

EMILY FINEBATE: THE PHOTOGRAPH

Chauhan was everything Dre wanted in a woman: beautiful, educated, independent, and strong. On top of that, she was the first woman ever Dre had ever had. It had to be known that bringing these two together because karma would have never allowed it. Chauhan had made too many negative deposits into karma's bank without any withdrawal to end up with a good man like Dre. Perhaps, karma and chance were in cahoots. There was a lot about Chauhan that Dre didn't know initially, like her bad performing, teenage smoking, drinking, and emotional ways. But all Dre knew that he had found in her with karma's new grey as the end of her receiving a taste of everything she had desired and, however, there was also a lot about Dre that Chauhan didn't know, nor did she take the time to find out. Two details in particular were his life insurance for himself and more insurance for her after pushing Dre over the edge multiple times with him, what will she do when he remembers a long abandoned 2- when a man's love is, the final installment of the blood money, picks up where almost 2 left you, except Dre has now taken over and is ready to let Chauhan get whatever she has coming to her that will happen when Dre is no longer blinded by love and reality. At the end with a woman whose world is less than a penny because is hurt? What will happen when he occurs to collect all that he needs to regularly visit to if karma or destiny has more.
