Issar, Mattanyah Zohar, 2007-06-10 This survey of the ancient levels of lakes rivers and the sea as well as changes in the compositions of stalagmites and sediments reveals an astonishing correlation of climate changes with the emergence and collapse of civilizations in the Middle East The authors conclude that climate change has been the decisive factor in the history surrounding the origins of the cradle of civilization **The End** Michael A. Moreland, 2025-01-25 The spark that ignited my adventure into the words of God that fill these pages came to me at the funeral of my father fifteen years ago I realized that none of my five brothers were fully prepared for eternity in heaven I began doing Bible research to find some verses that I could share with my family to help get them better aligned with Jesus on a path to heaven My initial research begat more study which begat still more study I quickly found myself focusing on God's words regarding times of the end The

premise of this text is to let God's words speak for themselves When organized by event or topic God's words become overwhelmingly clear and precise The threads of the end times have been woven throughout the Bible and history into a complex fabric revealing a beautiful image of God's love for man and His plans for eternity with man in the heavenly realm I sought Christ in His words and found Him in His words The words from the Bible highlighted in these pages weave a glorious prophecy the story of His return to gather all of us to Him for eternity in a new heaven on a new earth The time of the end is rapidly approaching Look around civilization and nature are crumbling Are you ready for the end
