-25 Christian religious imagery and symbolism has a long history in American baseball cinema from *The Busher* 1919 to *Angels in the Outfield* 1994 and present day movies This book examines *The Natural* *Field of Dreams* *Bull Durham* and other films exploring the frequency of Christian imagery and themes in the American baseball movie From Babe Ruth's performance of a miracle to help a disabled boy walk again in *The Babe Ruth Story* to Shoeless Joe Jackson's question to Ray Kinsella Is this heaven in *Field of Dreams* Christian themes and American baseball film are inextricably linked This discussion encompasses symbolic imagery in mainstream film Christian baseball movies directed by Christian filmmakers promoting their faith messages and images of America as a prelapsarian paradise before The Fall

The Haunt of Home Zachary Michael Jack, 2020-10-15 What does it mean to deeply love a home place that haunts us still From Mark Twain to Grant Wood to Garrison Keillor regionalists from the Gilded Age to the Digital Age have explored the American Gothic and the homegrown fatalism that flourish in many of the nation's most far flung and forgotten places *The Haunt of Home* introduces us to a cast of real life Midwestern characters grappling with the Gothic in their own lives from promising young professionals debating the perennial Should I stay or should I go dilemma to recent migrants and entrepreneurs seeking personal reinvention to faithful boosters determined to keep their communities alive despite the odds In *The Haunt of Home* Zachary Michael Jack considers the many ways a region's abiding spirit shapes the ethos of a land and its people offering portraits of others who like himself are determined to live out the unique promise and predicament of the Gothic

Reel Parables James Hogan, 2008 James Hogan takes twenty popular films that have withstood the test of time including *Star Wars* *Rain Man* *Amadeus* *The Shawshank Redemption* *Groundhog Day* *The Truman Show* and *Forrest Gump* and discusses them with a view toward extracting lessons of Christian morality and where appropriate drawing parallels with the life of Jesus Youth groups adult film discussion groups and college and high school classes on film will find this a valuable resource particularly because the author has intentionally avoided movies about overtly religious topics A set of reflection and discussion questions for each film facilitates use of the book in a group sitting

The American Midwest Andrew R. L. Cayton, Richard Sisson, Chris Zacher, 2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region's twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region's surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region's history culture and values and conflicts A site of ideas and

innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination *Baseball and the American Dream* Robert Elias,2016-04-15 A fascinating look at how America's favorite sport has both reflected and shaped social economic and **Touristic World-Making and Fan Pilgrimage in Popular Culture Destinations** Vassilios Ziakas,Christine Lundberg,Maria Lexhagen,2024-02-13 This volume considers world making as the intersection of the fan pilgrimage experience and the responses of destinations It critically examines the emerging field of popular culture tourism and its close connection with fan studies and placemaking The chapters illustrate how different destinations capitalise on expressive cultural practices to attract fan tourists the processes involved in their tourismification and the outcomes for both visitors and local communities The book establishes a common ground for the comprehensive and critical study of popular culture tourism development and fandom It integrates theory and practice and provides evidence based recommendations for popular culture destinations It is a useful resource for researchers in tourism management fandom pop culture and media studies as well as for those working in the tourism industry **As If By Design** Edward A. Wasserman,2021-07-22 The eureka moment is a myth It is an altogether naive and fanciful account of human progress Innovations emerge from a much less mysterious combination of historical circumstantial and accidental influences This book explores the origin and evolution of several important behavioral innovations including the high five the Heimlich maneuver the butterfly stroke the moonwalk and the Iowa caucus Such creations striking suitability to the situation and the moment appear ingeniously designed with foresight However more often than not they actually arise as if by design Based on investigations into the histories of a wide range of innovations Edward A Wasserman reveals the nature of behavioral creativity What surfaces is a fascinating web of causation involving three main factors context consequence and coincidence Focusing on the process rather than the product of innovation elevates behavior to the very center of the creative human endeavor **Screening the Sixties** Oliver Gruner,2016-09-17 This book provides a detailed and engaging account of how Hollywood cinema has represented and remembered the Sixties From late 1970s hippie musicals such as *Hair* and *The Rose* through to recent civil rights portrayals *The Help* and *Lee Daniels The Butler* Oliver Gruner explores the ways in which films have engaged with broad debates on America's recent past Drawing on extensive archival research he traces production history and script development showing how a group of politically engaged filmmakers sought to offer resonant contributions to public memory Situating Hollywood within a wider series of debates taking place in the US public sphere *Screening the Sixties* offers a rigorous and innovative study of cinema's engagement with this most contested of epochs *American Cultural Studies* Neil C. Campbell,Alasdair Kean,2005-08-12 Drawing on literature art film theatre music and much more *American Cultural Studies* is an interdisciplinary introduction to American culture for those taking American Studies This textbook introduces the full range and variety of American culture including issues of race gender and youth provides a truly interdisciplinary methodology suggests and discusses a variety of

approaches to study highlights American distinctiveness draws on literature art film theatre architecture music and more challenges orthodox paradigms of American Studies This is a fast expanding subject area and Campbell and Kean's book will certainly be a staple part of any cultural studies student's reading diet *E-motion Picture Magic* Birgit Wolz, 2005 Like no other medium before it the popular movie presents the potential of a new power for illuminating the depth of human experience *E Motion Picture Magic* employs that power as a tool to increase consciousness Cinema therapy offers more perspective on life prompting the viewer to step back from his or her problems in order to feel less insecure worried or discontented Using films for self improvement allows a shift in perspective when viewed with conscious awareness The use of movies for personal growth and healing carries forward a long standing connection between storytelling and self reflection that may date back to the beginnings of spoken language The movie experience used in very specific ways can have significant benefits for those who are willing to apply themselves using *E Motion Picture Magic* that can be both beneficial as well as enjoyable *The Magic of Quantum Living* Edwin Nel, 2014-08-07 *The Magic of Quantum Living* is a revolutionizing new theory bringing together quantum physics spirituality and religion in order to explain God and the interconnectedness of the entire universe This new quantum theory is an inspirational message explaining the entanglement and interrelation of all things and people as part of one big collective consciousness the oneness principle This theory highlights the way our thoughts words and actions which are based on our beliefs create our reality within a greater collective reality Practical examples and explanations assist the reader in examining their own beliefs and behaviours with the aim to foster and cultivate a greater respect and love for all of life humanity and our planet *American Cultural Studies* Neil Campbell, Alasdair Kean, 2016-01-29 Exploring the central themes in modern American cultural studies and discussing how these themes can be interpreted *American Cultural Studies* offers a wide ranging overview of different aspects of American cultural life such as religion gender and sexuality regionalism and ethnicity and immigration The fourth edition has been revised throughout to take into account the developments of the last four years Updates and revisions include discussion of Barack Obama's time in the White House consideration of Hemispheric American Studies and the increasing debates about globalisation and the international role of the USA long form television and American Studies up to date case studies such as *Girls The Wire* and *Orange is the New Black* more material on Detroit the Mexican border same sex relationships and Islam in America updated further reading lists and new follow up work Illustrated throughout containing follow up questions and further reading at the end of each chapter and accompanied by a companion website www.routledge.com/cw/campbell providing further study resources *American Cultural Studies* is a core text and an accessible guide to the interdisciplinary study of American culture *Flyover Fictions* Cornelia Klecker, Sascha Pöhlmann, 2025-04 *Flyover Fictions* critically engages the history and contemporary use of the flyover country trope in American culture and repurposes the concept as an abstract tool for cultural studies The term flyover arose in the 1970s with variations flyover country flyover states mainly used as

synonyms for the American Midwest in intranational banter regarding cultural differences from the dominant urban centers of New York City and Los Angeles In recent years the trope has shifted away from this playfulness and its traditional geographic reference points to indicate larger political and cultural developments that speak of a deepening polarization in the United States Flyover Fictions is an exploration of the trope s current politicization historical contexts and general proliferation of meanings Instead of resolving the ambiguities inherent in the concept the volume considers what can be done with these ambiguities and how precisely their fuzziness might be used to create an analytic tool to describe understand and critique processes of cultural hierarchization The contributors show how flyover fictions may operate in different national contexts and also internationally or transnationally not only providing a fresh perspective on historical and contemporary American culture but also supplying a conceptual toolbox for broader use

Body Politic David Shields,2010-05-11 In *Body Politic* David Shields looks at contemporary America and its mythology through the lens of professional and college sports The result is an unusually insightful and provocative book about an empire in denial Shields relentlessly examines the way we tell our sports stories both fictional and nonfictional considers the kinds of athletes we choose as heroes and delineates the lessons and values we glean from sports He explores the intricate and telling relationships between players and coaches black and white players immigrant and native players male and female players players and broadcasters players and fans and players and advertisers In the process he shows us the stories we Americans tell ourselves about the kind of people we believe ourselves to be
