Warrior Nation Ian McKay, Jamie Swift, 2012-05-26 Once known for peacekeeping Canada is becoming a militarized nation whose apostles the New Warriors

are fighting to shift public opinion New Warrior zealots seek to transform postwar Canada's central myth symbols Peaceable kingdom Just society Multicultural tolerance Reasoned public debate Their replacements A warrior nation Authoritarian leadership Permanent political polarization The tales cast a vivid light on a story that is crucial to Canada's future yet they are also compelling history Swashbuckling marauder William Stairs the Royal Military College graduate who helped make the Congo safe for European pillage Vimy Ridge veteran and Second World War general Tommy Burns leader of the UN's first big peacekeeping operation a soldier who would come to call imperialism the monster of the age Governor General John Buchan a concentration camp developer and race theorist who is exalted in the Harper government's new Citizenship Guide And that uniquely Canadian paradox Lester Pearson Warrior Nation is an essential read for those concerned by the relentless effort to conscript Canadian history

The Joshua Generation Rachel Havrelock, 2020-06-30 How a controversial biblical tale of conquest and genocide became a founding story of modern Israel No biblical text has been more central to the politics of modern Israel than the book of Joshua Named after a military leader who became the successor to Moses it depicts the march of the ancient Israelites into Canaan describing how they subjugated and massacred the indigenous peoples The Joshua Generation examines the book's centrality to the Israeli occupation today revealing why nationalist longing and social reality are tragically out of sync in the Promised Land Though the book of Joshua was largely ignored and reviled by diaspora Jews the leaders of modern Israel have invoked it to promote national cohesion Critics of occupation meanwhile have denounced it as a book that celebrates genocide Rachel Havrelock looks at the composition of Joshua showing how it reflected the fractious nature of ancient Israelite society and a desire to unify the populace under a strong monarchy She describes how David Ben Gurion Israel's first prime minister convened a study group at his home in the late 1950s where generals politicians and professors reformulated the story of Israel's founding in the language of Joshua Havrelock traces how Ben Gurion used a brutal tale of conquest to unite an immigrant population of Jews of different ethnicities and backgrounds casting modern Israelis and Palestinians as latter day Israelites and Canaanites Providing an alternative reading of Joshua The Joshua Generation finds evidence of a decentralized society composed of tribes clans and woman run households one with relevance to today when diverse peoples share the dwindling resources of a scarred land

Our American Israel Amy Kaplan,2018-09-17 How did a Jewish state come to resonate profoundly with Americans in the twentieth century Since WWII Israel s identity has been entangled with America s belief in its own exceptionalism Turning a critical eye on the two nations turbulent history together Amy Kaplan unearths the roots of controversies that may well divide them in the future Passion, Persecution, and Epiphany in Early Jewish Literature Nicholas Peter Legh Allen,Pierre J.

Jordaán,József Zsengellér,2020-04-08 This volume examines Jewish literature produced from c 700 B C E to c 200 C E from a socio theological perspective In this context it offers a scholarly attempt to understand how the ancient Jewish psyche dealt with times of extreme turmoil and how Jewish theology altered to meet the challenges experienced The volume explores various early Jewish literature including both the canonical and apocryphal scripture Here reference is often made to a divine epiphany a moment of unexpected and prodigious revelation or insight as a response to abuse suffering and passion Many of the chapters deal with these issues in relation to the Antiochan crisis of 169 to 164 B C E in Judea one of the more notable periods of oppression This watershed event appears to have served as a catalyst for the new apocalyptic texts which were produced up until c 200 C E and which reflect a new theological dynamic in Judaism one that informed subsequent Christianity and Rabbinic Judaism Passion Persecution and Epiphany in Early Jewish Literature will be of interest to anyone working on the Bible both Masoretic and LXX and early Jewish literature as well as students of Jewish history and the Levant in the classical period **The Moody Bible Commentary** Michael Vanlaningham,2014-03-12 OVER 100 000 COPIES SOLD

History of the Israelitish Nation Isaac Mayer Wise,1854 *In a Warrior's Quiver* D.L. Crager,2021-12-16 Before Journey s End there was a beginning The wealthiest and most powerful reigning king King Solomon may have died three thousand years ago but because of his heavenly blessed wisdom the scientific and religious world as we know it today is about to erupt as guarded truths of the beginning of times are now soon to be exposed At the beginning King Solomon wisely gave his general General Shuriah a mission of epic proportions The older general was Solomon s most trusted guardian since Solomon s birth to Bathsheba and King David General Shuriah and thousands of his Israelite soldiers are now sailing across the Mediterranean Sea to a land of their enemies to exhume and safely move the greatest treasures of treasures he himself stumbled upon a year earlier During the starting days of the journey the old general is consumed with reflecting back to his youth Memories come alive of his struggles in relationships intense training and many combat situations as he fought hard to someday become a mighty warrior for King David Young Shuriah is very unpredictable yet he is extremely admired and feared at the same time because he possesses extraordinary almost supernatural abilities to kill and the mental intuition to strategize for war At the age of fifteen Shuriah has become the youngest ever to achieve the coveted honor of being a mighty warrior having killed more than three hundred enemy soldiers in one battle But this happened only after his stepfather Uriah the Hittite is murdered in battle Through certain events it is revealed that King David secretly ordered the murder of Uriah after discovering Bathsheba Shuriah s stepmother and Uriah s wife is pregnant with his child Now the new mighty warrior must face the toughest and most painful battle in his life which could bring his king to his knees or even his grave Israel's Laws and Legal Precedents Charles Foster Kent,1907 The Protestant Bible Correctly Translated William

Harwood,2017-07-21 There has long been a need for a translation of the Judaeo Christian Bible that did not deliberately mistranslate certain words and sentences for the purpose of concealing that the biblical authors beliefs were quite different from those of modern Jews Christians and Muslims For example The LORD is a falsification of the proper name Yahweh a god like Zeus or Jupiter But the most blatant fraud has been the rendering of the Hebrew word allahiym as the male proper name God Allahiym is neither a proper name nor singular nor unisexual Al means a god The suffix ah is a feminine singular inflection so that allah means goddess The suffix iym is a masculine plural inflection making allahiym a dual sex generic plural male and female gods or in the common gender gods This translation corrects such falsifications For extra copies contact www.worldaudience.org [The IVP Women's Bible Commentary](#) Catherine Clark Kroeger,Mary J.
