Dean,2010-03-05 The contour Coca Cola bottle is the most recognized package created by man It has been called an international icon and one of the most significant artifacts of the twentieth century Of everything that has been written about The Coca Cola Company the one error of omission has been the complete and accurate story about the creation of its famous contour bottle and the impact it has made in the world Knowing his entire life that it was his father Earl R Dean who

designed the bottle it became the authors mission to get the story told before the truth was forever lost to set the record straight not only for his father and his descendants but for the millions of people all over the world who have enjoyed a romance with his bottle *The Coca-Cola Bottle* Doug McCoy, 2009-01-01 This book covers the history of the Coca Cola bottle itself From the Hutchinson Stopper bottle of the 1890 s to the Applied Color Label of the 1980 s Also included is a Quick Reference Guide showing all the styles of bottles broken down by year with detailed information that will allow collectors to find a specific year the bottle was made Has over 200 photographs and illustrations *The Coca-Cola Bottle* Doug McCoy, 2015-07-01 **Coca-Cola Commemorative Bottles** Bob Henrich, Debra Henrich, 2001 Commemorative Coca Cola bottles hold a special appeal because of the variety of subjects displayed on the bottles festivals Christmas anniversaries sporting events national companies and more This second edition for Coke is completely revised and updated to include the latest bottles Over 1 000 commemorative Coca Cola bottles from 1980 to the present are showcased in full color photographs Complete alphabetical and manufacturer indexes to both eight ounce and ten ounce bottles help the collector quickly locate his bottle and evaluate it The photos are accompanied by complete descriptions dates and current collector values Grab a Coca Cola Commemorative Bottles 2nd Edition and a smile 2001 values 8 5 x 11 **Commemorative Coca-Cola® Bottles** Joyce Spontak, 1998 Most of the modern hobbleskirt commemorative Coca Cola bottles have been produced since 1991 and the miniatures only since 1993 More than 1 100 color photographs illustrate eleven chapters and a history of the bottles from 3 inch high miniatures to tall 10 ounce bottles arranged year by year This book will delight bottle dealers and collectors alike

Coca-Cola , 2011 For 125 years Coca Cola has connected with more people in more places than any other product the world has ever known First sipped at an Atlanta soda fountain as a hot weather pick me up Coca Cola has triumphed by engaging people one by one The company s long time leader Robert Woodruff sought always to have it within arm s length of desire He succeeded so well that Coca Cola has become a part of our landscape part of our rituals part of our lives This illustrated book celebrates the world s most iconic beverage with the brand s photographs advertisements and designs as well as memories from film social history and pop culture Decade by decade Coca Cola represents the zeitgeist with nostalgia and flair **The Coca-Cola Bottle** , 1997 **Coca-Cola in Alabama** Dennis I Smith, 2021-02-22 With the birthplace of Coca Cola barely sixty miles from the Alabama line it comes as no surprise that the drink soon arrived in Alabama This book tells the story of Coca Cola in bottles across Alabama over the next forty years Over ninety Alabama towns have been associated with bottled Coca Cola From the earliest days of bottled Coca Cola in Georgia in the 1880s the how and why of Coca Cola in bottles is detailed from the earliest days Explained are the mechanics of the bottling process the bottles and their closures distribution the franchise system and the soda water flavors bottled and sold alongside Coca Cola A town by town history of bottled Coca Cola across the state follows Period advertisements show Coca Cola packages and slogans and original photographs illustrate the plants trucks and wagons that brought Coca Cola to the citizens of Alabama Over two

hundred bottles are pictured in line drawings showing the variety of packaging used for Coca Cola and soda water over many years Following is a bottle matrix by town showing the incidence of Hutchinson amber script block and soda water bottles town by town **Georgia Straight Side Script Coca-Cola Bottles the Complete 72 City Collection of Jeff Weinberg**

Jeff Weinberg,2021-03 This book pictures and describes in great detail through high resolution close up full color photographs and well researched text every straight side script Coca Cola bottle made between 1902 and 1916 from the state of Georgia It chronicles a 35 year collecting effort by author Jeff Weinberg to acquire photograph and document nearly every known variant of these bottles and reveals where when and by which bottling companies they were made Includes period advertising in use during that time period The Coca-Cola Trail Larry Jorgensen,2024-08-25 The Coca Cola Trail is a journey for anyone interested in discovering the history and growth of the world s most recognized product The trail will take readers to the places in America that tell the story places where you can see touch and remember Whether a serious Coca Cola memorabilia collector a person interested in American business history or simply a fan The Coca Cola Trail provides a fresh new look at a trusted old friend 30 chapters cover each bottling plant location in meticulous detail including unique and ghost billboard signage So what is a Coca Cola Bottler Well from a legal standpoint it s a franchisee of the Coca Cola company who has been granted the right to bottle and sell Coca Cola in an exclusive territory This franchise or contract has been amended and otherwise changed somewhat over the years to add many additional brands but in the beginning it was granted for the sole purpose of bottling and distributing Coca Cola throughout the bottler s territory In the early years it was bottled one bottle at a time placed in wooden cases and hauled to the customer in horse or mule drawn wagons The bottling plants were crude and the task was difficult but by acquiring these franchises these entrepreneurs had unknowingly won the lottery They had settled on investing in a product that would change the world A fabulous beverage with a delicious unique taste profile that provided a refreshing boost to the drinker Even in today s world with thousands of brands of both non alcoholic and alcoholic beverages Coca Cola remains at the top in providing that unique taste and special experience in a beverage You combine this great product with brilliant advertising and marketing from The Coca Cola Company and voila you have a brand and company and a bottling and distribution system that has been so successful that books upon books have been written about it for over 100 years That is unique in itself If you like history of any type you must read this book Part history part travel guide but always interesting and when you ve finished you ll be a master of some particular trivia questions The Coca Cola Trail is chockfull of very interesting every page brings a new delight of some lesser known areas of the US A wonderful book that I highly recommend to all history buffs Linda Thompson host of The Authors Show I would highly recommend this book to anyone who is interested in Coke memorabilia and also to anyone who is interested in learning a different portion of the history of the South Of course Coke extended past the southern states even in the beginning with one of the earliest bottling plants being located in Leadville Colorado If you grew up drinking Coke this is

somewhat like a trip down memory lane as well filled with pictures of old places and people who were active in the first years of Coke S Byrd Atlanta GA Coca Cola is an international sensation and Larry Jorgensen of Lafayette Louisiana has written a book documenting the many places in the United States showcasing Coke history or attractions unique to Coca Cola Jorgensen spent two years researching this book which is also filled with historic photos and recent shots of places and people Louisiana Book News **Petretti's Coca-Cola Collectibles Price Guide** Allan Petretti, 2008-11-21 Chapter by colorful chapter of Coca Cola calendars serving trays bottles signs vintage advertisements toys coolers dispensers and countless other items representing the foremost name in soda pop collectibles await you in this new edition of the superior Coca Cola collectibles identification and values reference **The Coca-Cola Logo Over the Past 100 Years** Ben Johnson, 1999 Coca-cola Coca-Cola Company, 1951 **Did You Know that Valdosta Coca-Cola was the 2nd Plant in the World to Bottle Coke?** , 1997 **The Coca-Cola Bottle** Jacob E. Gersen, C. Scott Hemphill, 2022 The Coca Cola bottle is celebrated today as a design classic and the paradigmatic illustration of protected trade dress How the Coca Cola Company achieved that exalted position however is poorly understood This essay is an effort to fill that gap As we explain the bottle s IP protection in the early years pursued by means of design patents and unfair competition claims was flawed and fragile The Company s patent strategy suffered from several defects Its first patent covered a prototype and arguably did not stretch to cover the production bottle which differed significantly from the prototype Its weak position was revealed in failed litigation that narrowly construed the patent A belated second patent essentially covering the production bottle was sought years after production began This patent might well have been invalid given its close resemblance to the prior art production bottle and in any event could not have been applied retroactively to prevent copying The striking implication of these missteps is that other firms were probably legally free to use the hourglass shape as soon as the first bottle came off the production line in 1916 The Company s unfair competition approach faced uncertainties too The patents bought time for secondary meaning to develop but their flaws put that development at grave risk Moreover early case law rejected efforts to convert short term design patent exclusivity into long term unfair competition protection Although courts eventually accepted this sort of conversion during the early years it posed an existential threat to the viability of the Company s unfair competition claims Thus in multiple respects this most famous example of trade dress was built on a surprisingly shaky legal foundation
