Prey: Book Two: The Jackal's Trick John Jackson Miller, 2016-10-25 Based on Star Trek and Star Trek the Next Generation created by

Gene Roddenberry The Routledge Companion to Media Fandom Melissa A. Click, Suzanne Scott, 2017-11-03 The field of fan studies has seen exponential growth in recent years and this companion brings together an internationally and interdisciplinarily diverse group of established scholars to reflect on the state of the field and to point to new research directions Engaging an impressive array of media texts and formats and incorporating a variety of methodologies this collection is organized into six main sections methods and ethics technologies and practices identities race and transcultural fandom industry and futures Each section concludes with a conversation among some of the field's leading scholars and industry insiders to address a wealth of questions relevant to each section topic Star Trek: Some Assembly Required Scott Ciencin, Dan Jolley, 2002-01-15 Another exciting Star Trek adventure in the Starfleet Corps of Engineers series Keorga is a haven for artists and musicians a place of contemplation and artistic appreciation When their request for a planet running computer is denied by Starfleet they go elsewhere unfortunately the instruction manual is in a language they cannot understand A team from the USS da Vinci is brought in to help them but soon they realize there's more to this than a simple translation problem The computer seems to be running a test one that the Keorgans are failing If the Starfleet Corps of Engineers team can't get the information they need out of the recalcitrant Keorgans and figure out how to stop the rampaging computer Keorga may well lie in ruins **The Routledge Handbook of Star Trek** Leimar Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies

Afterlife Knowledge Guidebook Bruce Moen, 2005-05-20 A handbook of astral projection with tools and practices to explore eternity by communicating with those who have died Where will you go when you die What if someone offered you a safe reliable method for exploring for the truth about the afterlife on your own The Afterlife Knowledge Guidebook is just such an opportunity Bruce Moen is a seasoned afterlife explorer He insists that despite our beliefs to the contrary discovering the truth about our afterlife through communication with the deceased is really quite easy Trained as an engineer Moen has created a systematic yet simple set of concepts techniques and exercises that people around the world have successfully used to gather their own firsthand evidence about the afterlife through contact and communication with the deceased Moen's system follows this basic premise If you can find a way to communicate with a person known to be deceased and gather information from this person that you can have no way of knowing except by this contact and if this

information can be verified to be true accurate and real then you have gathered evidence that this person continues to exist beyond death If you continue gathering such evidence the weight of it will lead you to the truth You no longer need to take anyone else s word for the truth about our afterlife The Afterlife Knowledge Guidebook gives you the tools to discover the truth for yourself Imagine how your life will change when you know beyond all doubt that you are an eternal being a being who never dies
